The Florida Keys: A

History & Guide is an
engaging handbook to
the unique coral and
limestone islands that
curve southwest off the
tip of Florida.
Acclaimed novelist and
Florida resident Joy
Williams traces U.S.

Highway 1 from Key Largo to Key West, combining the best of local legend—colorful stories you won't find in other guidebooks—with insightful commentary and the most up-to-date advice on where to stay, eat, and wander. Along the way, you will:

- explore the exquisite underwater world of North America's only living reef
- discover the beautiful bridges that span the Keys, the forts, and the distinctive "conch" architecture of Key West
- experience the eerie serenity of Florida Bay's "backcountry" and the unique ecology of the Keys
- visit the Key West cemetery and learn about the lives of some of the Keys' eccentrics—writers,

madmen, and entrepreneurs with various delusions • find the best (and avoid the worst) cafés, inns, and other establishments that the Keys have to offer Here is the most thorough and candid guide to the Keys, one of the most surprising locales in America. With insight and style, Joy Williams shares with us all of the region's idiosyncrasies and delights.

The Florida Keys Paddling Atlas, a first of its kind detailed color atlas of the Florida Keys, from Key Largo to Key West, is specifically designed for paddlers, fly fishers, snorkelers, and other

small craft water enthusiasts interested in shallow water exploration. Color charts for this atlas are fully annotated with key put-ins, take-outs, paddle friendly marinas, hidden waterways, bird watching, fishing spots, surf spots, and more. Other narrative information, including descriptive commentary, natural history, flora and fauna, and points of interest will be presented and referenced in order to guide water travelers on their own excursions and adventures.

The Carbonate Beaches of Florida

Rowman & Littlefield
A call to live with the coast, as opposed to living at the coast; unless Florida coastal communities conserve beaches and mitigate storm impacts, the future of the beach-based economy is in question.

National Geographic Traveler - Miami and the Keys Florida Keys, Upper and Lower Islands Including Bahia Honda Key, Big Coppitt Key ... Windley Key, Featuring Indexed City Streets, Points of Interest ... Mileage Markers

"The gateway to the Americas," Miami is the third most visited city in the U.S. National

Geographic Traveler: Miami & the Keys presents the astonishing diversity of the city's ethnic neighborhoods, culture, and architecture, as well as the allure of its surrounding beaches, wetlands, and the bewitching coral isles of Key West.

"Miami, the Florida Keys, and Miami Beach are America's favorite destinations. This lushly illustrated guide takes readers through the celebrated Miami's central districts, Miami Beach, Key Biscayne and Virginia Key, Coconut Grove, Coral Gables, South Miami, the Upper, Middle, and Lower Keys, Key West, and Dry Tortugas. aOpening

chapters advise on planning your trip and introduce the city and its surrounds in the context of its history, rich mix of cultures, art, and cuisine. Contemporary editorial features and experiential sidebars highlight every aspect of Miami, which has been called the American city of the future. The text showcases the city's fantastic architecture, Little Haiti, the Art Deco district, Miami's horseracing, the city's Jewish heritage, and snorkeling and diving in the Keys. Several tours are featured, including one of downtown Miami by Metromover, a Tamiami Trail driving tour, and an exploration of old Key West. The extensive Travelwise section

offers visitors a range of the best hotels and restaurants in the city and the Keys." *Bulletin - United States National Museum Wilderness Adventures Press Florida Keys, Upper and Lower Islands Including Bahia Honda Key, Big Coppitt Key ... Written by locals and true insiders, each guide is

packed with useful tips on places to stay, restaurants, events, attractions, fun things to do with the kids, nightlife, recreation, shopping, local history, and much more--as well as a comprehensive appendix called "Living Here" that offers information on real estate, education, health care, and more. *Bulletin ...* Big Earth Publishing

If you are planning on cruising the Florida Keys, a newly released Keys cruising guide is invaluable aboard your boat for navigation and reference. The Florida Keys Ports Of Call features full page color aerial photographs of dozens of destinations throughout these islands. The Florida Keys represent a magical destination for

the vacationer, cruising boater, scuba diver and snorkeler, sportfishing fan or the watersports enthusiast. The magic includes an endless variety of activities, shops, resorts, Keys vacation attractions and fine restaurants. The Keys also offer the world's finest fishing and diving or snorkeling over coral reefs that can only be described as spectacular. This cruising book highlights dozens of the Keys in aerial images that depict some of the most popular vacation and cruising destinations throughout this chain of islands surrounded by the Atlantic Ocean and the Gulf of Mexico. The gallery of color aerial photographs found within follows the Keys from their

northern reaches near Miami in Biscayne Bay to their end at the Dry Tortugas. Among the Keys cruising destinations are Elloit Key in Key Biscayne, Key Largo, Tavernier, Whale Harbor, Islamorada, Marathon, Big Pine Key, Duck Key, Key Colony, Bahia Honda Key, Newfound Harbor, Stock Island, Key West, Marquesas Keys, the Dry Tortugas and many others. Smaller versions of these photos graphically depict Florida Keys marinas, anchorages, diving and snorkeling sites, restaurants, and other points of interest. This is a book which is equally at home while at the helm of your boat, or on the coffee table. It is also a lasting memento of a treasured Florida Keys

vacation. This cruising and vacation guide joins others in the series including Chesapeake Bay Ports of Call, A Bahamas Cruising Guide -- Abaco Ports of Call, The East Coast of Florida Ports of Call and A Cruising Guide -- Southwest Florida Ports of Call. Random House

Providing a synthesis of basic and applied research, *The Everglades, Florida Bay, and Coral Reefs of the Florida Keys: An Ecosystem Sourcebook* takes an encyclopedic look at how to study and manage ecosystems connected by surface and subsurface water movements. The book examines the South Florida hydroscape, a series of ecosystems linked by hydrology in a region of intense human development and profound modifications to the natural environment. The book presents

scientific studies in the South Florida Hydroscape, discusses policy and management by government and nonprofit groups, and explores how the whole watershed approach must be used to successfully protect coral reefs. The contributions range from the traditional to the controversial, questioning current management schemes and summarizing the results of state-of-the-art research. Billions of dollars, countless man-hours, and innumerable resources have been spent studying the various South Florida ecosystems and how they are linked. *The Everglades, Florida Bay, and Coral Reefs of the Florida Keys: An Ecosystem Sourcebook*

shows you how the principles learned in this region can be applied to other tropical and subtropical hydroscares.
