MAXIMILLIAN**

Mine Other Press, LLC
In this page-turning
psychological thriller from
an author who Stephen
King called “an absolute
master,” a young female
police officer faces danger

on all fronts—from a
clever victim of abuse, her
colleagues on the force,
and even her own
mobster father.

Philomena McCarthy is a
young, ambitious police
office with the elite
Metropolitan Police in
London. When she
responds to a domestic
violence call, she finds the
victim, Tempe Brown,
trying to protect her

abuser, a married man
named Darren Goodall, a
decorated Scotland Yard
detective afraid of no one.
As Philomena pursues the
case against him, she not
only encounters
resistance from her police
force colleagues but also
becomes dangerously
entangled with the
victim—who is not at all
whom she appears to
be—much to the

increasing endangerment of herself and Henry, her fiancée. Complicating matters is Philomena's estranged father Edward McCarthy, a powerful man who has built a criminal empire along with his brothers. Philomena has long tried to pursue her career as a police officer without her father's involvement, but as she falls under suspicion of stalking and harassing Goodall, her father becomes involved. As the situation escalates, Tempe's sinister maneuvers further

entangle Philomena in a web of secrets, corruption, and murder, putting Philomena's impending marriage, career, and very survival in jeopardy...

Spellbinding, suspenseful, and filled with complex characters that could be heroes or villains, Robotham has crafted a smart and propulsive thriller that's impossible to put down.

The World Is Mine Penguin Maryland high school juniors and best friends Blue Reynolds and Collin Andrews seem to have it

all, and when they decide to become party promoters, anything can happen--including being pitted against parents, jealous girlfriends, and even one another.

Dead Water Algonquin Books

Several competitive bunnies compete in an epic battle to claim a single carrot in this hilarious and sweet debut picture book about sharing. Mine! No, Mine! No, Mine! Yours? Wait...ours? Who does the carrot belong to? For a bunch of adorable

bunnies, that question is up for an endless debate. Each bunny stakes a no nonsense claim on the juicy orange veggie with a resounding "Mine!" But as the chase heats up and a snowman gets in on the action, the battle for the carrot begins to get out of hand. Will the bunnies find a way to stop the madness...and share? Told with only four words and filled with energetic illustrations, Susie Lee Jin puts an inventive twist on the concept of sharing with this laugh-inducing tale.

Carry On Simon and Schuster
Simon Says: Mine - Mountain Masters & Dark Haven 2
Underground Warfare, 1914-1918 VanScoy Publishing Group
Simon and Kara are back! Kara Hudson has been married to her billionaire husband, Simon, for over two years, and she loves him even more desperately than she did when they first married. Unfortunately, there was a distance growing between the two of them, and the passion

between them wasn't flaring as red-hot as it used to burn. Was it possible that Simon wasn't as crazy in love with her as he used to be, or did their problems go much deeper than that? Simon Hudson loves his wife and his infant daughter so much it hurts. And he was getting tired of holding back his emotions from his worn-out, exhausted wife who had seen their baby girl through her first year and a half of life without complaint. Will their differences and emotional

distance tear the two of them apart? Or will a precious gift from Santa help them heal their misunderstandings and have the merriest Christmas they've ever had? Not suitable for children under 18

"Belongs on a shelf all of
its own." —NPR
"Outstanding." —The
Washington Post
"Revolutionary . . . A
visionary addition to
American literature."
—Star Tribune An electric
debut novel set against
the twilight of the
American gold rush, two
siblings are on the run in
an unforgiving
landscape—trying not just
to survive but to find a
home. Ba dies in the

night; Ma is already gone. Newly orphaned children of immigrants, Lucy and Sam are suddenly alone in a land that refutes their existence. Fleeing the threats of their western mining town, they set off to bury their father in the only way that will set them free from their past. Along the way, they encounter giant buffalo bones, tiger paw prints, and the specters of a ravaged landscape as well as family secrets, sibling rivalry, and glimpses of a different kind of future. Both epic and intimate,

blending Chinese symbolism and reimagined history with fiercely original language and storytelling, *How Much of These Hills Is Gold* is a haunting adventure story, an unforgettable sibling story, and the announcement of a stunning new voice in literature. On a broad level, it explores race in an expanding country and the question of where immigrants are allowed to belong. But page by page, it's about the memories that bind and divide

families, and the yearning for home.

[What It Was Like Growing Up Gotti](#) William Morrow & Company

Mike Hammer wakes up in a hotel room and the buddy he went on a blackout bender with last night has a fresh hole in his chest. The finger of suspicion is pointed his way. When it's ruled a suicide, he's cut loose, but his P.I. license is revoked. But Hammer smells murder, and nothing's going to keep him off the trail. As he untangles the web of

corruption from the outside, the bodies start piling up. Hammer will need to keep his wits about him, and his .45 ready, on the hunt for justice—and vengeance. The Complete Collection: Mine for Tonight, Mine for Now, Mine Forever, Mine Completely Delacorte Press

In his riotous debut collection, *Ant Farm*, Simon Rich found humor in some of life's most desperate situations. Now this former editor of *The Harvard Lampoon* and current writer for

Saturday Night Live has returned to mine more comedy from our hopelessly terrifying world. In the nostalgic opening chapter, Rich recalls his fear of the Tooth Fairy (“Is there a face fairy?”) and his initial reaction to the “Got-your-nose” game (“Please just kill me. Better to die than to live the rest of my life as a monster”). He goes on to present Count Dracula’s desperate Match.com profile (“I am normal human looking for human woman to come to castle. I am normal,

regular human”). Later, he gets inside the heads of two firehouse Dalmatians who can’t understand their masters’ compulsion to drive off to horrible fires every day. And in the final chapter, he tackles some of life’s biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was. . . . Praise for Simon Rich’s *Ant Farm* “Ant Farm has an imaginative power that can trigger snort-fests. . . . Ferociously creative, this book is for readers

craving both smart humor and belly laughs.” –People (four stars) “Savagely funny.” –The New York Times “Hilarious. Open this book anywhere, begin reading, and you will laugh.” –Jon Stewart “Ant Farm is what all humor books should be: full of brief, high-concept musings that you wish you’d thought of yourself.” –Time Out New York “A satirical salmagundi that bites back . . . Imaginative premises abound. . . . As unpredictable as YouTube, as in your face as

MySpace.” –Publishers Weekly

Race for Tomorrow Pen and Sword

Simply told but deeply affecting, in the bestselling tradition of Alice McDermott and Tom Perrotta, this urgent novel unravels the heartrending yet un sentimental tale of a woman who kidnaps a baby in a superstore—and gets away with it for twenty-one years. Lucy Wakefield is a seemingly ordinary woman who does something extraordinary in a desperate moment: she takes a baby girl from

a shopping cart and raises her as her own. It’s a secret she manages to keep for over two decades—from her daughter, the babysitter who helped raise her, family, coworkers, and friends. When Lucy’s now-grown daughter Mia discovers the devastating truth of her origins, she is overwhelmed by confusion and anger and determines not to speak again to the mother who raised her. She reaches out to her birth mother for a tearful reunion, and Lucy is forced to flee to

China to avoid prosecution. What follows is a ripple effect that alters the lives of many and challenges our understanding of the very meaning of motherhood. Author Helen Klein Ross, whose work has appeared in *The New Yorker*, weaves a powerful story of upheaval and resilience told from the alternating perspectives of Lucy, Mia, Mia's birth mother, and others intimately involved in the kidnapping. *What Was Mine* is a compelling tale of motherhood and loss, of grief and hope,

and the life-shattering effects of a single, irrevocable moment. *The Sequel to One of Us Is Lying Anchor* A novel of prodigious scope and ambition, ablaze with imaginative energy and rendered in mesmerizing prose—complete with polar bear attacks, tsunamis, modern piracy, airship crashes, Cold War intrigue, and a djinn May 25, 1928: Over the frozen seas of the Arctic, an airship falls out of the sky. Among the survivors is a young scientist on the

verge of a discovery that will redefine physics. October 3, 1996: Through the dusty industrial towns of India's Great Trunk Road, a disgraced and disfigured female detective starts tracking a criminal syndicate whose tentacles spread from forgery to smuggling to piracy. Her life has been ruined, but she will have her revenge. December 26, 2004: On the island of Bali a tsunami washes up a rusting container. Locked within this aluminum tomb are the mummified remains of a

shipping magnate missing for 29 years, and a hand-written journal of his last days. December 13, 2011: Off the coast of Sri Lanka, a tramp steamer is seized by pirates. The captain has his wife and son aboard, and their survival depends on following the pirates' every demand. But what can they possibly want with his worn-out ship and its cargo of junk? We know what they want. We know the ship was carrying a Dead Water cargo, and we know Dead Water is the key to everything. We

could spin a thousand stories from this toxic Cold War secret but there's only one of them that can really make a difference. And this is it. **(the Billionaire's Obsession ~ Simon)** Simon and Schuster #1 New York Times bestselling author! Booklist Editors' Choice 2015 - Youth! Named a "Best Book of 2015" by Time Magazine, School Library Journal, Barnes & Noble, NPR, PopSugar, The Millions, and The News & Observer! Simon Snow is the worst Chosen

One who's ever been chosen. That's what his roommate, Baz, says. And Baz might be evil and a vampire and a complete git, but he's probably right. Half the time, Simon can't even make his wand work, and the other half, he starts something on fire. His mentor's avoiding him, his girlfriend broke up with him, and there's a magic-eating monster running around, wearing Simon's face. Baz would be having a field day with all this, if he were here -- it's their last year at the Watford School of

Magicks, and Simon's infuriating nemesis didn't even bother to show up. Carry On is a ghost story, a love story and a mystery. It has just as much kissing and talking as you'd expect from a Rainbow Rowell story - but far, far more monsters.

Gossip is the ultimate currency in Rosemary Beach, but Bethy and Tripp have managed to keep one big secret to

themselves. Eight years ago, Tripp Newark was dating a rich girl he didn't like and was on his way to Yale—and a future he didn't want. The only way he could escape his predictable life would be to give up the money and power that came with his family's name. And that's exactly what he planned to do. At the end of the summer, he was going to ride off on his Harley and never look back. That was before he met Beth Lowry. It was only supposed to be a summer fling. She was a sixteen-

year-old trailer-park girl who served drinks to his friends at Kerrington Country Club. They didn't run in the same social circles. No one even knew they were friends, let alone lovers. Yet, for one summer, Bethy became his entire world. But he couldn't give up on his plan. He needed to leave Rosemary Beach, but he vowed he would come back for her. Problem was, by the time he came back—years later than promised—it was too late. His cousin, Jace, had already claimed the

woman he loved...
Heart of the Billionaire
Simon and Schuster
Finally in paperback: the
New York Times bestseller
by the acclaimed,
bestselling author of *Start
With Why* and *Together is
Better*. Now with an
expanded chapter and
appendix on leading
millennials, based on
Simon Sinek's viral video
"Millenials in the
workplace" (150+ million
views). Imagine a world
where almost everyone
wakes up inspired to go to
work, feels trusted and
valued during the day,

then returns home feeling
fulfilled. This is not a
crazy, idealized notion.
Today, in many successful
organizations, great
leaders create
environments in which
people naturally work
together to do remarkable
things. In his work with
organizations around the
world, Simon Sinek
noticed that some teams
trust each other so deeply
that they would literally
put their lives on the line
for each other. Other
teams, no matter what
incentives are offered, are
doomed to infighting,

fragmentation and failure.
Why? The answer became
clear during a
conversation with a
Marine Corps general.
"Officers eat last," he
said. Sinek watched as
the most junior Marines
ate first while the most
senior Marines took their
place at the back of the
line. What's symbolic in
the chow hall is deadly
serious on the battlefield:
Great leaders sacrifice
their own comfort--even
their own survival--for the
good of those in their
care. Too many
workplaces are driven by

cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a "Circle of Safety" that separates the security inside the team from the challenges outside. Sinek illustrates his ideas with fascinating true stories that range from the military to big business, from government to investment banking.

Lives Like Mine Simon and Schuster
 Down on her luck, nursing student and full-time

waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a

major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to

possess her, not even to himself. But when she ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul.

"When the creator of a

high school gossip app mysteriously dies in front of four high-profile students all four become suspects. It's up to them to solve the case"--

Flatiron Books

Tessa was prepared for the hurricane. Lindsey was the storm she didn't see coming. When Tessa Taylor unlocked her husband Ethan's iPad to discover nude photos from a twenty-six-year-old bombshell named Lindsey, her seemingly perfect life came to a screeching halt. With a hurricane barreling

toward Florida and Ethan stuck on a business trip, Tessa finds herself imprisoned in her own home with a choice to make: Does she ride out the storm until she can confront Ethan in person, or does she take matters into her own hands?

Increasingly restless and desperate for revenge, Tessa resolves to act. And when she lures Lindsey over a few hours later, there's no turning back. What ensues is a battle of wills between two well-matched opponents, blinded by love for the

same man but driven by demons of their own. Like storm-ravaged Florida, neither woman will be the same when the skies clear. He's mine. Both wife and mistress would stake their lives on it. But only one of them can be right.

This Family of Mine

Simon and Schuster
#1 NEW YORK TIMES
BESTSELLER • The highly anticipated sequel to *One of Us Is Lying!* There's a new mystery to solve at Bayview High, and there's a whole new set of rules. Fans of the hit thriller that

started it all can watch the secrets of the Bayview Four be revealed in the *One of Us Is Lying* TV series now streaming on NBC's Peacock! Come on, Bayview, you know you've missed this. A ton of copycat gossip apps have popped up since Simon died, but in the year since the Bayview four were cleared of his shocking death, no one's been able to fill the gossip void quite like he could. The problem is no one has the facts. Until now. This time it's not an app, though—it's a game. Truth or Dare.

Phoebe's the first target. If you choose not to play, it's a truth. And hers is dark. Then comes Maeve and she should know better—always choose the dare. But by the time Knox is about to be tagged, things have gotten dangerous. The dares have become deadly, and if Maeve learned anything from Bronwyn last year, it's that they can't count on the police for help. Or protection. Simon's gone, but someone's determined to keep his legacy at Bayview High

alive. And the rules have changed. "Few craft teen suspense like McManus." -
-Entertainment Weekly "A

thriller from one of the best writers in the YA mystery genre, One of Us

Is Next delivers more shocking surprises and twists you won't see coming." --PASTE
