Rome represents conquest; Faith hovers over the towers of Jerusalem; and Athens embodies the pre-eminent quality of the antique world, Art. Benjamin Disraeli A majority is always better than the best repartee. Benjamin Disraeli A man may speak very well in the House of Commons, and fail very completely in the House of Lords. There are two distinct styles requisite: I intend, in the course of my career, if I have time, to give a specimen of both. ... And much more! Click Add to Cart and Enjoy!"

Where Knowledge Ends, Religion Begins. -Benjamin Disraeli Duckbacks

Quoting is all around us. But do we really know what it means? How do people actually quote today, and how did our present systems come about? This book brings together a down-to-earth account of contemporary quoting with an examination of the comparative and historical background that lies behind it and the characteristic way that quoting links past and present, the far and the near. Drawing from anthropology, cultural history, folklore, cultural studies, sociolinguistics, literary

studies and the ethnography of speaking, Ruth Finnegan 's fascinating study sets our present conventions into crosscultural and historical perspective. She traces the curious history of quotation marks, examines the long tradition of quotation collections with their remarkable recycling across the centuries, and explores the uses of quotation in literary, visual and oral traditions. The book tracks the changing definitions and control of quoting over the millennia and in doing so throws new light on ideas such as imitation, allusion, authorship, originality and plagiarism .

Why Do We Quote?

This book is a collection of 77 fundamental quotes and aphorisms of Benjamin Disraeli: I am prepared for the worst, but hope for the best. "The secret to success is constancy of purpose." "Everything comes if a man will only wait." "How much easier it is to be critical than to be correct." "Justice is truth in action." "Life is too short to be small." "Little things affect little minds." "Silence is the mother of truth." "Action may not always bring happiness; but there is no happiness without action." "Man is only great when he acts from passion." "When men are pure, laws are useless; when men are corrupt, laws are broken."
