Subject Guide to Books in Print Vintage

The mega bestselling book that started the heaven publishing phenomenon is now a major motion picture starring Hayden Christensen and Kate Bosworth and produced by Michael Polish. Don Piper's incredible true story continues to expand its reach to more people than ever before. After a semi-truck collided with Don Piper's car, he was pronounced dead at the scene. For the next ninety minutes, he experienced the glories of heaven. Back

on earth, a passing minister felt led to stop and pray for the accident victim even though he was told Piper was dead. Miraculously, Piper came back to life, and the pleasure of heaven was replaced by a long and painful recovery. This special edition of Don's life-changing story includes a new preface from Don about the making of the movie, plus a personal update on the impact the book has had on him, his family, and the millions who have already heard his story. It also includes a note from the publisher, stories from readers, and Scriptures and quotations on heaven.

Mike Mulligan and His Steam Shovel Haynes Manuals N. America, Incorporated

Book 1 in the "John Matherson" trilogy.

Toward a Theory of Spacepower: Selected Essays Simon and Schuster

'One of the greatest achievements in comedy. A work of staggering genius' - David Walliams An international phenomenon and pop-culture classic, *The Hitchhiker's Guide to the Galaxy* has been a radio show, TV series, novel, stage play, comic book and film. Following the galactic (mis)adventures of Arthur Dent, *Hitchhiker's* in its various incarnations has captured the imaginations of curious minds around the world . . . It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed, in large friendly letters, with the words: DON'T PANIC. The weekend has only just begun . . . This 42nd

Anniversary Edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. Continue Arthur Dent's intergalactic adventures in the rest of the trilogy with five parts: *The Restaurant at the End of the Universe*, *Life, the Universe and Everything*, *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

Come and Go, Molly Snow Simon and Schuster

This comprehensive primer for the home-based antiques enthusiast provides valuable tips for starting a business, including insider information on taking consignments, how to tell the real thing from junk, different ways to obtain stock, and how to price, display, and merchandise items. Illustrations. Worksheets; charts.

**Ford Mustang I, 1964 1/2-1973** Harper Collins

In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

To Kill a Mockingbird Getty Publications

A interchange guide for 1967-1979 Ford Truck pick up parts. Includes body trim and glass

The Language Instinct Simon and Schuster

'I always labour at the same thing, to make the sex relation valid and precious instead of shameful. And this novel is the furthest I've gone. To me it is beautiful and tender as the naked self.' - D.H. Lawrence *Lady Chatterley's Lover* explores the intense affair between the sexually frustrated Connie - whose husband, Clifford, is paralysed from the waist down - and Oliver Mellors, the family gamekeeper. First published in 1928, the novel challenged the

social and sexual taboos of its time and was immediately banned as obscene. Lawrence's last and most famous work of fiction, it was eventually published in full in 1960 to mark the thirtieth anniversary of the writer's death. ABOUT THE SERIES: The Arcturus Classics series brings together high-quality paperback editions of classics works, presented with contemporary graphic cover designs. Together they make a wonderful collection which is perfect for any home library.

**The Publishers' Trade List Annual** St. Martin's Press

Jack Reacher finds trouble in Texas in the fifth novel in Lee Child's #1 New York Times bestselling series. DON'T MISS REACHER ON PRIME VIDEO! Thumbing across the scorched Texas desert, Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For Reacher, the lift comes with a hitch. Carmen's got a wild story to tell—all about her husband, her family secrets, and a hometown that's purely gothic. She's also got a plan. Reacher's part of it. And before the sun sets, this ride could cost them both their lives.

*How to Change Your Mind* Houghton Mifflin Harcourt

From David Graeber, the bestselling author of *The Dawn of Everything and Debt*—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the

answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

*Fahrenheit 451* Vintage

'Wonderful...Carlin's book never shies from the details of this most enduring of American heroes. The divorces, cruelties, years in therapy and his antidepressant fuelled comeback of 2003 are all here! Sunday Times This sweeping biography of one of America's greatest musicians is the first in twenty-five years to be written with the cooperation of Springsteen himself. With unfettered access to the artist, his family and band members, acclaimed music writer Peter Ames Carlin presents an intimate and vivid portrait. 'A readable, expansive portrait of the New Jersey rocker that delves into his family background and personal life more than previous biographies' Sunday Telegraph 'The first serious Bruce Springsteen biography for 25 years. Carlin was granted unprecedented access to family, friends, management, even the Boss himself, enabling him to paint a vivid picture of the

man, warts and all' Sunday Express 'A revealing portrait of a rock colossus... Peter Ames Carlin's new book is the first in 25 years to have been written with the co-operation of Springsteen. Previous biographies have tended towards closely argued adulation but Carlin has not been blinded by his access to Springsteen' Daily Telegraph 'One for the regular fan on the street...well written and jaw-dropping in its research...Weighty, fact focused, readable' Metro 'Painstakingly researched and based on - for the first time - interviews with Springsteen's family and friends as well as the Boss himself. To that extent it is the first authorised account for a decade...This is a warts-and-all account that includes Springsteen's flashes of temper when things didn't go his way...'

Sunday Times

#### Den of Thieves Baker Books

A fastidious Englishman, Phileas Fogg, puts his life's savings at stake, claiming he can travel around the world in just eighty days. Thus begins his fantastic journey, full of excitement and a great deal of risk. Phileas Fogg and his servant, Passepartout visit many foreign lands, exotic and beautiful. Amidst all the excitement is a case of mistaken identity, which has a Scotland Yard detective hot at their heels! Will Phileas Fogg lose the bet? Will he be put behind bars for robbing a bank? Read on to find out.

#### Around the World in 80 Days Vintage

A #1 bestseller from coast to coast, Den of Thieves tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice. Pulitzer Prize-winner James B. Stewart shows for the first time how four of the eighties' biggest names

on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine—created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. Based on secret grand jury transcripts, interviews, and actual trading records, and containing explosive new revelations about Michael Milken and Ivan Boesky, Den of Thieves weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

#### *Mostly Harmless* Del Rey

The #1 New York Times bestselling children's book "A standout picture book, especially for those who like wheels with their dreams." —Booklist, starred review As the sun sets behind the big construction site, all the hardworking trucks get ready to say goodnight. One by one, Crane Truck, Cement Mixer, Dump Truck, Bulldozer, and Excavator finish their work and lie down to rest—so they'll be ready for another day of rough and tough construction play! • Author Sherri Duskey Rinker's sweet rhyming text soothes little ones into a peaceful rest • Full of irresistible artwork by illustrator Tom Lichtenheld • Goodnight, Goodnight, Construction Site is the perfect read-aloud This popular, timeless nighttime story continues to delight families everywhere! • Ideal for children ages 3 to 5 years old • Great for young construction fans • This adorable hardcover bedtime book is a go-to gift for any occasion

#### **True Believer** Penguin

A manifesto for a radically different philosophy and practice of manufacture and environmentalism "Reduce, reuse, recycle"

urge environmentalists; in other words, do more with less in order to minimize damage. But as this provocative, visionary book argues, this approach perpetuates a one-way, "cradle to grave" manufacturing model that dates to the Industrial Revolution and casts off as much as 90 percent of the materials it uses as waste, much of it toxic. Why not challenge the notion that human industry must inevitably damage the natural world? In fact, why not take nature itself as our model? A tree produces thousands of blossoms in order to create another tree, yet we do not consider its abundance wasteful but safe, beautiful, and highly effective; hence, "waste equals food" is the first principle the book sets forth. Products might be designed so that, after their useful life, they provide nourishment for something new—either as "biological nutrients" that safely re-enter the environment or as "technical nutrients" that circulate within closed-loop industrial cycles, without being "downcycled" into low-grade uses (as most "recyclables" now are). Elaborating their principles from experience (re)designing everything from carpeting to corporate campuses, William McDonough and Michael Braungart make an exciting and viable case for change.

*Historic Residential Suburbs* Pan Macmillan

A resource for the photographic conservator, conservation scientist, curator, as well as professional collector, this volume synthesizes both the masses of research that has been completed to date and the international standards that have been established on the subject.

*The Help* Del Rey

In one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series. Now celebrating the

pivotal 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! *The Hitchhiker's Guide to the Galaxy* (Nominated as one of America's best-loved novels by PBS's *The Great American Read*) Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through time and space. *The Restaurant at the End of the Universe* The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. *Life, the Universe and Everything* The unhappy inhabitants of planet Krikkit are sick of looking at the night sky—so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. *So Long, and Thanks for All the Fish* Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. *Mostly Harmless* Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story "Young Zaphod Plays It Safe" "With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry."—San Diego Union-Tribune "Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain."—The Atlantic

**The Books in My Life** New Directions Publishing

Original publication and copyright date: 2009.

*No Logo* Houghton Mifflin Harcourt

Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

*Echo Burning* North Point Press

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the

Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

*Rules for Radicals* Chronicle Books

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.
