****Due to some sexual content and mature themes, this novel is intended for audiences ages 17+**** Two years ago, Leigh Anne Davis shocked everyone in tiny Fairhope, Georgia when she broke up with her wealthy boyfriend to attend an Ivy League university a thousand miles away. At school, she finds a happiness and independence she's never known. Until one terrifying night takes it all away from her. With no place else to go, Leigh Anne heads home to reclaim her old life. A life she worked so hard to escape. On the outside, she seems like the same girl everyone has always known. But deep inside, she's hiding a terrible secret. That's when she meets Knox Warner, a troubled newcomer to Fairhope. His eyes have the same haunted look she sees every day in the mirror, and when she's near him, the rest of the world fades away. But being with Knox would mean disappointing everyone all over again. If she wants to save what's left of her old life, she has no choice but to say goodbye to him forever. Only, the trouble with goodbye is that sometimes it's about courage and sometimes it's about fear. And sometimes you're too broken to know the difference until it's too late.

DARKNESS HAS A WAY OF CREEPING UP ON A PERSON ... AND I'M NO EXCEPTION.

My name is Amelia Blake, and I'm a dreamwalker. I've been fighting a losing battle trying to save Earth from the Ero-bos, but every time I fall asleep, the super scary, super sexy leader of the Ero-bos army takes over my dreams. The worst part is he's kind of charming. He seems to think I'm supposed to be his mate, even though Seth and I just sealed the deal. He's after something other than romance. Unfortunately, the only

way to find out is to play his dangerous game, but what will it cost me?

I'm so close to finally breaking Seth's curse. I'm pretty sure the clues I need lie in his past yet finding answers amid thousands of years of memories is as hard as it sounds. And I'm running out of time. You see, the EroboS are no longer the only bad guys out there. My father—the one I thought was dead—wants me for his own reasons. The only question is, will one of them capture me before I can find what I'm looking for? If they get me, all bets are off. The Oneioi will fall, and with them any chance of keeping the EroboS at bay.

I did it with my bare hands and an old piece of pipe I found lying next to the dumpster. But that's not the part that got me. The part that scared me, the part I can't seem to wrap my head around and still has me reeling, was that when she charged me, her body shifted - and then she was a wolf. All snapping teeth and extended claws. But by the time I stood over her lifeless body, she was a girl again. That's about the time I went into shock... And that was the moment he showed up. And even now there are two thoughts that are so clear, they feel

branded into my mind: One, Werewolves do exist, and two, I was born to kill them.
