A Memoir of Life in the Lust Lane Alyson Publications

In the sensuous sixties, Chef Hogan wrote his Wild and Wacky book. A reprint of the original edition, when the author was decades ahead of his time. The Gay Cookbook is filled with the jokes and innuendo of the time. Even on the frontispiece, in the book's first pages, a line reads "All rights reserved, Mary." An essential part of mid-century campy dialogue, was the use of female nicknames among gay men: Hogan addresses the reader by many, including Myrtle, Mabel, and Mame. The recipes are lengthy and chatty. But while written humorously, the recipes often are complex and cosmopolitan. While his repertoire includes French and American classics, it also features Mexican, Southeast Asian, and Hawaiian recipes. For a guacamole recipe, Hogan gives the basics as avocado, tomatoes, fresh lime, and salt. Those wanting to mix it up can add onion and spices, he writes, but he forbids more variation. "This is an 'original' Mexican recipe," he writes,

"before it's been crapped up by some Hollywood or Brooklyn chef." Hogan also explains how to prepare an elaborate rijsttafel buffet, a many-coursed Indonesian banquet with roots in Dutch colonialism. A chili recipe spans several pages and requires hours of cooking.

Celluloid Activist is the biography of gay-rights giant Vito Russo, the man who wrote *The Celluloid Closet: Homosexuality in the Movies*, commonly regarded as the foundational text of gay and lesbian film studies and one of the first to be widely read. But Russo was much more than a pioneering journalist and author. A founding member of the Gay and Lesbian Alliance Against Defamation (GLAAD) and cofounder of the AIDS Coalition to Unleash Power (ACT UP), Russo lived at the center of the most important gay cultural turning points in the 1960s, 1970s, and 1980s. His life as a cultural Zelig intersects a crucial period of social change, and in some ways his story becomes the story of a developing gay revolution in America. A frequent participant at "zaps" and an organizer of Gay Activists Alliance (GAA) cabarets and dances—which gave the New York gay and lesbian community its first social alternative to Mafia-owned bars—Russo made his most

enduring contribution to the GAA with his marshaling of "Movie Nights," the forerunners to his worldwide Celluloid Closet lecture tours that gave gay audiences their first community forum for the dissection of gay imagery in mainstream film. Biographer Michael Schiavi unravels Vito Russo's fascinating life story, from his childhood in East Harlem to his own heartbreaking experiences with HIV/AIDS. Drawing on archival materials, unpublished letters and journals, and more than two hundred interviews, including conversations with a range of Russo's friends and family from brother Charlie Russo to comedian Lily Tomlin to pioneering activist and playwright Larry Kramer, *Celluloid Activist* provides an unprecedented portrait of a man who defined gay-rights and AIDS activism. "Schiavi tells a compelling story in this biography—from his re-creation of life on the streets of East Harlem and in Greenwich Village of the 1960s and 1970s to the way he conveys Russo's excitement about his film research and popular education to his account of the AIDS years in New York City."—John D'Emilio, *Italian American Review* "In [Schiavi's] hands Russo's life is both fascinating in its own right and a window into a larger milieu of activism during two critical decades."—*Italian American Review* Best Special Interest Books, selected by the American

Blake Mitchell knows a bit about enough things and a lot about a few. While the teenager is unsure of which direction to take in life, he's aware the road he's on is a direct route to desolation. Being outed as bisexual in the bluegrass state is alienating, and the events to follow are worse. Still, Blake is driven--by any means necessary--to make something more of himself. Identifying an opening, Blake paves a path and finds His Own Way Out.

"A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist Revised and updated to include current studies, politics, and discussions, *The Macho Paradox* is the first book to show how violence against women is a male issue as well as a female one — and how we can come together to stop it. Written by pioneering anti-violence educator Jackson Katz, *The Macho Paradox* incorporates the voices and experiences of women and men who have confronted the problem from all angles, the discussions surrounding current events in politics and pop-culture, and where the violence is ignored or encouraged in our upbringing. Katz also offers cogent explanations for why so many men harass and hurt women, and he shows what can be done to stop the violence. By working together as allies, Katz shows how all genders can end the abuse and mistreatment of women. Additional Praise for *The Macho Paradox*: "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men*

Dylan Rosser focuses on the purity and sensuality of the male form, often showing not much more than a smooth, sexy male body using light and shadow to accentuate the athletic curves and shapes of the models. The key idea of 'x-posed' is to keep it all nude, because as soon as items of clothing are added, one inevitably ends up with an image dated in time. Rosser's aim is to keep his pictures timeless, sensual and classic.

No Straight Lines showcases major names such as Alison Bechdel, Howard Cruse, and Ralf Koenig (one of Europe's most popular cartoonists), as well as high-profile, crossover creators who have dabbled in LGBT cartooning, like legendary NYC artist David Wojnarowicz and media darling and advice columnist Dan Savage. *No Straight Lines* also spotlights many talented creators who never made it out of the queer comics ghetto, but produced amazing work that deserves wider attention. Queer cartooning encompasses some of the best and most interesting comics of the last four decades, with creators tackling complex issues of identity and a changing society with intelligence, humor, and imagination. This book celebrates this vibrant artistic underground by gathering together a collection of excellent stories that can be enjoyed by all. Until recently, queer cartooning existed in a parallel universe to the rest of comics, appearing only in gay newspapers and gay bookstores and not in comic book stores, mainstream bookstores or newspapers. The insular nature of the world of queer cartooning, however, created a fascinating artistic scene. LGBT comics have been an uncensored, internal conversation within the queer community, and thus provide a unique window into the hopes, fears, and fantasies of queer people for the last four decades. These comics have forged their aesthetics from the influences of underground comix, gay erotic art, punk zines, and the biting commentaries of drag queens, bull dykes, and other marginalized queers. They have analyzed their own communities, and their relationship with the broader society. They are smart, funny, and profound. *No Straight Lines* has been heralded by people interested in comics history, and people invested in LGBT culture will embrace it as a unique and invaluable collection.

A recurring dream involving the drowning of a six-year old draws us to the scene fifty years later in "The Red Mitten." "The Missing" begins as a humorous look at substitute teaching until a laid-back sub discovers something bizarre about students mysteriously dropping out of high school. Inspired by the genre of Rod Serling, E.A.Robinson, O.Henry and Dahl, this collection of stories with their delightful twists will keep you entertained well into the night. Included is a pair of exciting WWII dramas "The Foxhole" and "The Treasure of St.Antoine" (a story of the French Resistance with a plot to assassinate The Desert Fox, Erwin Rommel). "The Liar's Club" takes a traveling salesman in the dead of winter through a desolate part of eastern Maine to a small village that isn't even on the map. Three stories within a story will keep you guessing all the way. "The Last Notch" is a western mystery. "The Third Wish," a fanciful story with an Irish touch, along with two stories that flirt with time travel, and a humorous account of teenage boys, "Summer's End," are also worth discovering. Peppered skillfully with a variety of dialects,(Irish, Scottish, French, German, and "Downeast") these artfully crafted tales will have you begging for more.

This book surveys the entire range of crime films, including important subgenres such as the gangster film, the private eye film, film noir, as well as the victim film, the erotic thriller, and the crime comedy. Focusing on ten films that span the range of the twentieth century, Thomas Leitch traces the transformation of the three leading figures that are common to all crime films: the criminal, the victim and the avenger. Analyzing how each of the subgenres establishes oppositions among its ritual antagonists, he shows how the distinctions among them become blurred throughout the course of the century. This blurring, Leitch maintains, reflects and fosters a deep social ambivalence towards crime and criminals, while the criminal, victim and avenger characters effectively map the shifting relations between subgenres, such as the erotic thriller and the police film, within the larger genre of crime film that informs them all.
