...The Story of Art, by E. H. Gombrich, is a survey of the history of art from ancient times to the modern era. First published in 1950 by Phaidon, the book is widely regarded both as a seminal work of criticism and as one of the most accessible introductions to the visual arts. It was originally intended for younger readers.The Story of Art - WikipediaThe Story of Art focuses mostly on European art,

and mostly on painting. The author is quite up-front about this: he emphasizes European art because that's what he has seen most of, and because the book is already quite long enough. He includes mostly paintings because, he says, they lose least when rendered as photographs on the printed page.The Story of Art: Amazon.co.uk: E. H. Gombrich ...Editions for The Story of Art:
