## GALLEGOS EFRAIN

*The Buried Giant* St. Martin's Essentials  
 THE TIMES ART BOOK OF THE YEAR Named one of The Irish Times' Books of the Year for 2021 A compelling and comprehensive look at the life and art of Francis Bacon, one of the iconic painters of the twentieth century—from the Pulitzer Prize-winning authors of *de Kooning: An American Master*. This intimate study of the singularly private, darkly funny, eruptive man and his extraordinary art “is bejeweled with sensuous detail ... the iconoclastic charm of the artist keeps the pages turning” (The Washington Post). “A definitive life of Francis Bacon ... Stevens and Swan are vivid scene setters ... Francis Bacon does justice to the contradictions of both the man and the art.” —The Boston Globe Francis Bacon created an indelible image of mankind in modern times, and played an outsized role in both twentieth century art and life—from his public emergence with his legendary *Triptych 1944* (its images “so unrelievedly awful” that people fled the gallery), to his death in Madrid in 1992. Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted, and his exploits were as unforgettable as his images. He moved among the worlds of London's Soho and East End, the literary salons of London and Paris, and the homosexual life of Tangier. Through hundreds of interviews, and extensive new research, the authors probe Bacon's childhood in Ireland (he earned his father's lasting disdain because his asthma prevented him from hunting); his increasingly open homosexuality; his early design career—never before explored in detail; the formation of his vision; his early failure as an artist; his uneasy relationship with American abstract art; and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century. In all, *Francis Bacon: Revelations* gives us a more complete and nuanced—and more international—portrait than ever before of this singularly private, darkly funny, eruptive man and his equally eruptive, extraordinary art. Bacon was not just an influential artist, he helped remake the twentieth-century figure.

 In this delightfully witty, provocative book, literature professor and psychoanalyst Pierre Bayard argues that not having read a book need not be an impediment to having an interesting conversation about it. (In fact, he says, in certain situations reading the book is the worst thing you could do.) Using examples from such writers as Graham Greene, Oscar Wilde, Montaigne, and Umberto Eco, he describes the varieties of “non-reading”—from books that you've never heard of to books that you've read

and forgotten—and offers advice on how to turn a sticky social situation into an occasion for creative brilliance. Practical, funny, and thought-provoking, *How to Talk About Books You Haven't Read*—which became a favorite of readers everywhere in the hardcover edition—is in the end a love letter to books, offering a whole new perspective on how we read and absorb them. *Conversations with God for Teens* Jaico Publishing House  
 You've Got Me All Wrong If we've got God all wrong, we've got everything else wrong, too. Is it possible that everything we think we know about God, and what God wants, is wrong? In direct and spiritually challenging language, Walsch exposes the many ways in which he believes that humanity completely misunderstands God. He describes in clear terms how the world could change overnight if humans accurately comprehended what God is, what God wants, who they are in relation to that, and to each other. Walsch calls this the Missing Data, which if ever embraced and acted on by our species, would create a spiritual revolution across the globe, bringing humanity both inner and outer peace at last. Does anybody care why our species has been such a failure? Does anybody imagine it has not been? Does anybody want to know how this whole situation can be turned around in the virtual blink of an eye? If you do care about those questions, then you will read this book. Neale Donald Walsch is one of the most influential and widely read authors in the new spirituality movement, with eight books on the New York Times bestseller list. His life and work have helped to create and sustain a worldwide spiritual renaissance, and he travels globally to bring the uplifting message of his books to people everywhere.

**Sperry Symposium Classics** FaithWords  
 Does the book of Revelation describe in veiled language events of its writer's own day, or is it largely a prophecy of events still to come? In this revised BST volume, Michael Wilcock lifts the curtain on Revelation as a drama in eight scenes, highlighting the role of the imagination in grasping this fascinating and enigmatic book.

*Conversations With God: Book 1 Guide And Audiobook* Scholastic Paperbacks

Looks at the life of Nostradamus and gives the author's interpretation of some of the sixteenth century prophet's predictions that apply to the seven years before the new millennium.

**The New Revelations** Regent College Publishing  
 The first book in a new series by the multimillion-copy bestselling author of *Conversations with God*. Neale Donald Walsch has changed the way millions of Americans think about God. His *Conversations with God* series, book 1, book 2, and book 3, have all been New York Times bestsellers—book 1 for over two years. The essence of Neale Donald Walsch's message lies at the heart

of faith—the sacred place in every person, where he stands alone with his God. Walsch urges each of us to forge our own unique relationship with God, a God who is everywhere and speaks to us in all we do. It is up to us to stop and listen. It is up to us to respond...to begin the conversation. And a conversation is the first step, just as in any relationship, in establishing trust, in building friendship, in creating communion. In *Friendship with God*, Neale Donald Walsch shares the next part of his journey, and leads us to deepen and strengthen our own bonds with God. He honors our heart's desire: a closer connection, richer and fuller. A friendship with God.

*The Theme of Deception in the Book of Revelation* Bloomsbury Publishing USA

Selected by the Modern Library as one of the 100 best nonfiction books of all time *The Gnostic Gospels* is a landmark study of the long-buried roots of Christianity, a work of luminous scholarship and wide popular appeal. First published in 1979 to critical acclaim, winning the National Book Award and the National Book Critics Circle Award, *The Gnostic Gospels* has continued to grow in reputation and influence over the past two decades. It is now widely recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time. In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels, thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament. In this spellbinding book, renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today. With insight and passion, Pagels explores a remarkable range of recently discovered gospels, including the Gospel of Thomas and the Gospel of Mary Magdalene, to show how a variety of “Christianities” emerged at a time of extraordinary spiritual upheaval. Some Christians questioned the need for clergy and church doctrine, and taught that the divine could be discovered through spiritual search. Many others, like Buddhists and Hindus, sought enlightenment—and access to God—within. Such explorations raised questions: Was the resurrection to be understood symbolically and not literally? Was God to be envisioned only in masculine form, or feminine as well? Was martyrdom a necessary—or worthy—expression of faith? These early Christians dared to ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message. Brilliant, provocative, and stunning in its implications, *The Gnostic Gospels* is a radical, eloquent reconsideration of the origins of the Christian faith.  
*The Midnight Library* Vintage  
 A startling exploration of the history of the most controversial

book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

**Francis Bacon** Hampton Roads Publishing

Thousands of people have read the "Conversations With God" books by Neale Donald Walsch. But despite the inspiration these books offer, one question often remains ... How do you translate such spiritual wisdom into the realities of day-to-day living? Douglas Hughes takes us through these "New Revelations" from the point of view of someone - a lot like everyone - who blends a bit of spiritual introspection with a truly fascinating memoir. This intriguing story brings the wisdom of the "CWG" books into a familiar and personal perspective. For more information, visit ... [www.PersonalRevelations.com](http://www.PersonalRevelations.com)

**Conversations with God** Zondervan Academic

**NATIONAL BESTSELLER** • From the winner of the Nobel Prize in Literature and author of *Never Let Me Go* and the Booker Prize-winning novel *The Remains of the Day* comes a luminous meditation on the act of forgetting and the power of memory. In post-Arthurian Britain, the wars that once raged between the Saxons and the Britons have finally ceased. Axl and Beatrice, an elderly British couple, set off to visit their son, whom they haven't seen in years. And, because a strange mist has caused mass amnesia throughout the land, they can scarcely remember anything about him. As they are joined on their journey by a Saxon warrior, his orphan charge, and an illustrious knight, Axl and Beatrice slowly begin to remember the dark and troubled past they all share. By turns savage, suspenseful, and intensely moving, *The Buried Giant* is a luminous meditation on the act of forgetting and the power of memory.

**Personal Revelations - Hard Cover** InterVarsity Press

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?," the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents,

and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

**Unlocking the Bible** Penguin

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. What can we know about the book of Revelation? What should we make of its visions of apocalyptic horsemen, horns with faces, flying angels, and fantastic beasts? Most important, what meaning does it hold for us here and now, and how can we apply it to our lives? Craig S. Keener shares perspectives on Revelation and helps us strengthen our hope in the future while living out our faith wisely in the present. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

**How to Talk About Books You Haven't Read** Lulu.com

Disillusioned, disenfranchised, and disinterested in anything churchy, Susan Isaacs knew of only one thing to do when she hit spiritual rock bottom at age 40. . . . She took God to couples counseling. In this cuttingly poignant memoir, Susan Isaacs chronicles her rocky relationship with the Almighty—from early childhood to midlife crisis—and all the churches where she and God tried to make a home: Pentecostals, Slackers for Jesus, and the über-intellectuals who turned everything, including the weekly church announcements, into a three-point sermon. Casting herself as the neglected spouse, Susan faces her inner nag and the ridiculous expectations she put on God—some her own, and some from her "crazy in-laws" at church. Originally staged as a solo show in New York and Los Angeles, **ANGRY CONVERSATIONS WITH GOD** is a cheeky, heartfelt memoir that, even at its most scandalous, is still an affirmation of faith.

**Questions and Answers on Conversations with God** A&C Black

The author creates a question-and-answer dialogue between himself and God in which he describes a new form of spirituality that will enhance each individual's life.

**Talk** Simon and Schuster

The #1 New York Times bestselling **WORLDWIDE** phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the *Midnight Library* to decide what is truly fulfilling in life, and what makes it worth living in the first place.

**Angry Conversations with God** Hampton Roads Publishing

"Friendships are built on chatter, on gossip, on revelations--on talk. Over the course of the summer of 1965, Linda Rosenkrantz

taped conversations between three friends (two straight, one gay) on the cusp of thirty vacationing at the beach: Emily, an actor; Vince, a painter; and Marsha, a writer. The result was *Talk*, a novel in dialogue. The friends are ambitious, conflicted, jealous, petty, loving, funny, sex- and shrink-obsessed, and there's nothing they won't discuss. Topics covered include LSD, fathers, exes, lovers, abortions, S&M, sculpture, books, cats, and of course, each other. *Talk* was ahead of its time in recognizing the fascination and significance of nonfamily ties in contemporary life. It may be almost fifty years since Emily, Vince, and Marsha spent the season in East Hampton, but they wouldn't be out of place on the set of *Girls* or in the pages of a novel like Sheila Heti's *How Should a Person Be?*"--

**What God Said** Bloomsbury Publishing

Le dialogue devient urgent... Si vous voulez transformer votre monde et sa trajectoire autodestructrice, vous pouvez effectuer cinq choix. 1. Reconnaître que certaines de vos croyances anciennes sur Dieu et sur la Vie ne sont plus valides. 2. Reconnaître qu'il y a des aspects de Dieu et de la Vie qui vous échappent, et dont la compréhension changerait tout. 3. Favoriser l'avènement d'une nouvelle vision de Dieu et de la Vie susceptible d'engendrer un nouveau mode de vie sur votre planète. 4. Explorer et examiner courageusement cette nouvelle vision et, si elle s'aligne sur votre vérité et votre sagesse intérieures, élargir votre système de croyances pour lui faire une place. 5. Démontrer, par votre vie, vos croyances les plus élevées et les plus grandioses, au lieu de les nier. Voilà les Cinq Etapes de la Paix. Si vous les appliquez, vous pourrez tout changer sur votre planète.

**Conversations with God, Book 4** Penguin

Offers a perspective on the current global crisis while challenging readers to shift away from stereotypical opinions, presenting strategies for addressing and resolving cultural problems that are resulting in conflict.

**Conversations With God, Book 3** Simon and Schuster

How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of *God Conversations* is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do.

**The Gnostic Gospels** Hampton Roads Publishing

Inspired by his nine-book *Conversations with God* series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message in a more succinct way. The result is a concise text detailing and expanding just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch encourages readers to cast aside religious and cultural trappings, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his *Conversations with God*, but also applying them in the most practical of ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.
