HOBBS HARVEY

Saved by Song Alfred Publishing Company
All she ever wanted was to feel special. Beautiful. Chosen. As a teenager, Chrissy Cymbala Toledo would listen to songs about girls whom

someone adored. Often they were songs her boyfriend gave her, ones that made her believe, “That's the kind of girl he wants. That's who I have to be.” So she tried . . . and tried. Her whole world centered on looking good and doing whatever it took to keep her boyfriend by her side. She never meant to drift so far from

God along the way, or to hurt her parents; she thought she was following love wherever it led. But the song changed when Chrissy's life took a shocking turn, one that left her devastated and alone. Nothing would ever be the same again. And if she wasn't the girl in the song—could anyone love the girl she really was?

Intimate and emotionally compelling, *The Girl in the Song* is the page-turning story of one woman's journey to discover her true self—and the God who loved her enough to send a miracle. As you experience the song God is writing through her story and yours, you'll sense his hand on your own life, and know you are accepted and loved at last.

The Real Worship Book (Songbook) AuthorHouse
From classics by 1970s gospel pioneers Andra? Crouch and Edwin

Hawkins to today's hits by Charles Jenkins, Tamela Mann, Marvin Sapp, and many more, this songbook offers a variety of urban/contemporary gospel sheet music that's unmatched in any other songbook. Pianists and singers will delight in exploring the inspired melodies and lush chord progressions of a dozen of the world's most popular modern gospel songs. The piano parts in these arrangements are modeled directly after the accompaniment heard on the original artists'

recordings, so they sound just as gospel devotees expect. Complete vocal melodies and lyrics are included, along with chord fingering grids for optional guitar accompaniment. Titles: Awesome (Charles Jenkins) * I Feel Good (Fred Hammond) * I Won't Go Back (William McDowell) * Let the Church Say Amen (Andra? Crouch) * My Testimony (Marvin Sapp) * Oh Happy Day (Edwin Hawkins) * Shifting the Atmosphere (Jason Nelson) * Soon and Very Soon (Andra? Crouch) * Take Me Back

Saved by Song returns to

print with its sweeping overview of the history of gospel music. Powerful and incisive, the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church. In America, gospel music has been divided between white and black gospel. Within these divisions are further divisions: southern gospel, contemporary Christian music, spirituals, and hymns. Don Cusic has

provided background and insight into the developments of all these rich facets of gospel music. From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys, to the camp meeting songs of the Kentucky Revival, the spirituals that came from the slave culture, and the hymns from the great revival after the Civil War, gospel music advanced through the nineteenth century. The twentieth century brought the technologies of recordings

and the electronic media to gospel music. Saved by Song is ultimately the definitive and complete history of a uniquely American art form. It is a must for anyone interested in the musical and spiritual life of a nation.
