Master composer Ennio Morricone's scores go hand-in-hand with the idea of the Western film. Often considered the world's greatest living film composer, and most widely known for his innovative scores to *The Good, the Bad, and the Ugly* and the other Sergio Leone's movies, *The Mission*, *Cinema Paradiso* and more recently, *The Hateful Eight*, Morricone has spent the past 60 years reinventing the sound of cinema. In *Ennio Morricone: In His Own Words*, composers Ennio Morricone and Alessandro De Rosa present a years-long

discussion of life, music, and the marvelous and unpredictable ways that the two come into contact with and influence each other. The result is what Morricone himself defines: "beyond a shadow of a doubt the best book ever written about me, the most authentic, the most detailed and well curated. The truest." Opening for the first time the door of his creative laboratory, Morricone offers an exhaustive and rich account of his life, from his early years of study to genre-defining collaborations with the most important Italian and international directors, including Leone, Bertolucci, Pasolini, Argento, Tornatore, Malick, Carpenter, Stone, Nichols, De Palma, Beatty, Levinson, Almodóvar, Polanski and Tarantino. In the process, Morricone unveils the curious relationship that links music and images in cinema, as well as the creative urgency at the foundation of his experimentations with "absolute music". Throughout these conversations with De Rosa, Morricone dispenses invaluable insights not only on composing but also on the broader process of adaptation and what it means to be human. As he reminds us, "Coming into

contact with memories doesn't only entail the melancholy of something that slips away with time, but also looking forward, understanding who I am now. And who knows what else may still happen." *Elementary Italian Grammar* Simon and Schuster (Amadeus). An idealistic artist, a celebrated opera singer, and a corrupt police chief engage in a fierce battle of wills in this tempestuous tale of passion, intrigue, cruelty, and deception. Puccini's great melodrama may be set in 1800, amid the Napoleonic wars, but the conflicts between love and loyalty, the state and the individual, and hypocrisy and principle are anything but dated. Floria Tosca, the beautiful, glamorous singer who has all of Rome at her feet, is one of the iconic soprano roles in the Italian repertoire. She's caught between two men: her lover, the handsome painter Cavaradossi, who defies the law to hide a rebel friend; and the villainous Baron Scarpia, Rome's all-powerful chief of police, who will stop at nothing to crush the rebels and conquer Tosca for himself. This gripping story of torture, attempted rape, murder, suicide, and general

mayhem is as thrilling and dramatic as anything seen on the operatic stage. Adapted for the Use of Schools and Private Teachers Opera Journeys Publishing Frank, out of work, lives in a basement apartment with Mara, a fortuneteller, or as he likes to say, a misfortuneteller. Mara's problem is that she is too good and too honest; not only can she actually know someone's future, but she always tells them the truth no matter how grim. Her clients invariably leave extremely upset and without paying. Their only income comes from the sale of the lucky charms Mara fashions with feathers plucked from the tail of their pet hen, McNugget. Mara and Frank quarrel and Mara storms out. Now Frank has nothing. In desperation, he tries to kill himself by sticking his head in the gas oven and striking a match, but only manages to singe himself in the explosion. Dazed and covered in soot, he looks up to find McNugget speaking to him.

Secrets of the Widow's Son is not a plot spoiler--rather, it is an engaging piece of work that will pique readers' interest in The Solomon Key while laying the groundwork for the theories to be explored in Brown's can't-miss sequel.

The Vocal Works BoD - Books on Demand Dominick Birdsey, a forty-year-old housepainter living in Three Rivers, Connecticut, finds his subdued life greatly disturbed when his identical twin brother Thomas, a paranoid schizophrenic, commits a shocking act of self-mutilation *The Metropolitan Opera Presents: Puccini's Tosca* BoD - Books on Demand (Unlocking the Masters). Mozart was the first composer whose operas have never left the international repertoire, and for many he remains one of the finest vocal composers who ever lived. In a sense, all of his music is vocal music, depending as it does on arresting, singable melodies, but in his great operas, single arias and sacred works, Mozart put his melodic gift to work, revealing the subtleties and expressive potential of a wide range of texts in languages ranging from Italian to

Latin to German. In every case, he created masterpieces, from operas such as *The Marriage of Figaro*, *Don Giovanni*, and *The Magic Flute* to the sacred choral motet *Ave Verum Corpus* and, of course, the unfinished *Requiem*, his final project. This second *Getting the Most Out of Mozart* volume in our *Unlocking the Masters* series focuses on Mozart's great operas and other vocal works, but also discusses numerous lesser-known compositions, from operas he wrote as a child to "insertion arias" for favorite singers or operas by other composers. In each case, David Hurwitz describes how the musical setting and choice of instruments supports the text. He takes readers through the seven major operas aria by aria, showing how Mozart uses vocal style and orchestration to create believable and moving characters that remain the standard for characterization in music to which all composers and dramatists aspire. The accompanying CD from Telarc Records includes 14 works.
