FITZGERALD ANAYA

Mayor Kane Lulu.com

An unprecedented look behind the scenes of professional wrestling with over 100 of its most beloved stars. This latest offering from bestselling author Guttman tells the real story behind contacting, cajoling, convincing and interviewing the unique personalities from the field. Readers can journey with Guttman through the sometimes-twisted business of sports entertainment, making startling discoveries about the way the industry really works. And, for the first time, Guttman offers keen insight into the true personalities in the wrestling ring.

The WWE Book of Top 10s ECW Press

Professional wrestling is not what it once was. Kayfabe is dead; the internet is in full swing; old habits die hard. The time has come to reassess the industry's identity. 101 WWE Matches To See Before You Die hopes to do just that, challenging orthodox preconceptions of the world's greatest performance art. The methodology is simple: select 101 matches from WWE history that highlight the most important issues permeating professional wrestling today. But don't call them match reviews. These are moral, historical, philosophical must-read muses of must-see art that will enrich your experience as a follower of WWE; question your responsibilities as a fan; ponder your right to be a critic; present a new, different way to watch professional wrestling; and, ultimately, challenge your existing ideas of what professional wrestling can be at its very core.

Lita Taylor & Francis

The team at www.historyofwrestling.co.uk are back with the latest in their series documenting every episode of WWE Monday Night Raw, year by year. We cover every angle, segment and match in detail, and offer plenty of thoughts and facts along the way. The book is written and presented in the usual HOW style, with various awards, match lists and a host of star ratings for fans to debate at will. FEATURING: Brock Lesnar versus a car, the return of the Dudley Boyz, Xavier Woods and his Trolling Trombone,

#divasrevolution, Sting, The John Cena US Open Challenge, Stephanie McMahon emasculating the entire roster, the Shield reunion, Mother Nature defeats RAW, Kevin Owens mauls John Cena, Roman wins the big one, and much more! As usual, every single segment is covered in detail, with witty comment and analysis throughout. Fans of the series won't be disappointed, and once again the tome clocks in at a monster 185,000 words! It is our biggest Raw book ever! A must have for all wrestling fans.

30 Years of WrestleMania ECW Press

****A New York Times Editors' Choice Pick**** ****One of Kirkus Reviews' Best Nonfiction Books of 2022**** "Political activist Collins-Dexter's essay collection is timely as well as pointed. In it, she argues that Democrats have taken Black voters for granted, and that the consequences of this mistake have already begun — and will accelerate." —The New York Times, "15 Works of Nonfiction to Read This Fall" For fans of *Bad Feminist* and *The Sum of Us*, *Black Skinhead* sparks a radical conversation about Black America and political identity. In *Black Skinhead*, Brandi Collins-Dexter, former Senior Campaign Director for Color Of Change, explores the fragile alliance between Black voters and the Democratic party. Through sharp, timely essays that span the political, cultural, and personal, Collins-Dexter reveals decades of simmering disaffection in Black America, told as much through voter statistics as it is through music, film, sports, and the baffling mind of Kanye West. While *Black Skinhead* is an outward look at Black votership and electoral politics, it is also a funny, deeply personal, and introspective look at Black culture and identity, ultimately revealing a Black America that has become deeply disillusioned with the failed promises of its country. -----

----- We had been told that everything was fine, that America was working for everyone and that the American Dream was attainable for all. But for those who had been paying attention, there had been warning signs that the Obamas' version of the American Dream wasn't working for everyone. That it hadn't been working for many white Americans was immediately and loudly discussed, but the truth—and what I set out to write this book about—was that it hadn't been working for many Black Americans either. For many, Obama's vision had been more

illusion than reality all along. When someone tells you everything is fine, but around you, you see evidence that it's not, where will the quest to find answers lead you? As I went on the journey of writing this book, I found a very different tale about Black politics and Black America, one that countered white America's long-held assumption that Black voters will always vote Democrat—and even that the Democratic party is the best bet for Black Americans. My ultimate question was this: how are Black people being led away—not towards—each other, and what do we lose when we lose each other? What do we lose when, to quote Kanye West, we feel lost in the world.

Mat Memories Penguin

Named one of the "40 Best Books of 2016" by The New York Post "Inoki can use his bare fists. He can use karate. This is serious. There's \$10 million involved. I wouldn't pull a fraud on the public. This is real. There's no plan. The blood. The holds. The pain. Everything is going to be real. I'm not here in this time of my life to come out with some phony action. I want you to know this is real." —Muhammad Ali, June 14, 1976, The Tonight Show On June 26, 1976, Muhammad Ali fought in a mixed-rules contest against iconic pro wrestling champion Antonio Inoki for the so-called "martial arts championship of the world." Broadcast from Tokyo to a potential audience of 1.4 billion in 34 countries, the spectacle foreshadowed and, in many ways, led to the rise of mixed martial arts as a major sport. The unique contest was controversial and panned by wrestling and boxing supporters alike, but the real action was behind the scenes. Egos, competing interests, and a general sense of apprehension over what would happen in the ring led to hodgepodge rules thrown together at the last minute. Bizarre plans to "save" Ali if the fight got out of hand were even concocted. In *Ali vs. Inoki*, author Josh Gross gets inside Ali's head leading up to the match by resurrecting pre-fight interviews. Gross also introduces us to Inoki, the most famous face in Japan who was instrumental in shaping modern mixed martial arts.

The Stone Cold Truth Lulu.com

In the do-whatever-it-takes world of the WWE, there has always been a system that guarantees happy audiences and successful careers—there's the good guys, and there's the bad guys. Over

time, wrestlers may fade away, but this theme remains the same, with grudges, long-standing feuds, and an ever-changing roster of colorful characters driving the action. Until now. In this revealing look at the decline of the world's most popular sports entertainment franchise, Scott Keith uncovers a growing trend of favoritism and stagnation within the WWE that gives an elite group of stars a free ride-for as long as they want-with no worries of being retired. Ultimately the fans are the big losers because waiting in the wings is a group of talented young wrestlers eager to prove themselves in the ring. But getting to the top in the WWE takes more than good moves, because if you want to have it made-you have to be made. Book jacket.

[WWE The Attitude Era](#) Cambridge Scholars Publishing

Lita™ -- see her just once in the ring and you can never forget it. The breathtaking off-the-top-rope fearlessness that she shows keeps you on the edge of your seat. You simply can't believe she's going to be able to pull off the move, and then Lita takes it to the next level. That's her reality, that's why she is a WWE™ Superstar. Taking unexpected risks, daring to do what no one has done before, that's the reality of Amy Dumas, the remarkable woman behind Lita. Even as a young girl, Amy was determined to challenge herself and the world around her. She found personal freedom in the hardcore punk rock scene of the nineties. The positive force of the music and culture helped define the reality of Amy Dumas. Her willingness to try anything once set her on the path to World Wrestling Entertainment.™ Captivated by the high-flying style of the luchadors she saw on television, Amy was hungry to discover more about them. She just had to learn how they did those amazing moves. With only a guidebook for a companion, Amy set out for Mexico City where she was quickly invited into the secret world of lucha libre, Mexico's unique brand of professional wrestling. She returned to the States, resolute in her goal to make it as a professional wrestler. Amy found people who saw her determination and her heart, and agreed to train her. As her skills improved, she began traveling the highways and byways of America, working night after night in independent promotions around the country. Along her journey, Amy met an assortment of colorful characters as well as a number of wrestlers who would prove influential in her career. Among them were two local North Carolina stars who had just signed with WWE -- Matt and Jeff Hardy. Amy formed an instant bond with the dynamic

Hardy Boyz,™ whose spectacular style and high-flying bravado inspired her own bold in-ring style. It wasn't long before Amy -- now christened Lita -- joined Matt and Jeff in WWE, and the three friends became international sensations as Team Extreme.™ Lita proved a true pioneer in women's wrestling, daring to get in the ring with the boys -- including Triple H,™ Stone Cold Steve Austin™ and The Rock® -- and never backing down. It took a broken neck suffered on the set of a television series to stop her...but only temporarily. Lita: A Less Traveled R.O.A.D -- The Reality of Amy Dumas is the stirring tale of one young woman's amazing journey to the top of the wild, wonderful world of WWE.™

Wrestling's Made Men Penguin

The nepotism, backward logic, racist overtones, and power plays behind the World Wrestling Entertainment's (WWE) downfall are exposed in this indictment of wrestling's first family--the McMahons.

The Squared Circle Lulu.com

This definitive biography of Vince McMahon, former WWE chairman and CEO, is "riveting, essential reading" (Rick Perlstein, New York Times bestselling author) as it charts his rise from rural poverty to the throne of one of the world's most influential media empires. Featuring exclusive interviews with more than 150 people who witnessed, aided, and suffered from his ascent. Even if you've never watched a minute of professional wrestling, you are living in Vince McMahon's world. In his four decades as the defining figure of American pro wrestling, McMahon was the man behind Dwayne "The Rock" Johnson, "Stone Cold" Steve Austin, John Cena, Dave Bautista, Bret "The Hitman" Hart, and Hulk Hogan, to name just a few of the mega-stars who owe him their careers. For more than twenty-five years, he has also been a performer in his own show, acting as the diabolical "Mr. McMahon"—a figure who may have more in common with the real Vince than he would care to admit. Just as importantly, McMahon is one of Donald Trump's closest friends—and Trump's experiences as a performer in McMahon's programming were, in many ways, a dress rehearsal for the 45th President's campaigns and presidency. McMahon and his wife, Linda, are major Republican donors. Linda was in Trump's cabinet. McMahon makes deals with the Saudi government worth hundreds of millions of dollars. And for generations of people who have watched wrestling, he has been a defining cultural force and has

helped foment "the worst of contemporary politics" (Kirkus Reviews). Ringmaster built on exclusive interviews with more than 150 people, from McMahon's childhood friends to those who accuse him of destroying their lives. "Smart, entertaining, impressively reported, and beautifully written. Wrestling fans will devour it, but everyone who wants to better understand this crazy country and one of its truly original characters ought to read it" (Jonathan Eig, author of *Ali: A Life*).

[The Pro Wrestling Hall of Fame](#) Penguin

In his own words, Bret Hart's honest, perceptive, startling account of his life in and out of the pro wrestling ring. The sixth-born son of the pro wrestling dynasty founded by Stu Hart and his elegant wife, Helen, Bret Hart is a Canadian icon. As a teenager, he could have been an amateur wrestling Olympic contender, but instead he turned to the family business, climbing into the ring for his dad's western circuit, Stampede Wrestling. From his early twenties until he retired at 43, Hart kept an audio diary, recording stories of the wrestling life, the relentless travel, the practical jokes, the sex and drugs, and the real rivalries (as opposed to the staged ones). The result is an intimate, no-holds-barred account that will keep readers, not just wrestling fans, riveted. Hart achieved superstardom in pink tights, and won multiple wrestling belts in multiple territories, for both the WWF (now the WWE) and WCW. But he also paid the price in betrayals (most famously by Vince McMahon, a man he had served loyally); in tragic deaths, including the loss of his brother Owen, who died when a stunt went terribly wrong; and in his own massive stroke, most likely resulting from a concussion he received in the ring, and from which, with the spirit of a true champion, he has battled back. Widely considered by his peers as one of the business's best technicians and workers, Hart describes pro wrestling as part dancing, part acting, and part dangerous physical pursuit. He is proud that in all his years in the ring he never seriously hurt a single wrestler, yet did his utmost to deliver to his fans an experience as credible as it was exciting. He also records the incredible toll the business takes on its workhorses: he estimates that twenty or more of the wrestlers he was regularly matched with have died young, weakened by their own coping mechanisms, namely drugs, alcohol, and steroids. That toll included his own brother-in-law, Davey Boy Smith. No one has ever written about wrestling like Bret Hart. No one has ever lived

a life like Bret Hart's. For as long as I can remember, my world was filled with liars and bullshitters, losers and pretenders, but I also saw the good side of pro wrestling. To me there is something bordering on beautiful about a brotherhood of big tough men who pretended to hurt one another for a living instead of actually doing it. Any idiot can hurt someone. —from Hitman

Ali vs. Inoki Simon and Schuster

Performance and Professional Wrestling is the first edited volume to consider professional wrestling explicitly from the vantage point of theatre and performance studies. Moving beyond simply noting its performative qualities or reading it via other performance genres, this collection of essays offers a complete critical reassessment of the popular sport. Topics such as the suspension of disbelief, simulation, silence and speech, physical culture, and the performance of pain within the squared circle are explored in relation to professional wrestling, with work by both scholars and practitioners grouped into seven short sections: Audience Circulation Lucha Gender Queerness Bodies Race A significant re-reading of wrestling as a performing art, Performance and Professional Wrestling makes essential reading for scholars and students intrigued by this uniquely theatrical sport.

WWE No Mercy 2017 ECW Press

A man with three different names ties together the stars of professional wrestling, country music, and the New York Mets. John Arezzi was a lifelong Mets fan who dreamed of a job in baseball. In 1981, he took a job with the Mets Class A team in North Carolina. But Arezzi had another love: professional wrestling. He ran a fan club for the villainous "Classy" Freddie Blassie as a teenager, then progressed to wrestling photographer, and finally even stepped into the ring himself as John Anthony. Eventually he escaped to pursue a new life in altogether different world: country music. After adopting a new name, John Alexander, his many accomplishments include discovering both Patty Loveless and (decades later) Kelsea Ballerini. But wrestling is tough to shake ... In the 1990s, Arezzi hosted the pioneering radio talk show Pro Wrestling Spotlight. He also ran the first major conventions, assembling a wrestling who's who to meet with fans. He promoted shows, both at home and abroad, and was a key figure behind importing lucha libre into America. Mat Memories is Arezzi's chance to hold the mic, and he holds nothing back — he

names names and tells the untold behind-the-scenes stories: from the ring, the stage, and the diamond.

World Wrestling Insanity Polity

Experience the debauchery, extreme rivalries, and radical antiheroes of The Attitude Era with this no-holds-barred look back at WWE's edgiest period! Relive the late '90s, when Stone Cold Steve Austin, DX, Mankind, The Rock, and an infamous roster of rude and lewd Superstars laid the smackdown on pop culture and audience expectations. Packed with exclusive interviews, road stories, firsthand accounts, and gripping photos spanning the entire time frame, WWE®: The Attitude Era is a must-have for fans who remember the years when WWE was for adults-only! Performance and Professional Wrestling Simon and Schuster The surprising story of how wrestling superstar Glenn "Kane" Jacobs beat all the odds to become the mayor of Knox County, Tennessee. Even in his heyday in wrestling, Jacobs was inspired to pursue politics by popular libertarian figures such as former Republican presidential candidate Ron Paul, Republican Senator Rand Paul, Fox News' Judge Andrew Napolitano and others, and that led him to fulfill his own political ambitions. Before becoming Mayor Kane, Glenn "Kane" Jacobs was one of WWE's top Superstars for over two decades and traveled the globe with the likes of "Stone Cold" Steve Austin, Dwayne "The Rock" Johnson, John Cena, Ric Flair, and many others. He dominated the WWE with The Undertaker as the "Brothers of Destruction." Kane reinvented himself with the help of Daniel Bryan forming "Team Hell No." He set "Good ol' JR," Jim Ross on fire. The wrestler-turned-politician hasn't hung up his wrestling boots yet. Politics is a contact sport and Jacobs is using his wrestling skills in that arena. Jacobs supports President Trump and his agenda, and is implementing conservative policies in Tennessee.

Advances and Lessons in Sports Triumph Books

A USA TODAY BESTSELLER! From New York Times bestselling author and trailblazing athlete Ronda Rousey, an unfiltered chronicle of loss, resilience and finding meaning in life's journey. From the moment she burst onto the MMA scene, Ronda Rousey was unbeatable. She repeatedly strung together back-to-back flawless victories, racking up a collection of records and forever changing the face of sports as the UFC's first female champion. A superstar in her sport, she transcended athletics, appearing in blockbuster films and becoming a role model for women

everywhere. Then, on November 15, 2015, it all came crashing down. In OUR FIGHT, Rousey explores the greatest challenge of her life and, ultimately, how she rebuilt her life into something better in the aftermath. She recounts how she replaced her pursuit of perfection with the pursuit of happiness and found an opportunity in disguise amongst the wreckage. Following Rousey's relatable journey, OUR FIGHT is a courageous narrative of career changes, marriage, motherhood, and facing your fears. United States Congressional Serial Set, Serial No. 15043, House Documents Nos. 145-152 Citadel Press

Bill Watts leads readers on a tour through his checkered life, starting with his stormy upbringing and his tumultuous years at the University of Oklahoma and culminating in a reawakened spirituality that snatched him back from the brink of destruction. The legendary pro wrestler talks frankly and fearlessly about his ugly encounters with the top names in the ring and his uglier encounters with the life and world surrounding the sport.

Fate of the States Skyhorse Publishing Inc.

From its carnival origins to its current status as a global phenomenon, pro wrestling has a unique presence in popular culture. Part sport and part theatre, the impressive antics of its larger-than-life characters have captured the imaginations of generations of fans, and prompted endless speculation about behind-the-scenes machinations. Philosophy Smackdown is a study of pro wrestling as distinctive as pro wrestling itself: it is the first philosophical look at this major cultural spectacle. Philosopher and fan Douglas Edwards takes both philosophy and pro wrestling to parts unknown. With liveliness, humor and insight, he shows that pro wrestling is fertile ground for reflection on fundamental human issues, such as reality, freedom, identity, morality, justice, and meaning. He explores these through pivotal events in pro wrestling, from the eighties heyday of Hulkamania to the recent emergence of AEW. Philosophy Smackdown is a read that will delight philosophers and pro wrestling fans alike. It's time to ask yourself: Whatcha gonna do when Philosophy Smackdown runs wild on you?

Bet, Dbrad & Me Jason Norris

The Wrestling Biography You've Been Waiting For! There are few people who have been in the wrestling business longer than Jim Ross. And those who have made it as long as he has (half a century to be exact) probably made enemies or burned bridges.

But that's just not JR. Slobberknocker is the story of how an Oklahoman farm kid, with a vivid imagination and seemingly unattainable dreams, became "The Voice of Wrestling" to record TV audiences and millions of fans around the world. Jim opens up about his life as an only child on a working farm, who became obsessed with professional wrestling having first saw it on his grandparent's TV. Even though the wrestling business was notoriously secretive and wary of "outsiders," he somehow got a foot in the door to start a historic career, one where he held almost every job in the business?from putting up the ring to calling matches, from driving his blind, drunk boss towards revenge, to consoling two naked 600 pound brothers in the shower room after a rough match. With all those adventures and responsibilities, he's also recognized as the man who built and nurtured a once-in-a-generation talent roster that took the WWE to new heights, including "Stone Cold" Steve Austin, Brock Lesnar, and The Rock to name a few. Readers will finally get the opportunity to hear never-before-told stories about the politics, wackiness, and personalities of all the biggest stars. But this isn't just a wrestling story. It's a story about overcoming adversity and achieving your dreams, as success did not come without significant costs and unforeseen challenges to JR, including multiple bouts of severe facial paralysis called Bell's Palsy. Currently the host of the podcast The Ross Report, any fan of wrestling?from the territory days to today?will be enthralled with

stories from the road and behind the scenes. Slobberknocker is the first time Ross tells his story?and you don't want to miss it! *Black Skinhead* Ten Speed Graphic
 "Very well written, I am really enjoying it. I have been so impressed by the writers and their passion for the subject" - Mick Foley, wrestling legend and bestselling author "Expert contributions that unexpectedly and thoroughly cover a treasure trove of topics. This reader was euphoric over the amount of subject matter jam-packed into this important and long overdue collection" - Jamie Hemmings, Book Editor for SlamWrestling.net
 "The quality of writing at its best was really good, a lot to think about. A flat out really good read." - Bruce Mitchell, Senior Columnist - Pro Wrestling Torch
 99.9% of professional wrestling books are written by men about male performers in a male-dominated business. This book aims to help correct the balance, giving a voice to women and fans of women's wrestling, showing women in the ring are just as captivating to watch and that female fans are just as passionate. *Women Love Wrestling* is a collection of writing from women and about women in wrestling, written by fans, wrestlers, podcasters, promoters, journalists, culture critics, PhDs and academics. *Women Love Wrestling* is a mix of wrestling history, personal stories and studies of professional wrestling. We focus on women's wrestling of course, but include stories from the wider world, including lost Victorian legends and reflections on how wrestling can be compared to the

masterpieces of Shakespeare. Learn about how to watch joshi, how women train to wrestle, how promoting all-women shows requires a different approach, how wrestling fandom creates gender-bending art and cosplay, the history of GLOW, AJW, Shimmer and EVE, issues with diversity, the slow progress being made with gender equality and more thanks to our diverse team of writers. The profits from this book are donated to RAINN and Women's Aid
Superfly: The Jimmy Snuka Story ECW Press
 Most WWE fans tune in each year to watch WrestleMania, remember the Monday Night Wars of the 1990s, and have heard the story behind the Montreal Screwjob. But only real fans recall the name of Steve Austin's original character, can tell you how the Intercontinental championship was created, or know the best places to get an autograph of their favorite superstars. *100 Things WWE Fans Should Know & Do Before They Die* is the ultimate resource guide for true members of the WWE Universe. Whether you've been keeping kayfabe since the days of Bruno Sammartino or you're a more recent supporter of AJ Styles and Becky Lynch, these are the 100 things all fans need to know and do in their lifetime. Bestselling author Bryan Alvarez has collected every essential piece of WWE knowledge and trivia, as well as must-do activities, and ranks them all from 1 to 100, providing an entertaining and easy-to-follow checklist that will have you chanting "YES! YES! YES!"
