for you to pick from!

Crochet Hat Patterns: Hat Patterns  
Will Make Your Holiday More**

**Fascinating** Independently Published  
Maybe we're biased because we love it  
so much, but we're the kind of crochet  
enthusiasts who will work with yarn all  
year round, even when the weather is  
too hot to be comfortable with all that  
wool sitting in our laps. We're also the  
kind of crochet enthusiasts who will  
crochet hats all year round, even though  
you only need to wear them a few  
months out of the year. At least we'll be  
prepared and have lots of warm options  
once the cold weather arrives, right?  
There's something about holiday,  
though, that really kicks our crocheted  
hat fever into high gear, especially if a  
pattern involves a fun holiday theme!  
Check out these awesome Christmas  
hats that will help you get into the  
festive spirit using just some wool and  
your crochet hook!

Crochet Hats 10 Easy Crochet Hat  
Patterns For Beginners No matter what  
time of year it is, hats simply do not go  
out of style. Whether you are wearing  
them due to the weather, you are  
wearing them because you like the style,  
or you are wearing them just for the  
sake of wearing them, you are always

going to have a good reason to wear a  
hat. When you do wear your hats,  
however, you want to do something  
special with them. You don't want to  
have the same hats that everyone else  
has, and you don't want to be that  
person who is always going with the only  
choices that are on the shelves of the  
department store. No, if you are going to  
wear a hat, you are going to be the only  
one with that hat. You are going to stand  
out from the crowd no matter what it  
takes, and you are going to make sure  
you are the one that does it right. What  
better way to do this than to make them  
yourself? When you are making your  
own fashion, you know without a doubt  
that you are the only one with the piece,  
and that you are the only one who is  
going to wear it as it should be worn. Let  
your own style shine through with each  
and every hat that you make, and who  
off your flare for fashion each and every  
day. With this book, you are going to see  
the patterns for 10 different crochet  
hats, each one with its own set of  
fashion style. You will have something to  
wear no matter what the weather, what  
the time of year, or what the occasion.  
This book is going to open the door to  
the world of crochet hats, and let you  
slip on in. Get out to the store and get  
yourself some yarn. You are going to fall  
in love with the results, and you are  
going to stand out in your own style.  
Follow the patterns for a variety of hat  
choices all throughout the year Mix and  
match colors and styles for your own  
unique twist Have fun with the process  
and make the hats you want And more!
