Criminal Procedures Aspen Publishing
The Glannon Guide to Professional Responsibility is a clear, concise textbook on the important topic of professional responsibility in legal practice. Using the tried-and-true Glannon Guide format of topical explanation followed by multiple-choice questions and explanations of the answers, the book allows students not

only to learn and review course content, but also to pass the Multistate Professional Responsibility Examination (MPRE). Chapters are arranged in order of how heavily the MPRE tests each subject to help students prioritize their review. Professor Stevenson, a tenured law professor at South Texas College of Law and a leading instructor in this field, has used his extensive experience teaching this course to develop a series of questions specifically designed to prepare students for the MPRE, and to provide thorough coverage of the ABA

Model Rules of Professional Conduct. This study aid can be used with any casebook or course on professional responsibility. Following the format of the Glannon Guide series, this book features multiple-choice questions integrated into a full-fledged review of the Professional Responsibility course. Clear explanations of correct and incorrect answers help to clarify nuances in the law. The multiple-choice questions are sophisticated and neither too difficult nor too simple, with valuable exam-taking pointers interspersed within the substantive text. A more challenging final question at the end of each chapter (the “Closer”) illustrates a sophisticated problem in the area under discussion. New to the Third Edition: Completely updated chapter on Advertising and

Solicitation reflects the most recent changes to the Model Rules. New sections provide in-depth coverage of attorney-client privilege and work product protection. Professors and students will benefit from: Concise introductions giving an overview of each subject, including discussion of how the MPRE tests the topic Comparison to and contrast from related rules and provisions throughout the Model Rules or the common law Practice questions highlighting important exceptions to each rule Thorough coverage of the American Bar Association’s Model Rules of Professional Conduct, including the official Comments and clarifying ABA ethics opinions

From the start of classes to your final exams, Blond's Law Guides help you succeed in law school. Early in the semester and before each class, review the case summaries for clues on what to look for in a case. Throughout the semester, refer to the topical flow charts to understand the big picture of your course. As exam time draws near, utilize the summary outlines for semester review and mnemonics for essay prep. Features include: Case Clips that cover the key facts, issues, and rules you really need to know EasyFlow(tm) Charts that tie the key concepts together Outlines that hone in on what's important, leaving you with more time to learn Proven mnemonics that help you organize your essays and spot issues Blond's Law Guides provide clear,

concise, and effective study guidance for the entire semester. Look for other Blond's Law Guides in the following course areas: Civil Procedure, Constitutional Law, Contracts, Criminal Law, Evidence, Property and Torts. [Glannon Guide to Constitutional Law](#) Aspen Publishing Buy a new version of this textbook and receive access to the Connected eBook with Study Center on CasebookConnect, including: lifetime access to the online ebook with highlight, annotation, and search capabilities; practice questions from your favorite study aids; an outline tool and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. Learn more about Connected eBooks. Written in a student-

friendly manner, the fourth edition of Criminal Procedure eschews excessive reliance on rhetorical questions and law review excerpts in favor of comprehensive exploration of black letter law and current policy issues. Authored by a pair of well-respected criminal and constitutional law scholars, Criminal Procedure utilizes a chronological approach that guides students through criminal procedure doctrine from rules governing law enforcement investigation to doctrine concerning habeas corpus relief. In addition to presenting the perspectives from various stakeholders (e.g. defense attorneys, judges, prosecutors, and victims), the authors take care to provide students with useful, practice-oriented materials, including pleadings

and motions papers. Criminal Procedure not only employs a systemic approach that takes students through each step of criminal adjudication, but also introduces issues at the forefront of modern criminal procedure debates. New to the Fourth Edition: The Fourth Edition has been thoroughly updated to provide analysis of important, recent decisions in the area of Criminal Procedure, including several decisions from the Supreme Court's most recent terms and discussion of policy issues at the forefront of criminal law. Changes in Investigations chapters: New sections on excessive police force and on damage remedies for Fourth Amendment violations New cases, including *Carpenter v. United States* (application of the Fourth Amendment to cellular

location information); *Torres v. Madrid* (what is a seizure); *Virginia v. Collins* (automobile exception to the Fourth Amendment); *United States v. Byrd* (exclusionary rule case about the ability of an unauthorized driver of a rental car to challenge a police search); *Kansas v. Glover* (reasonable suspicion for a car stop); and additional cases (yet to be decided) Changes in Adjudication chapters: New cases, including *McCoy v. Louisiana* (Sixth Amendment right to counsel); *Ramos v. Louisiana* (trial by jury); *Flowers v. Mississippi* (jury composition and selection); *Jones v. Mississippi* (sentencing); *Bucklew v. Precythe* (the death penalty); and *Gamble v. United States* (the dual sovereignty doctrine in double jeopardy) Professors and students will benefit

from: Straightforward writing style and dynamic text Clear and not cluttered with law reviews excerpts Relies on cases and author essays rather than excerpts and rhetoric questions Presents thoughtfully edited principal and note cases Intuitive organization and chronological presentation Presents topics in easy-to-understand approach from investigation to prosecution to post-conviction relief Approachable organization based on common progression through criminal justice system Systematic and cohesive presentation of topics Explores underlying policy before heading into doctrinal specifics Practice-oriented features Discussion of important, modern criminal procedure issues Useful examples for future and current criminal

law practitioners

The proven Glannon Guide is a user-friendly study aid to use throughout the semester as a great supplement to (or substitute for) classroom lecture. Topics are broken down into manageable pieces and are explained in a conversational tone. Chapters are interspersed with hypotheticals like those posed in the classroom that include analysis of answers to ensure thorough understanding. Additionally, "The Closer" questions pose sophisticated hypotheticals at the end of each chapter to present cumulative review of earlier topics. More like classroom experiences, the Glannon Guide provides you with straightforward explanations of complex

legal concepts, often in a humorous style that makes the material stick. The user-friendly Glannon Guide is your proven partner throughout the semester when you need a supplement to (or substitute for) classroom lecture. The material is broken into small, manageable pieces to help you master concepts. Multiple-choice questions are interspersed throughout each chapter (not lumped at the end) to mirror the flow of a classroom lecture. Correct and incorrect answers are carefully explained; you learn why they do or do not work. You can rely on authority; the series was created by Joseph W. Glannon—Harvard-educated, best-selling author of, among other legal texts, *Examples & Explanations; Civil Procedure*, now in its sixth edition. "The Closer" poses a

sophisticated problem question at the end of each chapter to test your comprehension. A final "Closing Closer" provides you practice opportunity as well as a cumulative review of all the concepts from earlier chapters. You can check your understanding each step of the way. More like classroom experiences, these Guides provide straightforward explanations of complex legal concepts, often in a humorous style that makes the material stick.

Glannon Guide to Criminal Law eBook and AspenLaw Studydesk productivity software at www.AspenLaw.com).

The Glannon Guide to Criminal Procedure Aspen Publishing

"Criminal law is one of the most important classes you will take in law school. For some students, it is important because they want to become prosecutors, defense lawyers, or judges. However, a course in criminal law is also important for those students who see their futures in civil practice. Especially in today's society, it is not unusual for clients from all walks of life to have problems that implicate the criminal justice system. For example, a simple business transaction may trigger questions regarding fraud, or a family law case can raise issues regarding

criminal abuse. In the final analysis, criminal law is important because it teaches you how to read statutes, interpret them in light of hundreds of years of common law, and argue their application in light of today's policy concerns"--

Core Criminal Law Aspen Publishing
Award-winning teacher and respected author of several volumes, Professor Laura Little has written a new book on the First Amendment. Following the proven Examples and Explanations format, the book covers all of the amendment's major topics - with emphasis on speech and religion. Professor Little presents hypothetical examples that range from simple and straightforward to complex and rich. As a result, students using the book can

acquire both basic and advanced knowledge of First Amendment doctrine. Equally important, this approach allows students the opportunity to practice their skill of marshalling arguments on many sides of contested legal issues. With its short chapters, the book is an exceptionally useful complement to any of the available casebooks in the field. Highlights of this E&E study aid (first edition): Professor Little brings her characteristically clear writing style and constitutional law expertise to the subject. The book's organization enables students to choose the particular topics they need to study and that match the coverage of their course. The topics covered include a comprehensive review of the most recent U.S. Supreme Court decisions on speech, association, and

religion as well as cutting edge issues raised by current events, including the COVID-19 pandemic. The concise explication of legal doctrine (and its uncertainties) ensure a baseline of student understanding and maximizes accessibility to difficult, abstract concepts. The book's balance between simple and complex hypotheticals serves an array of student needs. While providing deep coverage of abstract concepts, the book includes many practical introductions to law practice reality. Professor Little has not only established her reputation as a constitutional scholar, but also comes to the subject with experience as a practicing First Amendment lawyer for the media. Professors and students will benefit from: Adaptable organization

allows the book to complement any casebook. Figures, examples, explanations, and varying difficulty in the presented material ensure that the book will serve the needs of a variety of users and will appeal to different learning styles. Balance between theoretical and practical materials enables broad understanding. Victimology Aspen Publishing Essentials of Victimology is an engaging new textbook for anyone seeking to gain a fundamental understanding of the field. Renowned author Jan Yager provides an awareness of the evolution of the discipline of victimology, as well as an understanding of the early and current theories, and a discussion of key concepts. The text includes practical, up-to-date chapters on victims and their

interactions with the criminal justice system and on the medical and legal help available to victims. In addition, the major violent, property, and white-collar or economic crimes are explored in separate chapters. Throughout the book, the author utilizes examples and in-depth profiles to emphasize the real-life impact of crime on its victims. This well-structured text is designed with the student in mind, offering clear learning objectives, an overview of key terms and concepts, and effective end-of-chapter questions to reinforce the material. Based on the research, teaching, writing, and victim advocacy of accomplished author Jan Yager, Essentials of Victimology brings a modern and comprehensive perspective to this important field. Professors and student

will benefit from: Multidisciplined approach that draws from not only sociology, criminology, and victimology but also anthropology, history, law, psychology, psychiatry, social work, medicine, nursing, and communication studies for insights and answers. Engaging presentation that brings the material to life. Numerous first-person interviews with crime victims or experts Clear explanations of the basic concepts accompanied by thoughtful discussions of cutting-edge issues Separate chapters on Child Victims and Teen victims, exploring topics not covered in other texts such as sibling sexual abuse Unique chapter on Victims of the Criminal Justice System (Chapter 14).

Glannon Guide to Professional Responsibility Aspen Publishing

Mastering Criminal Law explores the basic principles useful in the study of criminal law, offering real world examples to understand these concepts. It provides a clear and concise consideration of the fundamental structure of a crime including statutory interpretation and sentencing. It has chapters on the typical crimes covered in most criminal law casebooks, namely, homicide, rape, assault and battery, and theft. Additionally, it covers accomplice liability, solicitation, attempt and conspiracy. It also covers defenses, including the right to present a defense. It distinguishes different approaches such as the Common Law and Model Penal Code and provides examples of different state statutes. This book is part of the Carolina Academic Press

Mastering Series edited by Russell L. Weaver, University of Louisville School of Law.

The Glannon Guide to Criminal Law + Access Card Emanuel Publishing Corporation

An Introduction to Constitutional Law teaches the narrative of constitutional law as it has developed historically and provides the essential background to understand how this foundational body of law has come to be what it is today. This multimedia experience combines a book and video series to engage students more directly in the study of constitutional law. All students—even those unfamiliar with American history—will garner a firm understanding of how constitutional law has evolved. An eleven-hour online video library brings the Supreme Court’s most

important decisions to life. Videos are enriched by photographs, maps, and audio from the Supreme Court. The book and videos are accessible for all levels: law school, college, high school, home school, and independent study. Students can read and watch these materials before class to prepare for lectures or study after class to fill in any gaps in their notes. And, come exam time, students can binge-watch the entire canon of constitutional law in about twelve hours.

The Glannon Guide to Criminal Law Cambridge University Press

Provides a thematically integrated analysis and discussion of neuroethical questions about memory capacity, content, and interventions.

Criminal Law and Its Processes

Aspen Publishing

Criminal Procedures: Cases, Statutes, and Executive Materials, Sixth Edition is noted for its comprehensive coverage and excellent selection and editing of cases and materials. The book is known for its special focus on a rich selection of materials from multiple institutions, including primary materials from U.S. Supreme Court cases, state high court cases, state and federal statutes, rules of procedure, and police and prosecutorial policies, along with materials from social science studies. The new Sixth Edition retains the casebook's engaging writing style and division of materials into "teachable chunks." Updated cases are chosen for their contemporary accuracy and feel to complement essential cases of historical

value. Taken together, the principal materials highlight procedural variety, focus on real process topics, provide the political context, and consider the impact of procedures on the various parties involved. The scholarly expertise and experience of the authors is especially reflected in the Criminal Procedure II materials, which includes coverage of prosecutorial charging, plea bargaining, and sentencing. Their frequent use of Problems gives instructors options for applying concepts and doctrines in realistic practice settings. New to the Sixth Edition: Two new authors join the editorial team: Jenia Iontcheva Turner of SMU Dedman School of Law and Kay L. Levine of Emory University School of Law. With her doctoral training in Socio-Legal Studies

and her balanced experience as a prosecutor and a defense attorney in state court, Professor Levine sharpens the focus of the book on the real-world operation of courtroom actors in high-volume state systems. With her background in international criminal tribunals and comparative criminal procedure, Professor Turner strengthens the comparisons between court systems in the U.S. and those around the world. As experienced and celebrated classroom teachers, both Professors Turner and Levine bring closer attention to student learning needs in every chapter of the book. More examples and discussion demonstrate the effects of new technologies on criminal procedure. A revamped Chapter 1 offers a deeper exploration of competing models of

policing and useful background about policing organizations. Reorganized Chapters 2 and 7 introduce students to the shifting analytical frameworks that the U.S. Supreme Court now employs to evaluate searches in the context of technological devices that store and collect large amounts of data. Chapter 6 relies on current newsworthy debates about police use of force to explore the alternatives and supplements to the exclusionary rule remedy. A revamped Chapter 12 surveys the major changes in the use of money bail and risk assessment algorithms, previewing the prospects for further system reforms. Chapter 13 covers newsworthy recent changes in the charging policies and diversion practices of prosecutors' offices, especially those in urban areas

such as Philadelphia. Chapter 17 expands its coverage of the tensions between fair trials and public trials, including new materials on public access to court files and statistics. A refocused Chapter 19 provides a more detailed and vivid portrait of sentencing hearings and the use of risk assessment instruments. Professors and students will benefit from: Materials that support class discussion, including criminal court actors beyond the Justices of the U.S. Supreme Court: the vision is “street level federalism” Materials that portray for students the range of current practices in criminal justice rather than a rushed historical narrative about doctrinal trends A supporting website that offers exemplar documents from legal practice, recent news with relevance for criminal

procedure, and brief video lectures to introduce each major unit Emphasis on high-volume practical issues in criminal procedure instead of intricate but rarely-encountered questions Intuitive organization—tracking the typical sequence of events in criminal investigations and in the criminal courts—that makes it easy to see connections among different areas of the law

Essentials of Victimology Aspen Publishers

Finally, there is a Criminal Law study aid that teachers can recommend to their students with complete confidence: Singer and LaFond's CRIMINAL LAW: Examples and Explanations . Carefully designed to facilitate effective study, and written in a crisp, clear style, this

book takes a practical three-step approach: Thorough descriptions explore and explain the concepts under consideration Examples give students an opportunity to test their comprehension by applying the law to contemporary fact patterns Explanations help them measure their mastery of the material and provide suggested answers and feedback Engaging student interest through stimulating hypotheticals, Singer and LaFond make their sophisticated analysis of criminal law not just painless, but actually fun to read. Both comprehensive and contemporary, CRIMINAL LAW: Examples and Explanations, covers provocative and timely subjects in eight major areas: the purposes of punishment Actus Reus and Mens Rea homicide causation inchoate

crimes: solicitation and attempt group criminality: conspiracy and complicity rape defenses and excuses
The Glannon Guide to Civil Procedure
 Wolters Kluwer Law & Business
 The Glannon Guide to Evidence provides a practical, and theoretically solid, aid to learning the Federal Rules of Evidence. Straightforward explanations of the Rules and illustrative examples in down to earth language provide a supplement to an Evidence class that will remove any confusion as to how the Rules should be interpreted. Based on decades of trying cases and classroom teaching, Prof. Avery is familiar with the most common mistakes lawyers and students make in applying the Rules and has designed these materials to highlight typical errors and correct them. Each

multiple-choice question has tempting, but incorrect, answer choices, and then an explanation in simple and direct language that clarifies the rule. The student who works through these questions will be well prepared for Evidence exams and courtroom challenges. New to the Third Edition: Fifteen new multiple-choice questions have been added since the Second Edition. All amendments to the Rules since the Second Edition have been taken into account, and the Rules are current as of the summer of 2022. Professors and students will benefit from: Realistic questions, many drawn from the author's own courtroom experience Classroom tested examples that have been refined over the years
The Glannon Guide to Criminal Law

Aspen Publishing
Defining Federal Crimes, Second Edition (available for free to students in e-book format) frames federal criminal law as a distinctive world created and shaped by the interplay between the three branches of the federal government. It provides an overview of basic doctrine while inviting students to explore the many difficult and unsettled questions that continue to perplex judges, prosecutors, defense attorneys, and policymakers. Particularly since students' basic Criminal Law courses draw on penal laws from any number of jurisdictions, this book will be their first exposure to an actual criminal law system, in which each law-shaping institution can react to the moves of the others. New to the Second Edition:

Reorganization of the domestic Commerce Clause section and exploration of the Supreme Court's aborted engagement with the Treaty Power in *Bond v. U.S.* (Ch.2) Inclusion of the Court's deployment of the "rule of lenity" in *Yates v. U.S.* and reorganization of the mens rea section, including *Elonis v. U.S.* (Ch.3) Revisions to highlight the growing tension between the cases precluding mail fraud liability for deceit that "merely" causes the victim to enter into a transaction and those permitting liability an intangible property "right to control" theory (Ch.4) Considerable revision to the "under color of official right" extortion sections to accommodate *McDonnell v. U.S.*; a new case (*Ocasio v. U.S.*) exploring the interaction between "under color of

official right" complicity and victim status in "fear of economic loss" extortion; a new case (*U.S. v. Baroni--the "Bridgewater Case"*) offering an interesting use of the "misapplication" prong of section 18 U.S.C. 666 (Ch.6) New cases emerging from the Matthew Shepard and James Byrd, Jr., Hate Crimes Prevention Act of 2009, including *U.S. v. Miller* (Ch.7) New case (*Rosemond v. U.S.*) in Aiding and Abetting discussion; a new section on Accessory after the Fact and Misprison of Felony liability, including *U.S. v. Olson*; substantial revision of Material Support of Terrorism section (Ch.8) Substantial updates to Ch.9, including coverage of the opioid crisis and enforcement responses to it; exploration of the Court's analysis of *McFadden v. U.S.*;

discussion of Congress's use of its appropriations power to limit the federal prosecution of medicinal marijuana cases, including *U.S. v. Kleinman*; a new case (*U.S. v. Campbell*) about the Maritime Drug Law Enforcement Act; a new section on prior felony informations and their use for plea bargaining leverage, including *U.S. v. Kupa*; new discussion of the charging policies of the Attorneys General and of disparate judicial analyses of narcotics mandatory minimums Extended discussions of corporate liability to include recent judicial efforts to oversee deferred prosecution agreements (Ch.11) Reorganization of Ch.12, with more attention given to the clash between Chevron deference and the rule of lenity

Professors and students will benefit from: Comprehensive overview of the many federal criminal offenses prosecutors use to charge political corruption and explores difficult questions associated with criminalizing aspects of the political process Framing of apparently diverse offenses like money laundering, RICO, and material support of terrorism as the complicity-broadening devices that make them intellectually interesting and practically potent Use of "Notes and Questions" to situate major cases in their proper political and historical contexts, tie together topics from different parts of the book that touch on similar themes, and explore lingering doctrinal ambiguities
