*The perception of territory and personal space invasion*  
... Space  
Territory And  
Territoriality  
In this paper I  
reconstitute  
my own  
approach to  
the notions of  
space,  
territory, and  
territoriality.  
Developing  
from the early  
1970s, my  
thoughts  
resided in the  
effort devoted  
to deriving  
from space

the idea of  
territory qua  
production by  
the projection  
of labor, a  
Janus-faced  
category  
composed of  
energy and  
information.  
Space, Territory,  
and  
Territoriality -  
Claude  
Raffestin,  
2012  
The study  
emphasizes  
the idea of the  
social  
production of  
space and  
territory, the  
importance of  
the  
contingent,  
historical-  
cultural-social  
articulation of

territoriality as  
a genuinely  
political  
...Space,  
territory, and  
territoriality  
Territoriality  
generally  
deals with  
space, ... it  
proposes a  
methodology  
which can be  
used to  
measure the  
Territorial  
Cohesion in a  
given territory  
and applies it  
to three case  
studies:  
...Territory  
and  
Territoriality -  
ResearchGate'  
Territory' and  
'territoriality'  
are widely  
used in urban

research, but often in a general, non-specific sense that effectively relies on the idea that a territory is a 'bounded space', or the understanding that territory is the outcome of territoriality. This entry disentangles these uses, looking at economic, political, Territory- Territoriality - Elden Objectives 1) To identify the patient's perception of invasion of territorial and personal

space and 2) to evaluate whether personal characteristics, housing conditions and characteristics of the hospital unit affect this perception. Methods Analytical, cross-sectional and quantitative study. An adapted version of the "Anxiety Due to Territory and Space Intrusion Questionnaire" was ...The perception of territory and personal space invasion ...Territory and territoriality

are generally regarded as key concepts in political geography. While Anglophone geographers have privileged a rather politico-institutional understanding, closely related to the state and the notion of sovereignty, (PDF) Territory and Territoriality | Marco Antonsich ...The term territorial, on the other hand, is of more recent development and implies a much stronger behavioral

connection between control and space. Territorial behavior, or territoriality, requires territory to be definitively bounded and exclusive. territoriality - Geography This is called territoriality (p. 226). People tend to react negatively when someone invades their territory without permission and appreciate it when someone respects our personal

space. My Experience with Personal Space & Territoriality Obviously, personal space is an ever day aspect of everyone's lives, including mine. Nonverbal Communication, Personal Space, & Territoriality ... Territoriality is a term associated with nonverbal communication that refers to how people use space to communicate ownership or occupancy of areas and

possessions. The anthropological concept branches from the observations of animal ownership behaviors. Personal space can be regarded as a bubble with a person at the center, forming an area which the person does not wish to be invaded. Territoriality (nonverbal communication) - Wikipedia Territoriality is a concept which refers to a stationary area or fixed geographic

location to which we lay claim and protect from invasion by others. Your territory may include your room, your bathroom, your car, and even your particular seat at the dinner table. Territoriality: Forms of Territorial Behaviors | Ifioque.com Territory. Human beings are territorial animals and like to protect and control their space. Have you ever felt angry when you re-entered a room and found "your" seat taken by someone else? Have you felt offended when a relative or friend entered your room without knocking or when you discovered them pawing through your cabinets? Proximemics, Personal Space and Territory | design observer Territoriality refers to the monopolization of space by an individual or group. While territories have been defined variously as any defended space, areas of site-specific dominance, or sites of exclusive monopolization of space, they can be quite fluid and short-term. For example, sanderlings (*Calidris alba*) may defend feeding territories involving a short stretch of beach during high tides ... Animal social behaviour - Territoriality | Britannica Dahlman 2009, in keeping with much of the literature, limits the

focus to territory as the spatial extent of the state and territoriality as a strategy used by states. For all that territorialization and territoriality might appear central to political geography, few textbooks in that subject area deal with it explicitly, Cox 2002 being one of the few exceptions. Territory and Territoriality - Geography - Oxford ... Territorial behavior is the result of

learning and culture Says that the biological position is oversimplified and overgeneralized from animals to humans Why: Defense in humans is possible when territory is encroached, but does not seem to be central to human territorial behavior Personal Space and Territoriality Territoriality Definition. Territoriality is a pattern of attitudes and behavior held by a person or group that is based on

perceived, attempted, or actual control of a physical space, object, or idea, which may involve habitual occupation, defense, personalization, and marking of the territory. Territoriality - ResearchNet Residents have territorial cognition with different hierarchies and conduct corresponding behaviors in the outdoor space of housing blocks through sharing space and facilities. This mechanism

stems from human need and might be influenced by physical environmental elements. To understand this effect, especially after a guideline for transforming existing gated housing blocks was enacted in ...Territorial Cognition, Behavior, and Space of Residents: A ...premiered on the possession of territory, defined as bounded space (Sack, 1986).
