Kelsey  
Peterson is

disappointed when the bride-to-be bails on her bachelorette party-- especially since Kelsey's already ordered the stripper. Desperate for a break from her romantic woes, Kelsey goes through with the party. After all, why let a good stripper go to waste? Dr. Aaron Baucus is definitely not a stripper. He's a legit doctor with a PhD in neuropsychology. But when his friend calls him over to a bar to meet a

bunch of tipsy, flirtatious bridesmaids, they assume otherwise. After all, their stripper was supposed to be dressed like a doctor. Aaron isn't much for pretending, but with Kelsey, he's willing to be whatever she wants him to be. At least for one night. But fate has a wicked sense of humor: Aaron and Kelsey are the maid of honor and best man at the same wedding. And after their one-night stand,

Kelsey's pregnant, but she doesn't know how to tell him. Aaron wants to start a relationship, but he doesn't think Kelsey wants something long term. Can their fragile romance survive all the half truths and secrecy?

I'm fucked.  
The life I have lived for the past ten years is built solely on lies and secrets. But I can't help myself. I'm in love with two different men.

And one of them is my brother-in-law. He's my drug. My fire. My addiction. But he's married to my best friend. And I'm married to my husband. I'm not ashamed. I have no guilt. None. I'm not fucked. I'm a fucked up person. This is the story of how I ruined my life. And the life of the one I loved most.

Growing up in an idealistic home, Sparrow Fisher is

sheltered and innocent. When she meets Ian Sterling, a musician who is rising in popularity, she instantly falls for his charm. They run into each other over the next few months and eventually begin an unconventional relationship. At different places in their lives, Sparrow is off to college in New York, and Ian is traveling the country with the band. When they see each other, all seems

wonderful and lighthearted, but when they're apart, Sparrow is left to wonder if Ian really cares about her the way he says he does, or if she's just another pretty face to him. Once their relationship steadies, they're both happier than they've ever been, and it's hard to not get caught up in the magic they have together. Until something so devastating comes to light that threatens to shatter everything

they've built with each other. True Love Story is a story about the real highs and lows that come with a relationship-happiness, pain, angst, and finding out if love really is enough.

 Bestselling Author Claudia Burgoa brings us a light-

hearted small-town romantic comedy full of a swoon-worthy billionaire, single dad romance and big laughs. Perfect is impossible but they might've found it. I need a massive break. So long to my cheating boyfriend and betraying roommate. Goodbye hectic emergency room and long hours. When I get an opportunity to take over my grandfather's medical practice in

Luna Harbor I happily accept the chance to try on a new life that holds sweet memories. But I can barely think about anything at all when the new coffee shop/bar next to my practice always seems to be having an impromptu concert. Who sets up a coffee and a bar in the same location as a music venue? Fisher Hannigan, Head Man Child (ok, bassist) of the band Too Far From Grace, that's who. He's also the

man who can't stop flirting with me every time we meet. He's having the time of his life, while I'm trying to run a quiet medical practice. Even though he infuriates me, our chemistry is off the charts and I can't say I haven't thought about giving him a full physical exam. Until a baby changes everything.

A "heartbreaking, heartwarming

" (Heidi McLaughlin, New York Times bestselling author) love story that asks the question: what do you do when your soul mate marries your best friend? If you're Kate Evans, you keep your friend Rachel, bond with her kids, and bury your feelings for her husband. The fact that Shane's in the military and away for long periods helps- but when tragedy strikes, everything changes. After

Rachel, pregnant with her fourth child, dies in a car accident and the baby miraculously survives, Kate upends her entire life to share parenting duties. Then on the first anniversary of Rachel's death, Kate and Shane take comfort in each other in a night that they both soon regret. Shane's been angry for a year, and now he feels guilty too - for sleeping with his wife's best friend and liking it . . .

liking her. Kate's ability to read him like a book may have once sent Shane running, but their lives are forever entwined and they are growing closer. Now with Shane deployed for seven months, Kate is on her own and struggling with being a single parent. Shane is loving and supportive from thousands of miles away, but his homecoming brings a betrayal Kate

never saw coming. So Kate's only choice is to fight for the future she deserves - with or without Shane. . . Courage Is Calling Createspace Independent Publishing Platform It began as a ruse. Take a girlfriend. Divert the press from the fucked up mess that's my family until my father is re-elected. Stage a public breakup. Move on. Only that brilliant plan went straight south the

moment I set eyes on Willow Blackwell. I found her. My center. My future. A soul mate with the will of a mule and the mouth of a harpy. I now want things I never wanted before. Permanent kinds of things. Only Fate-and her ex-have other plans for us. In some sort of cosmic impossibility, our lives unknowingly intersected years before when tragedy befell both our families. Once the

devastating truth is finally revealed, the future I'd found in her will come crashing down around us and for the first time in my life I'm completely helpless. I may very well lose the only woman I've ever loved to a past neither of us saw coming.

Soul Sisters by Lesley Lokko is a rich, intergenerational tale of love, race, power and secrets which centres on the lifelong

friendship between two women: Scottish Jen McFadden and South African-born Kemisa Mashabane, known to her friends as Kemi. Since childhood, Jen and Kemi have lived like sisters in the McFadden family home in Edinburgh, brought together by a shared family history which stretches back generations. Kemi was educated in Britain alongside Jen and the girls could not be closer; nor could they be

more different in the paths they take in life. But the ties that bind them are strong and complicated, and a dark family secret exists in their joint history. Solam Rhoiyi is from South Africa's black political elite. Handsome, charismatic, charming, and a successful young banker, he meets both Kemi and Jen on a trip to London and sweeps them off their feet. Partly influenced by her interest in Solam, and partly on a

journey of self-discovery, Kemi, now 31, decides to return to the country of her birth for the first time. Jen, seeking an escape from her father's overbearing presence, decides to go with her. In Johannesburg, it becomes clear that Solam is looking for the perfect wife to facilitate his soaring political ambitions. But who will he choose? All the while, the real story behind the two families' connection

threatens to reveal itself – with devastating consequences . . .
