## **SANCHEZ WALKER**

---

Chocolat Harper Collins  
The first book in a new  
environmental epic  
fantasy series set in a  
world where ships kept

afloat by magical  
hearthfires sail an endless  
grass sea. On the never-  
ending, miles-high  
expanse of prairie grasses  
known as the Forever Sea,  
Kindred Greyreach,  
hearthfire keeper and  
sailor aboard harvesting  
vessel The Errant, is just  
beginning to fit in with the

crew of her new ship  
when she receives  
devastating news. Her  
grandmother—The  
Marchess, legendary  
captain and hearthfire  
keeper—has stepped from  
her vessel and  
disappeared into the sea.  
But the note she leaves  
Kindred suggests this was

not an act of suicide. Something waits in the depths, and the Marchess has set out to find it. To follow in her grandmother's footsteps, Kindred must embroil herself in conflicts bigger than she could imagine: a water war simmering below the surface of two cultures; the politics of a mythic pirate city floating beyond the edges of safe seas; battles against beasts of the deep, driven to the brink of madness; and the elusive promise of a world below the waves. Kindred finds that she will

sacrifice almost everything—ship, crew, and a life sailing in the sun—to discover the truth of the darkness that waits below the Forever Sea.

**Chocolate** Penguin  
"Originally published in Great Britain in 2014 by Orion Publishing Group"--  
Title page verso.

**Five Quarters of the Orange** Random House  
In the sequel to *The Gospel of Loki*, Loki's adventures continue when he finds a way out of the end of the world and plans to restart the power of the Norse gods. The

end of the world—also known as Ragnarok to the Norse gods—has occurred, and Loki has been trapped in a seemingly endless purgatory, in torture, until he finds a way to escape. It seems that he still exists in the minds of humanity and uses that as a way to our time. Back in the ninth world (Earth), Loki finds himself sharing the mind of a teenage girl named Jumps, who is a bit of a mess. She's also not happy about Loki sneaking his way into her mind, since she was

originally calling on Thor. Worse, her friends have also been co-opted by the gods: Odin, Jump's one-eyed best friend in a wheelchair, and Freya, the pretty one. Thor escapes the netherworld as well and shares the mind of a dog, and he finds that it suits him. Odin has a plan to bring back the Norse gods ascendancy, but Loki has his own ideas on how things can go—and nothing goes according to plan.

**The Food Of Love** Simon and Schuster  
The squabbling Norse

gods and goddesses of Runemarks are back! And there's a feisty new heroine on the scene: Maggie, a girl the same age as Maddy but brought up a world apart - literally, in World's End, the focus of the Order in which Maddy was raised. Now the Order is destroyed, Chaos is filling the vacuum left behind... and is breaching the everyday world. A chilling prophecy from the Oracle. A conflict between two girls. And with just twelve days to stave off the Apocalypse, carnage is about to be

unleashed . . .

### **Gentlemen and Players**

HarperCollins Australia  
The Lollipop Shoes picks up the story of Vianne and her daughters and takes us on a magical and spellbinding journey to Paris. Exquisitely written with the fluid and beautiful prose we expect from Joanne Harris, it's a wonderful and captivating read, full of flavours, tastes and fragrances. You'll need to pace yourself to stop yourself from devouring it all at once! 'Chocolat was a hard act to follow but

Harris has managed it in style' -- DAILY EXPRESS 'A delicious urban fairytale, where killer shoes and Aztec myths battle it out with true love and the seductive power of chocolate' -- DAILY MAIL 'A cracking and spellbinding story' -- \*\*\*\*\* Reader review 'Loved this book so much!' -- \*\*\*\*\* Reader review 'From the first page it captivates and holds you hostage' -- \*\*\*\*\* Reader review 'Magical and mesmerising' -- \*\*\*\*\* Reader review \*\*\*\*\*

\*\*\*\*\* 'Who died?' I said. 'Or is it a secret?' 'My mother, Vianne Rocher.' Seeking refuge and anonymity in the cobbled streets of Montmartre, Yanne and her two daughters live peacefully, if not happily, above their little chocolate shop. Nothing unusual marks them out; no red sachets hang by the door. The wind has stopped - at least for a while. Then into their lives blows Zozie de l'Alba, the lady with the lollipop shoes - ruthless, devious and seductive. With

everything she loves at stake, Yanne must face a difficult choice; to flee, as she has done so many times before, or to confront her most dangerous enemy... Herself. The Lollipop Shoes follows on from Chocolat. The story continues in Peaches for Monsieur le Curé and The Strawberry Thief. **Runemarks** LOS LIBROS DE LA CATARATA Seven o'clock on a Monday morning, five hundred years after the end of the world, and goblins had been at the

cellar again. . . . Not that anyone would admit it was goblins. In Maddy Smith's world, order rules. Chaos, old gods, fairies, goblins, magic, glammers—all of these were supposedly vanquished centuries ago. But Maddy knows that a small bit of magic has survived. The "ruinmark" she was born with on her palm proves it—and makes the other villagers fearful that she is a witch (though helpful in dealing with the goblins-in-the-cellar problem). But the mysterious traveler One-

Eye sees Maddy's mark not as a defect, but as a destiny. And Maddy will need every scrap of forbidden magic One-Eye can teach her if she is to survive that destiny. *The Lollipop Shoes (Chocolat 2)* Harper Collins  
«È valsa la pena di aspettare. Vianne è finalmente tornata nel magico villaggio di Lansquenet.» Publishers Weekly «È impossibile non innamorarsi di nuovo di Vianne Rocher.» The Times Il vento ha ricominciato a soffiare.

Vianne Rocher lo sa: è un segnale, qualcosa sta per succedere. Quando riceve una lettera inaspettata e misteriosa, capisce che ormai niente può opporsi a quel richiamo. Vianne non ha altra scelta che seguirlo e tornare a Lansquenet, là dove tutto è cominciato, il luogo dove otto anni prima aveva aperto una chocolaterie. Qui, adesso come allora, nel paese che si raccoglie intorno alla chiesa domina un'atmosfera chiusa e bigotta. Eppure c'è qualcosa di nuovo. Il

profumo delle spezie e del tè alla menta riempie l'aria, donne vestite di nero camminano veloci, a capo chino, per le viuzze; a rivaleggiare con il campanile, dall'altra parte della Tannes, si leva ora un minareto. All'inizio la convivenza fra gli abitanti e la comunità musulmana era stata tranquilla e gioiosa, ma un giorno le cose sono cambiate e sono iniziate le incomprensioni, le violenze, il fuoco. Il curato Francis Reynaud vuole a ogni costo salvare il suo villaggio e tornare

all'armonia di una volta. E ha capito che solo una donna può aiutarlo, Vianne, l'acerrima nemica di un tempo. Solo lei potrebbe portare la pace, solo lei potrebbe capire gli occhi diffidenti e impauriti delle donne che si celano sotto il niqab. Ma soprattutto, solo lei può comprendere l'enigmatica e orgogliosa Inès. Ma non è facile leggere la paura e sconfiggere le ipocrisie e le menzogne che serpeggiano tra le due comunità. Eppure Vianne sa come fare, sa come arrivare al cuore delle

persone. E, poi, forse, insieme a lei ci saranno gli amici di una volta; o forse no, perché c'è un segreto che l'attende. Inaspettato, come il vento che l'ha riportata qui. Joanne Harris, con impareggiabile maestria, ritorna nel paese di Chocolat e ci racconta una storia piena di magia, sensualità, segreti oscuri e pregiudizi in cui il confine tra apparenza e verità è molto sottile.

### **House of Trelawney**

Garzanti

Stories are like Russian dolls; open them up, and in each one you'll find another story. Come to the house where it is Christmas all year round; meet the ghost who lives on a Twitter timeline; be spooked by a newborn baby created with sugar, spice and lashings of cake. Conjured from a wickedly imaginative pen, here is a new collection of short stories that showcases Joanne Harris's exceptional talent as a

teller of tales, a spinner of yarns. Sensuous, mischievous, uproarious and wry, here are tales that combine the everyday with the unexpected; wild fantasy with bittersweet reality. [Il giardino delle pesche e delle rose](#) Harper Collins  
When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called "La Celeste Praline" directly across the square from the church, Father Reynaud identifies her as a serious danger to his

flock. It is the beginning of Lent: the traditional season of self-denial. The priest says she'll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone's favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She

begins to shake up the rigid morality of the community. Vianne's plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at

its heart. Says Harris: "You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentlessly. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human." Vianne and her young daughter Anouk, come into town on Shrove

Tuesday. "Carnivals make us uneasy," says Harris, "because of what they represent: the residual memory of blood sacrifice (it is after all from the word "carne" that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible." The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche

(The English Patient) and Judi Dench (Shakespeare in Love), was directed by Lasse Hallstrom, whose previous film The Cider House Rules (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. "It was a throwaway comment, designed to annoy and it did. It was along the lines

of...Chocolate is to women what football is to men..." The idea stuck, and Harris began thinking that "people have these conflicting feelings about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate." Rich with metaphor and gorgeous writing...sit back and gorge yourself on

Chocolat.

### **Ten Things about Writing** Penguin

La storia di Vianne Rocher e di sua figlia Anouk inizia a Lansquenet, quieto villaggio al centro della Francia, dove la vita scorre placida. Si tratta di una comunità chiusa, guidata dal giovane curato Francis Reynaud. Vianne rileva una vecchia pasticceria, ribattezzata La Céleste Praline, che ben presto diviene - agli occhi del curato - un elemento di disordine. Anche perché Vianne non frequenta la chiesa, ma

aiuta a modo suo chi si trova in difficoltà. Ben presto il villaggio diventa più disordinato, ribelle e soprattutto felice. E lo scontro tra Benpensanti e Golosi diventa inevitabile. Con Le scarpe rosse, ritroviamo Vianne quattro anni dopo. Ha abbandonato Lansquenet con Anouk, lasciando dietro di sé l'eco dello scandalo. Ora ha una seconda figlia, Rosette, e ha trovato rifugio a Montmartre, a Parigi. Ha aperto una nuova cioccolateria, ha abbandonato i tarocchi,

gli incantesimi, la magia, il suo stesso nome, e ha conosciuto Zoïe de L'Alba, la seducente signora con le scarpe rosse. Zoïe conquista presto la fiducia di Vianne e soprattutto di Anouk, ma non è quello che sembra, e la sua ambiguità cela un piano malvagio... Nel Giardino delle pesche e delle rose, Vianne è di nuovo sul punto di seguire il vento. Quando riceve una lettera inaspettata e misteriosa, capisce che deve tornare a Lansquenet. Qui, a rivaleggiare con il

campanile, si leva ora un minareto. La convivenza con la comunità musulmana è molto tesa e il curato Francis Reynaud capisce presto che solo Vianne può aiutarlo a ritrovare la pace del villaggio. Vianne sa come arrivare al cuore delle persone. E, poi, forse, insieme a lei ci saranno gli amici di una volta; o forse no, perché c'è un segreto che l'attende.

Different Class Simon and Schuster

An electrifying tale of psychological suspense

and revenge at an elite boarding school where secrets run deep. "A dark world of emotional complexity and betrayal, where twist follows twist and nothing is what it seems."—Alex Michaelides, bestselling author of *The Silent Patient* "Exhilarating. Addictive. Fierce."—Bridget Collins, bestselling author of *The Binding* "A psychological thriller you can't put down and an antiheroine you won't forget."—Harlan Coben \*\*\* Now I'm in charge, the gates are my

gates. The rules are my rules. It's an incendiary moment for St Oswald's school. For the first time in its history, a headmistress is in power, the gates opening to girls. Rebecca Buckfast has spilled blood to reach this position. Barely forty, she is just starting to reap the harvest of her ambition. As the new regime takes on the old guard, the ground shifts. And with it, the remains of a body are discovered. But Rebecca is here to make her mark. She'll bury the past so deep it will evade even

her own memory, just like she has done before. After all... You can't keep a good woman down.  
*La trilogia di Chocolat* La trilogia di ChocolatChocolat - Le scarpe rosse - Il giardino delle pesche e delle rose Afrodisiaco, adictivo, medicinal, favorecedor del acné y la caries, antidepressivo..., todo esto se ha dicho sobre el chocolate. En los últimos años, la investigación científica acerca del cacao parece corroborar que el chocolate puede tener efectos beneficiosos para

la salud, destacando los ácidos grasos insaturados que contribuyen a controlar el colesterol; la fibra que regula el tránsito intestinal y mejora los niveles de glucosa en sangre; los minerales que contribuyen a la regulación de la presión sanguínea, la transmisión neuronal y la memoria, así como el crecimiento y mantenimiento del sistema óseo; los alcaloides que mejoran el estado de ánimo y favorecen el rendimiento físico, y, sobre todo,

polifenoles como los flavanoles, con efectos antioxidantes y antiinflamatorios, que reducen la hipertensión, pueden prevenir el desarrollo y la progresión de algunos procesos cancerígenos y que actúan como agentes antidiabéticos y antiobesidad. Este libro explica cuestiones diversas sobre el chocolate: su origen e historia, sus ingredientes y elaboración, sus potenciales beneficios y perjuicios para la salud, etc., para que los

consumidores aprendamos a disfrutar del chocolate, a distinguir cuándo es realmente saludable y a incorporarlo a nuestra dieta de una manera responsable. Trilogia: Tematiche in traduzione Harper Collins Since childhood, Rosa Fiore -- daughter of a sultry Sicilian matriarch and her hapless husband - - found solace in her family's kitchen. La Cucina, the heart of the family's lush estate, was a place where generations of Fiore women prepared sumptuous feasts and

where the drama of extended family life was played out around the age-old table. When Rosa was a teenager, her own cooking became the stuff of legend in this small community that takes pride in the bounty of its landscape and the eccentricity of its inhabitants. Rosa's infatuation with culinary arts was rivaled only by her passion for a young man, Bartolomeo, who, unfortunately, belonged to another. After their love affair ended in tragedy, Rosa retreated

first into her kitchen and then into solitude, as a librarian in Palermo. There she stayed for decades, growing corpulent on her succulent dishes, resigned to a loveless life. Then, one day, she meets the mysterious chef, known only as l'Inglese, whose research on the heritage of Sicilian cuisine leads him to Rosa's library, and into her heart. They share one sublime summer of discovery, during which l'Inglese awakens the power of Rosa's sensuality, and together they reach new heights of

culinary passion. When l'Inglese suddenly vanishes, Rosa returns home to the farm to grieve for the loss of her second love. In the comfort of familiar surroundings, among her growing family, she discovers the truth about her loved ones and finds her life transformed once more by the magic of her cherished Cucina. Exuberant and touching, La Cucina is a magical evocation of lifes mysterious seasons and the treasures found in each one. It celebrates

family, food, passion, and the eternal rapture of romance.

Barra Creek Simon and Schuster

When a lonely olive grower, Arcadio Carnabuci, sows his love seeds, he cannot imagine the chaos his magic fruit will bring. While Fernanda Ponderosa, the voluptuous woman of his dreams, evades his spell, Gezabel, a hardworking middle-aged mule, falls head over hooves in love with him. And, as Gezabel discovers, she is not the only one whose stars

cross as the olive grower's ardor casts its magic over the region. Suddenly, the butcher and the baker are thinking murder, the village doctor and his nurse are driven to distraction, and a newborn is transformed into an angel. As the villagers alternate between love and war, remarkable phenomena add to the fevered atmosphere, making passions surge higher than the soaring temperatures of summer. A wildly imaginative fairy tale for adults, Ardor

celebrates the lovely landscape of Italy and the eccentricity of its inhabitants in a narrative full of twists and unexpected delights. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Honeycomb Penguin  
From the author of *The Improbability of Love*: a dazzling novel both satirical and moving, about an eccentric, dysfunctional family of English aristocrats, and

their crumbling stately home that reminds us how the lives and hopes of women can still be shaped by the ties of family and love. For more than seven hundred years, the vast, rambling Trelawney Castle in Cornwall--turrets, follies, a room for every day of the year, four miles of corridors and 500,000 acres--was the magnificent and grand "three dimensional calling card" of the earls of Trelawney. By 2008, it is in a complete state of ruin due to the dulled ambition

and the financial ineptitude of the twenty-four earls, two world wars, the Wall Street crash, and inheritance taxes. Still: the heir to all of it, Kitto, his wife, Jane, their three children, their dog, Kitto's ancient parents, and his aunt Tuffy Scott, an entomologist who studies fleas, all manage to live there and keep it going. Four women dominate the story: Jane; Kitto's sister, Blaze, who left Trelawney and made a killing in finance in London, the wildly beautiful, seductive, and long-ago

banished Anastasia and her daughter, Ayesha. When Anastasia sends a letter announcing that her nineteen-year-old daughter, Ayesha, will be coming to stay, the long-estranged Blaze and Jane must band together to take charge of their new visitor--and save the house of Trelawney. But both Blaze and Jane are about to discover that the house itself is really only a very small part of what keeps the family together. Chocolat - Le scarpe rosse - Il giardino delle pesche e delle rose Hachette UK

Before the sweet delight of *Chocolat*, before the heady concoction that is *Blackberry Wine*, and before the tart pleasures of *Five Quarters of the Orange*, bestselling author Joanne Harris wrote *Sleep, Pale Sister* -- a gothic tour-de-force that recalls the powerfully dark sensibility of her novel *Holy Fools*. Originally published in 1994 -- and never before available in the United States -- *Sleep, Pale Sister* is a hypnotically atmospheric story set in nineteenth century London. When

puritanical artist Henry Chester sees delicate child beauty Effie, he makes her his favorite model and, before long, his bride. But Henry, volatile and repressed, is in love with an ideal. Passive, docile, and asexual, the woman he projects onto Effie is far from the woman she really is. And when Effie begins to discover the murderous depths of Henry's hypocrisy, her latent passion will rise to the surface. *Sleep, Pale Sister* combines the ethereal beauty of a Pre-

Raphaelite painting with a chilling high gothic tale and is a testament to Harris's brimming cornucopia of talents. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

[A Narrow Door](#) Random House

For generations, privileged young men have attended St. Oswald's Grammar School for Boys, groomed for success by the likes of Roy Straitley, the

eccentric Classics teacher who has been a fixture there for more than thirty years. This year, however, the wind of unwelcome change is blowing, and Straitley is finally, reluctantly, contemplating retirement. As the new term gets under way, a number of incidents befall students and faculty alike, beginning as small annoyances but soon escalating in both number and consequence. St. Oswald's is unraveling, and only Straitley stands in the way of its ruin. But he faces a formidable

opponent with a bitter grudge and a master strategy that has been meticulously planned to the final, deadly move.

### **The Forever Sea**

Hachette UK

Sono passati quattro anni da quando Vianne Rocher - l'eroina di Chocolat - ha lasciato Lansquenet con la figlia Anouk. Lo scandalo e le chiacchiere le hanno seguite, perseguitate, minacciate di villaggio in villaggio, ancora di più quando Vianne ha dato alla luce la piccola Rosette. Alla fine hanno trovato rifugio a

Montmartre, a Parigi, e nell'anonimato della metropoli Vianne ha aperto una cioccolateria. Eppure tutto è diverso da prima. Ha abbandonato i tarocchi, gli incantesimi, la magia, il suo stesso nome. Il vento ha smesso di soffiare - almeno per un po'. Finché nella sua vita non arriva Zoïe de L'Alba, la seducente signora con le scarpe rosse. Dà una mano in negozio e ben presto, con la sua vitalità e simpatia, conquista la fiducia di Vianne e soprattutto di Anouk. Ma Zoïe non è

quello che sembra, e la sua ambiguità cela un piano malvagio. Joanne Harris ha dato vita a un mondo unico e magico, popolato da personaggi inquietanti e segreti oscuri in cui, con impareggiabile maestria, descrive lo scontro eterno tra bene e male.

*Indulge Your Inner Chocoholic, Become a Bean-to-Bar Expert*  
 Doubleday Canada  
 The wind has always

dictated Vianne Rocher's every move, buffeting her from the French village of Lansquenet-sous-Tannes to the crowded streets of Paris. Cloaked in a new identity, that of widow Yanne Charbonneau, she opens a chocolaterie on a small Montmartre street, determined to still the wind at last and keep her daughters, Anouk and baby Rosette, safe. But the weather vane soon

turns, and Zoïe de l'Alba blows into their lives. Charming and enigmatic, Zoïe provides the brightness that Yanne's life needs—as her vivacity and bold lollipop shoes dazzle rebellious and impressionable preadolescent Anouk. But beneath their new friend's benevolent façade lies a ruthless treachery—for devious, seductive Zoïe has plans that will shake their world to pieces.
