Springer Nature

Blending mythology and memory, *Saga Boy* follows a young Black immigrant's vibrant personal metamorphosis. Growing up as a clever, willful boy in a tiny village in the tropical forests of Trinidad—raised by his indomitable grandmother, Miss Excellly, and her King James Bible—Antonio Michael Downing is steeped in the legacies of his scattered family, the vibrant culture of the island, and the weight of its colonial history. But following Miss Excellly's death, everything changes. The eleven-year-old Downing seems to fall asleep in the jungle and to wake up in a blizzard: he is sent to live with his devoutly evangelical Aunt Joan in rural Canada, where they are the only Black family in a landscape starkly devoid of the warm lushness of his childhood. Isolated and longing for home, Downing begins a decades-long journey to transform himself through music and performance. A reunion with his birth parents, whom he has known only through story, closes more doors than it opens. Instead, Downing seeks refuge in increasingly extravagant musical personalities: "Mic Dainjah," a boisterous punk rapper; "Molasses," a soul crooner; and, finally, an eccentric dystopian-era pop star clad in leather and gold, "John Orpheus." In his mid-thirties, increasingly addicted to escapism, attention, and sex, Downing realizes he has become a "Saga Boy"—a Trinidadian playboy archetype—like his father and grandfather before him. When his choices land him in a jail cell, Downing must face who he has become. Harnessing the lyricism of an evangelical childhood into a flourishing and unforgettable prose all its own, *Saga Boy* is a poignant journey of overcoming, belonging, and becoming one's own self.

 The eleven contributions to this volume, written by expert corpus linguists, tackle corpora from a wide range of perspectives and aim to shed light on the numerous linguistic and pedagogical uses to which corpora can be put. They present cutting-edge research in the authors' respective domain of expertise and suggest directions for future research. The main focus of the book is on learner corpora, but it also includes reflections on the role of other types of corpora, such as native corpora, expert users corpora, parallel corpora or corpora of New Englishes. For readers who are already familiar with corpora, this volume offers an informed account of the key role that corpus data play in applied linguistics today. As for readers who are new to corpus linguistics, the overview of approaches, methods and domains of applications presented will undoubtedly help them develop their own taste for corpora. This volume has been edited in honour of Sylviane

Granger, who has been one of the pioneers of learner corpus research.

In honour of Sylviane Granger Galore Park

Prepares the reader for the entrance exams required by nursing and allied health programs, offering reviews of subjects tested and practice exams.

Trapped in a loveless marriage, Stephen Sagar returns eagerly to his native Trinidad when he is commissioned by a powerful island politician to write his biography. Expecting to discover a lost innocence, Stephen is at once disillusioned - old friends are no longer recognizable and strangers view him with indifference or hostility. To piece together his own past, he explores the lush island landscape and encounters a woman who once loved him. In her need to love again, his own longing begins to awaken and intensify.

Common Entrance 13+ English Revision Guide Beacon Press
 Every parent wants their child to flourish throughout their education, and few decisions are more difficult than choosing the right school. Selected by Gabbitas' panel of experts, this new guide highlights the best in independent education, including a listing of the most exceptional schools, and chosen for their all-round academic excellence; opportunities; history, culture and ethos; prospects for school leavers; facilities and staff-to-student ratios. With its unique emphasis on the overall development of the student, taking into account a range of important criteria, The Gabbitas Top 500 Independent Schools offers a more genuine reflection of the best schools than relying solely on league tables. Fully supported by Gabbitas consultants' accompanying website, this guide will allow parents to make the most informed decision about their child's education.

From a major voice in Caribbean literature—this is a story of Gwennie Glaspole, a schoolteacher trapped in an unhappy marriage, fighting to resist Jamaican cultural expectations and for her independence A new edition of the “remarkable first novel” from a major voice in Caribbean literature in the Celebrating

Black Women Writers series. Written in modified Jamaican patois, Powell traces the life of Gwennie, a strong woman who plays the role of wife and mother while suffering through a loveless and violently abusive marriage to Walter. Faced with choice of remain a victim to her duties or flee from the cruelties of her everyday life, Gwennie decides to start anew and embrace the pressures of sudden and laudable change. *Me Dying Trial* ambitiously conveys what goes unspoken—issues regarding identity, homosexuality, religion, and personal afflictions, and how often that strong sense of community holds us back from growing. Powell's debut solidified her status as “one of the most exciting writers living and writing on the island that is the Caribbean-American hyphen.” (Edwidge Danticat)

The History of Modern Spain is a comprehensive examination of Spain's history from the beginning of the 19th century to the present day. Bringing together an impressive group of leading figures and emerging scholars in the field from the UK, Canada, the United States, Spain and other European countries, the book innovatively combines a strong and clear political narrative with chapters exploring a wide range of thematic topics, such as gender, family and sexuality, nations and nationalism, empire, environment, religion, migrations and Spain in world history. The volume includes a series of biographical sketches of influential Spaniards from intellectual, cultural, economic and political spheres which provides an interesting, alternative way into understanding the last 220 years of Spanish history. The History of Modern Spain also has a glossary, a chronology and a further reading list. This is essential reading for all students of the modern history of Spain.

Knowledge, Identity, and Pedagogical Practices Bloomsbury Publishing

This open access edited volume is a comparative effort to discern the short-term educational impact of the covid-19 pandemic on students, teachers and systems in Brazil, Chile, Finland, Japan, Mexico, Norway, Portugal, Russia, Singapore, Spain, South Africa, the United Kingdom and the United States. One of the first academic comparative studies of the educational impact of the pandemic, the book explains how the interruption of in person instruction and the variable efficacy of alternative forms of education caused learning loss and disengagement with learning, especially for disadvantaged students. Other direct and indirect impacts of the pandemic diminished the ability of families to support children and youth in their education. For students, as well as for teachers and school staff, these included the economic shocks experienced by families, in some cases leading to food insecurity and in many more causing stress and anxiety and impacting mental health. Opportunity to learn was also diminished by the shocks and trauma experienced by those with a close relative infected by the virus, and by the constraints on learning resulting from students having to learn at home, where the demands of schoolwork had to be negotiated with other family necessities, often sharing limited space. Furthermore, the prolonged stress caused by the uncertainty over the resolution of the pandemic and resulting from the knowledge that anyone could be infected and potentially lose their lives, created a traumatic context for many that undermined the necessary focus and dedication to schoolwork. These individual effects were reinforced by community effects, particularly for students and teachers living in communities where the multifaceted negative impacts resulting from the pandemic were pervasive. This is an open access book.

Language Assistants Guide. Language Assistants in Spain 2019-20 John Catt Educational Ltd

The Language Assistants program began in 1936 with the exchange of language assistants between the United Kingdom and Spain. This program looks to improve the quality of foreign language education in Spain by integrating native speakers of the language into the classroom to promote the students understanding of both the language and culture of the foreign country. Another objective of the program is to facilitate the learning of our own language and culture among those who come to Spain as language assistants, and thus contribute to their professional development and to the spread of the Spanish language. Language assistants are exchanged yearly with Australia, Austria, Belgium, Bulgaria, Canada, China, countries of Oceania (Fiji, Solomon Islands, Tonga and Vanuatu), Finland, France, Germany, Hungary, India, Ireland, Italy, Luxembourg, Malta, Morocco, the Netherlands, New Zealand, Norway, the Philippines, Portugal, Russia, Singapore, Sweden, Switzerland, Tunisia, the United Kingdom, and the United States of America. Under the supervision of the full-time teacher, the language assistants help students in Spanish public schools to improve their oral proficiency in the target language. We hope that participating in this program will be a positive experience that will facilitate both professional development through your work and personal growth through your experience here in Spain.

Completing the Foundation for Lifelong Learning An OECD Survey of Upper Secondary Schools John Catt Educational Ltd

Now in an updated second edition Seven years after the publication of the first edition, Spain is still different, but it is changing, too - modernizing rapidly and participating as an active member of the European Union. While thoroughly updating her original work, Helen Wattley-Ames has maintained her focus in describing the uniqueness of both the Spanish people and their culture and on examining what effect the differences have on the way the Spaniards and Americans relate to and interact with each other. She looks at how Spain has evolved from a travel destination, as source of "sun and cheap wine," to a dynamic modern society. She depicts a people proud of their accomplishments, yet working hard to maintain valued traditions in the face of increased buying power and more European and American influence. The author begins by looking into Spain's past and at critical dimensions of present day American-Spanish relations. She then explores certain aspects of culture important in cross-cultural interactions: society and the individual;

relationships; language and communication; work and play. She ends each chapter with an "encounter" - a critical incident that illuminates a situation which may cause misunderstanding, embarrassment or conflict. With extensively updated and revised sections on minorities and immigrants, and ethics and corruption, the new edition of Spain is Different will be welcomed by anyone looking for clear guidance on how to be most effective in the encounter with the people and culture of Spain.

How to Write Sales Letters That Sell Ministerio de Educación y Formación Profesional

Part memoir, part self-help and definitely inspirational, TRUE IDENTITY is a compelling read, a triumphant story, and a story of growth. Dr. Marilyn Francis Walker's stories of triumph and defeat will inspire and restore you. True Identity will take you into the storehouse of Marilyn's innermost thoughts and intimate feelings, and into the basement of her wounded soul where her deepest pain was stored. She then shares the processes she used to get out of her dark space in hopes that, if you need to, you too can use her program to restore and transform your life fully. Marilyn has created several transformation programs she adhered to as she was healing. Reflect, Release, and Recreate (R.R.R.) will help you gain clarity and understanding around the circumstances of your challenges. Stepping Into Purpose (S.I.P.) will instill in you a hunger and an appetite for positive change even when a cocktail of negative experiences and emotions has been served. Vision Boarding encourages you to be excited about seeing your future and helps you adopt a new level of consciousness where you make your dreams a priority. The Action Steps Journal will enable you to turn disappointments into opportunities by changing your perception of reality. And, just when you think you have learned everything that Marilyn has offers about healing and transformation, she effortlessly flips her W.I.G. and teaches you how to Write Incredible Goals.
