 Most  
 Influential  
 Voice in  
 Adventist  
 History**  
 Rowman &  
 Littlefield  
 Ellen White's

two thousand  
 visions,  
 revered by her  
 twenty million  
 disciples, were  
 doctrinally  
 inspired by  
 William Miller,  
 who fathered  
 the largest  
 millennial  
 movement in  
 US history. He  
 and Samuel  
 Snow, during  
 the  
 movement's  
 climax, the  
 "Midnight  
 Cry,"  
 predicted  
 Christ's  
 Second  
 Coming for  
 exactly  
 October 22,  
 1844, on the  
 basis of fifteen  
 proof-texts.  
 Ellen was

twelve, suffering from severe brain trauma and the conviction that she was hell-bound, when Miller converted her. By sixteen she became convicted that she was having divine dreams and visions confirming Miller's prophetic role and message. When Miller's predictions failed and he repudiated his own predictions, Ellen announced that God had commanded her to endorse Miller's failed

"Midnight Cry" as divinely inspired, and her authority replaced Miller's in the "shut-door" faction of ex-Millerites who evolved into the Seventh-day Adventist church. Miller claimed that his dogmas were the result of merely allowing the Bible to interpret itself and that his method was literal commonsense. White seconded this claim and said God's angels routinely guided Miller's interpretations

. However, not only were his interpretations falsified, but examination reveals them to be farfetched allegorical treatments of parables. Nonetheless, White's visions and SDA theology still retain many of Miller's falsified predictions. *Identifying the Mistakes of Her Critics* Review and Herald Pub Assoc The Ellen G. The Story Of Jesus is Ellen Gould White's adaptation of her own work Christ Our Saviour for a children's audience. This beautiful narrative of Jesus' life on earth was prepared by the author's son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell, even for persons with a limited vocabulary. Some of the chapters are: Chapter 1 - The Birth of Jesus Chapter 2 - Jesus Presented in the Temple Chapter 3 - The Visit of the Wise Men Chapter 4 - The Flight Into Egypt Chapter 5 - Child Life of Jesus Chapter 6 - Days of Conflict Chapter 7 - The Baptism Chapter 8 - The Temptation Chapter 9 - Early Ministry Chapter 10 - Teachings of Christ Chapter 11 - Sabbathkeeping Chapter 12 - The Good Shepherd Chapter 13 - Riding Into Jerusalem Chapter 14 - "Take These Things Hence" Chapter 15 - At the Passover Supper ... and much more ...

**The Story Of Jesus**  
Wildside Press LLC  
Contours of European

Adventism offers scholarly articles based on papers presented at the 3rd International Symposium organized by the Institute of Adventist Studies of Friedensau Adventist University, Germany, April 23-26, 2018. It also contains the first comprehensive bibliography of Adventism in Europe. The contributions represent a wide range of Adventist historical scholarship in Europe. They analyze historical, missiological, theological and socio-political issues that have colored the life of the Seventh-day Adventist denomination in Europe. Good Press Everything from the hymns Ellen White loved to the homes she lived in are covered in heavily referenced articles. You'll find a detailed chronology of her life and extensive articles on her ministry, her theology, and her statements in the light of advancing scientific knowledge. Whether you're preparing a sermon, teaching a class, or finding answers to personal questions, this single resource has the answers you need. *Child of the Apocalypse* Review and Herald Publishing Company Consejos Sobre el Régimen Alimenticio by Elena G. de White. En letra GRANDE.

*The Ellen G. White Encyclopedia* Mountain View, Calif. ; Regina : Pacific Press Pub. Association In 1852, after starting the Review and Herald magazine in 1849, James White began publishing The Youth's Instructor for the benefit of Christian youth. The editor wrote in the first issue, "We design that the Instructor shall be filled with sensible matter, not only for the benefit of

small children, but for the instruction of the youth from 16 to 20 years of age." What started out as a monthly, in 1879 became a weekly magazine and was published continuously until April, 1970. Ellen White contributed an article to the very first issue of The Youth's Instructor and during her lifetime contributed nearly 500. The vast majority of them were especially written for the younger

audience of the Instructor. They were designed by Inspiration to make a significant contribution in the preparation of God's youth for Christ's soon return. It is the desire of the present publisher that that purpose will indeed be achieved in those who read these messages in this late hour. **Prophet of Destiny** Review and Herald Pub Assoc This completely new typeset of the

monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, Questions on Doctrine was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of Questions on Doctrine, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays

provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of Question on Doctrine beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars,

laypersons, and critics. It is an essential element of every Adventist library. How God Communicates with His Lost Creation Lulu Press, Inc This book is a story of how Adventists came to view themselves as a prophetic people, of their growing awareness of a responsibility to take their unique message to all the world, and of their organizational and institutional development as they sought

to fulfill their prophetic mission. By the end of this volume, you as a reader and I as a author will find ourselves in the flow of Adventist history. - Millerite Roots. Era of Doctrinal Development. Era of Organizational Development. Era of Institutional and Lifestyle Development. Era of Revival, Reform, and Expansion. Era of Reorganization and Crisis. Era of Worldwide Growth. The

Challenges and Possibilities of Maturity. Woman's Place Seventh Day Adventist Women in Church and Society Review and Herald Pub Assoc

During forty years of caring for districts of churches and isolated believers, besides raising up new churches by evangelistic effort, the author of this work became greatly impressed with the need of educating the people in

the fundamental doctrines of the Holy Scriptures. He has found very few who could give from the word of God an intelligent reason for even its most prominent and important truths. This spiritual poverty any minister will discover by personal investigation. When we add to this condition the fact that during the past thirty years new errors have been stealthily introduced

among Christians generally--errors which undermine the very foundations of Bible truth and Christianity--it becomes evident that even professing Christians are unprepared for the crises they will be obliged to meet in the near future. Ellen G. White Pacific Press Publishing Association Largely of historical interest, Ellen G. White's 1864 book on health care reform deals

with the perceived problems of masturbation among the young. Terming it a "solitary vice" and "self abuse," she addresses her concerns--and her solutions--directly to mothers, advocating religion, awareness, and work. Though hardly politically correct today, with modern knowlege and insight, her views and solutions are far less extreme than most other health care professionals'

of the age. The Pocket Ellen G. White Dictionary Review and Herald Pub Assoc The Ellen G. White Encyclopedia et of 5x1 books from Ellen WhiteSteps To Christ,Christ's Object Lessons,Educa tion,The Ministry Of Healing,The Mount Of Blessing.Ellen G. White (1827-1915), was an American religious writer, a prolific author of over 40 books and 5000

periodical articles during her lifetime. She was one of the founders of the Seventh-day Adventist Church, believed by many readers to have the spiritual gift of prophecy described in the Bible. The Smithsonian magazine named her among 100 Most Significant Americans in an acknowledgment of her influence on religion. This important volume collects in one single book

five of her most important works, including one of the best selling books of all time: *Steps to Christ* - an evangelistic book explaining how to have a living connection with Jesus Christ . It covers the topics of repentance, confession, faith, acceptance, growing into Christ, and prayer. *Facts of Faith*  
TEACH  
Services, Inc.  
The Seventh-day Adventist

Church has become a truly global movement with almost twenty million members from diverse cultures and backgrounds; many of whom are unfamiliar with the history of God's leading and the prophetic ministry of Ellen White. While it does not attempt to provide the final answer for every question, Understanding Ellen White builds a foundation for interpreting her experience

with God and her ministry. Basic to any understanding of Ellen White is her own walk with God. Two golden threads weave throughout her life and experience and are central to who she was and what she accomplished: the love of God in Christ and a focus on Scripture. When these two principles are correctly understood and integrated in examining Ellen White's life and experience, then all other issues

addressed in this book are put in perspective. Perhaps the saddest reality regarding Ellen White's writings is that many dismiss them as irrelevant even before reading her work. A Kellogg's Corn Flakes advertisement from several years ago is apropos when applied to Ellen White's writings and ministry: whether you have lived with her writings your whole life or have never read her, the invitation is to "taste them again for the very first time." Book jacket.

[The Youth's Instructor Articles](#) Review and Herald Pub Assoc The Seventh-day Adventist prophet Ellen Gould Harmon White (1827-1915) wrote all her letters and manuscripts by hand. These holographs were edited and polished by her secretaries. They corrected her grammar and spelling, deleted and substituted words and rearranged sentences. The holographs are only available to scholars who receive permission to see them at Adventist church headquarters in Silver Spring, Maryland. But facsimiles of many of these holographs have been published in various books and research documents. This books explores those holographs and shows what sorts of

historical evidence can only be seen by examining those original documents. It also describes the revisions made after the first publication of some of her writings, most notably her first vision, her Testimonies for the Church and her book The Great Controversy. The historical evidence demonstrates that Ellen White's writings are not without errors and discusses the controversies that arose

between those who were correcting her writings and those who claimed she made no errors. They believed her inspired writings should not be changed at all. Country Living Page Publishing Inc In April, 1906 Ellen G. White was granted a vision foreseeing the destruction of the city of San Francisco. Two days later, an earthquake struck, leveling the city. Once again, Ellen G. White had somehow

seen into the future. Since girlhood, she had had more than 2,000 visions, revealing truths of religion, history, medicine and nutrition, often foreshadowing scientific discoveries yet to be made. Inspired by these visions and her sense of the presence of God, Ellen G. White worked throughout her life, first to help found the Seventh-day Adventist Church, then to spread its

word around the world. She lived to see it become one of the major religious forces of our time; and during her lifetime, wrote more than fifty books which have been translated into one hundred languages and sold in the millions of copies. All of this she accomplished in the face of dire poverty, with no formal schooling beyond the third grade. Rene Noorbergen's bestseller is a full and

fascinating portrait of a truly remarkable, yet strangely little-known woman. Counsels on Diet and Foods Oxford University Press, USA The Encyclopedia of Martin Luther and the Reformation is a comprehensive study of the life and work of Martin Luther and the movements that followed him—in history and through today. Entries explore Luther's contributions

to theology, sacraments, his influence on the church and contemporaries, his character, and more. Faith and Works Springer This explosive work contains a great deal of highly documented material on the life and movement of Ellen G. White that Adventists in general, to say nothing of the public, will not know. The book is not a classic psychobiography, although history and

psychology are the primary disciplines employed. It also contains a sprinkling of theology and personal reflection to make it a unique blend. The most striking evidence presented raises major questions about the prophet's mental and moral health. It is a must read for anyone who truly wants to understand Seventh-Day Adventism and its prophetic founder. A

devastating work. What Numbers and Rea started, your book will finish! —John Dart (1936-2019), longtime religion editor, Los Angeles Times I enjoyed the writing and the stories. The anecdotes you included enriched the content. Your writing was personal, and I think readers will feel that you are writing to them, and makes the book of increased value. There is the same question with

Joseph Smith. Why do people stay in the face of such documentation? What are the forces that keep them tied to source documentation of fraud? —Dr. Robert Anderson, psychiatrist, author, *Inside the Mind of Joseph Smith: Psychobiography and the Book of Mormon* I found the material fascinating, a powerful polemic! —Ronald Numbers, William Coleman professor of

History, University of Wisconsin-Madison, author, Prophetess of Health

**The Peacemaker**

TEACH Services, Inc. "A Sketch of the Christian Experience and Views of Ellen G. White" by Ellen G. White. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. *Steps to Christ* Review & Herald Publishing

In America, as in Britain, the Victorian era enjoyed a long life, stretching from the 1830s to the 1910s. It marked the transition from a pre-modern to a modern way of life. Ellen White's life (1827-1915) spanned those years and then some, but the last three months of a single year, 1844, served as the pivot for everything else. When the Lord failed to return on October 22, as she and other followers of

William Miller had predicted, White did not lose heart. Fired by a vision she experienced, White played the principal role in transforming a remnant minority of Millerites into the sturdy sect that soon came to be known as the Seventh-day Adventists. She and a small group of fellow believers emphasized a Saturday Sabbath and an imminent Advent. Today that flourishing denomination

posts twenty million adherents globally and one of the largest education, hospital, publishing, and missionary outreach programs in the world. Over the course of her life White generated 50,000 manuscript pages and letters, and produced 40 books that have enjoyed extremely wide circulation. She ranks as one of the most gifted and influential

religious leaders in American history, and Ellen Harmon White tells her story in a new and remarkably informative way. Some of the contributors identify with the Adventist tradition, some with other Christian denominations, and some with no religious tradition at all. Taken together their essays call for White to be seen as a significant figure in American religious

history and for understood context of her  
her to be her within the times.
