TY JULISSA

The Oil Kings Tim Yearneau

"Thanks to this gripping new book ... we know more about how they do it. And it's even more shocking than you think." —The Independent When most people think of the drama of global finance, they think of stocks and bonds, venture capital, high-tech IPOs, and complex mortgage-backed securities. But commodities? Crude oil and soybeans? Copper and wheat? What could be more boring? That's exactly what the elite commodity traders want you to think. They don't seek the media spotlight. They don't want to be as famous as Warren Buffett or Bill Gross. Their astonishing wealth was created in near-total obscurity, either in closely held private companies or deep within large banks and corporations, where commodity profits and losses weren't broken out. Now Kate Kelly, the bestselling author of *Street Fighters*, takes us inside this secretive inner circle that controls so many things we all depend on. She gets closer than any previous reporter to understanding these whip-smart, aggressive, and often egomaniacal men who bet millions every day on a blend of facts, analysis, and pure gut instinct.

Too Many Sisters Penguin

"Managerial styles are influenced by habit, familiarity, and workplace culture. It's no wonder that well-intentioned professionals doing their best to be good organizational leaders often repeat unhelpful supervisory practices experienced in their early careers, even if they disliked them at the time. In the *DUH! Book of Management and Supervision*, the author disagrees with many accepted leadership principles (unabashedly referring to them as myths) and makes new and different approaches easier to imagine. Her challenging and controversial concepts illustrated with poignant stories suggest common-sense and immediately applicable alternatives more suitable in today's workplace"—Back cover.

The King of Oil Createspace Independent Pub

Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves—helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than just a possible zompocalypse...

The Secret Rose CreateSpace

Aged emperor Thelden III Arrigar's last days are approaching and the Empire's leaders are taking sides in a struggle for power between rival heirs. Blood runs in the streets and the nights are thick with intrigue. Drake Arrigar, bastard prince and half-blooded sorcerer. Darius of Lorraddon, foreign-born initiate of a holy order of warriors sworn to the Empire. Leasha, senior maiden and chief spy for the Emperor's daughter. These three unlikely friends must navigate the coming storms as plots, violence, and unholy barbarians tear their lives apart. Their trials, failures, and triumphs will have far-reaching consequences, for their people and for their own futures.

The Courageous Story of Art Hilmo The King of OilThe Secret Lives of Marc Rich

The King and his noblemen pursued a life of unbridled lust with those that submitted to their power by choice or for the unfortunate, in the dungeons below the castle where bondage insured their submission. Nothing is forbidden for the privileged, not even the unspeakable taboos of society. "King's Dungeon" is set in the 11th century where men dominate and woman had no choice but to submit to any and all demands a man could conceive. King Rulf, after conquering his enemies, returns to take his rightful place on the throne with a wife to bear him many heirs. But there is always time to find his pleasures in the bedrooms of any woman he desires or to satisfy his jaded

lust in the dungeons.

Written by an enthusiastic 5-year-old girl who loves essential oils. When she couldn't find any literature about them at her local library, she decided to create her own book. This story shows just how much fun these oils can be for kids -- with the help of grown-ups!

The DUH! Book of Management and Supervision Sarah King

Billionaire oil trader Marc Rich for the first time talks at length about his private life (including his expensive divorce from wife Denise); his invention of the spot oil market which made his fortune and changed the world economy; his lucrative and unpublicized dealings with Ayatollah Khomeini's Iran, Fidel Castro's Cuba, war-ravaged Angola, and apartheid South Africa; his quiet cooperation with the Israeli and U.S. governments (even after he was indicted for tax fraud by Rudy Guiliani) and near-comical attempts by U.S. officials to kidnap him illegally. This sure-to-make-headlines book is the first no-holds-barred biography of Rich, who was famously pardoned by Bill Clinton, and resurfaced in the news during the confirmation hearings of Attorney General Eric Holder. The King of Oil sheds stunning new light on one of the most controversial international businessmen of all time, charting Rich's rise from the Holocaust, which he fled as a young boy, to become the wealthiest and most powerful oil and commodities trader of the century. From his earliest trading days to the present, Marc Rich's story is astonishing and compelling.

Layla, a Palestinian woman, witnesses the diaspora of her family during the war in Palestine in 1948. Torn between her culture and the western way of life, Layla chases a dream of love and independence. Her journey takes her around the world, ending with a dramatic love story with a Jewish American man. Out of Reach is a compelling story of an independent woman who learns the harsh lessons of her life through marriage, romance, loss and deceit.

The Secret Lives of Marc Rich Franklin Classics

England, 1441: Lady Eleanor Cobham, Duchess of Gloucester, hopes to become Queen of England before her interest in astrology and her husband's ambition leads their enemies to accuse her of a plot against the king. Eleanor is found guilty of sorcery and witchcraft. Rather than have her executed, King Henry VI orders Eleanor to be imprisoned for life. More than a century after her death, carpenters restoring one of the towers of Beaumaris Castle discover a sealed box hidden under the wooden boards. Thinking they have found treasure, they break the ancient box open, disappointed to find it only contains a book, with hand-sewn pages of yellowed parchment. Written in a code no one could understand, the mysterious book changed hands many times for more than five centuries, between antiquarian book collectors, until it came to me. After years of frustrating failure to break the code, I discover it is based on a long forgotten medieval dialect and am at last able to decipher the secret diary of Eleanor Cobham. The Secret Diary of Eleanor Cobham from Tony Riches is a new addition to the great historical Fiction tradition of C J Sansom, Conn Iggulden, Philippa Gregory and Anne O'Brien.

They used to call King Kong the "tallest, strongest, handsomest leading man in Hollywood." Now you

can add that he's howling funny as well. Jokes and humor with Godzilla, Mothra, Tarzan and others of the Monster-Verse.

Book 1 of the Sindathi Twilight Trilogy Jace Publishing LLC

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

The New King Createspace Independent Publishing Platform

The oil industry provides the lifeblood of modern civilization, and bestselling books have been written about the industry and even individual companies in it, like ExxonMobil. But the modern oil industry is an amazingly shady meeting ground of fixers, gangsters, dictators, competing governments, and multinational corporations, and until now, no book has set out to tell the story of this largely hidden world. The global fleet of some 11,000 tankers—that's tripled during the past decade—moves approximately 2 billion metric tons of oil annually. And every stage of the route, from discovery to consumption, is tainted by corruption and violence, even if little of that is visible to the public. Based on trips to New York, Washington, Houston, London, Paris, Geneva, Phnom Penh, Dakar, Lagos, Baku, and Moscow, among other far-flung locals, *The Secret World of Oil* includes up-close portraits of a shadowy Baku-based trader; a high-flying London fixer; and an oil dictator's playboy son who has to choose one of his eleven luxury vehicles when he heads out to party in Los Angeles. Supported by funding from the prestigious Open Society, this is both an entertaining global travelogue and a major work of investigative reporting.

I Love Oil! : I Love Oil! Verso Books

Praise for DREAMING DANGEROUSLY 5 out of 5 star reviews: Once I read the first page, I couldn't put it down until I finished it. Dreaming Dangerously is a book I would recommend to anyone to read... the Author is skilled. -Dominique, Goodreads.com It really just blew me away how much I loved reading this book. Chani, Goodreads.com I loved Dreaming Dangerously. Mind reading is one of those things not all authors can write about. Dreaming Dangerously is a book I would highly recommend. - Kris Spor, Amazon customer Overview of DREAMING DANGEROUSLY: A teen mind-reader tries to keep her secret from the gossips at her high school. A popular boy who finds out. Her nightmares start to come true. She must learn to trust him before it's too late to stop the tragedy that awaits. FOR ANYONE WHO WANTS YOUNG ADULT SCIENCE FICTION/FANTASY and can't get enough of Hunger Games, and Evermore, then you must read DREAMING DANGEROUSLY as your next YA thriller!! Other works by Kathleen Suzette Harsch: DARKNESS DESCENDS, book 2 of the Children of the Psi series is out now!

Rare Earths Simon and Schuster

Bella is a lucky girl - she has a good job, an unbreakable circle of friends, and a fiance better than her wildest dreams. So, why does she want to ruin the best thing that ever happened to her by letting someone from her past meddle in her life? Mike is consumed with the need to marry Bella and make her his as soon as possible. There is nothing he wouldn't do for the woman he loves, but letting her go is the one thing he'd rather avoid. Their love was fast, and their relationship was built over the miles. But does that mean that their future wasn't meant to be? When lies surface, and trust is shaken, will they choose each other? Or will someone else capture their happily ever after?

My Name Is Cinnamon FutureRetro Entertainment

THE Translation of this venerable Piece of Antiquity is undertaken upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

Griffin's Feather Independently Published

With the combination of Coach Melvin's Dynamic Application of Internal Awareness(tm) (DAIA) Method, Dr. Totton's 100-day method to condition your body's neural pathways to establish a new habit which then becomes automatic, and with Dr. Painter's method of committed practice of Li Family Yixingong (Standing Meditation) to produce profound results at the neurological level, novices to advanced practitioners gain the ability to access your inner core, tapping into an area that can positively affect your overall well-being, prevent stress from taking hold, and give you perpetual mental-physical rejuvenation.

The Secret World of Oil WordFire Press

"A rich, sensual, bewitching adventure of good vs. evil with love as the prize." ~Publisher's Weekly on ETERNITY 300 years ago, Raven St. James was hanged for witchcraft. But she revives among the dead to find herself alive. She is an Immortal High Witch, one of the light. A note from her mother warns that there are others, those of the Dark, who preserve their own lives by taking the hearts of those like her. Duncan Wallace's forbidden love for the secretive lass costs him his life. 300 years later, he loves her again, tormented by hazy memories of a past that can't be real. She tells him of another lifetime, claims to be immortal. Though he knows she's deluded, he can't stay away. And the Dark Witch after her heart is far closer than either of them know. If you liked the TV Series HIGHLANDER, you will LOVE this series. Don't miss Book 2, INFINITY. "A hauntingly beautiful story of a love that endures through time itself." ~New York Times Bestselling Author, Kay Hooper "This captivating story of a love that reaches across the centuries, becomes as immortal as the lover's themselves, resonates with timeless passion, powerful magic, and haunting heartbreak." ~BN.com's official review
