PRESTON FRANCIS

Adiyogi: The Source of Yoga Mulholland Books
 Historical novel on Shivaji Raja, 1627-1680, Maratha ruler.
[Shahenshah](#) Orient Paperbacks
 The Toll-House has a long and terrible history as a place of death. But Jack Barnes doesn't believe in spirits. His travelling companions, Messrs. Meagle, Lester, and White, wager that he might be convinced otherwise if they all spend a night together in the house. Four men go in, but will four come out? W. W. Jacobs was an English author, well-known for his story "The Monkey's Paw."
The Fourth Peshwa Jaico Publishing House
 'Shi-va' is 'that which is not', a primordial emptiness; Shiva is also the first-ever yogi, Adiyogi, the one who first perceived this emptiness. Adiyogi is symbol and myth, historic figure and living presence, creator and destroyer, outlaw and ascetic, cosmic dancer and passionate lover, all at once. A book like no other, this extraordinary document is a tribute to Shiva, the Adiyogi, by a living yogi; a chronicle of the progenitor of mysticism by a contemporary mystic. Here science and philosophy merge seamlessly, so do silence and sound, question and answer-to capture the unspeakable enigma of Adiyogi in a spellbinding wave of words and ideas that will leave one entranced, transformed.
[Chanakya: His Teachings and Advice](#) Isis Large Print Books
 Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafers about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtrian town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.
The Great Guerilla Simon and Schuster
 Translated from original Marathi by Indira Kher, this work is a verse composition containing the known facts about Shri Sai Baba's life at Shirdi, and also his teachings seeks to meet a long-felt need. This is the Bible of Sai devotes in every sense of the term, In it's veracity, sanctity, faith and devotion that it inspires and the deep satisfaction, a sense of fulfilment that it brings to the devotee, it has no equal. Its sanctity derives from the fact that its idea was conceived during Baba's lifetime and with his

blessings and express permission. For those unaware of Shri Sai Satcharita it is necessary to add that in the original it runs into 53 chapters and contains over 9,000 verses. Every chapter has a judicious mixture of philosophy, stories and anecdotes along with the Baba's teachings.

Rau - The Great Love Story of Bajirao Mastani Sterling Publications

In this book, philosopher Paul Brunton (1898-1981) encounters the mysteries and magic of Egypt in the 1930s, including an eerie yet illuminating night spent alone inside the Great Pyramid. Alongside his explorations of ancient Egypt's monuments and gods, Brunton encounters a variety of occultists, fakirs, and dervishes, and even manages to become initiated into the deadly art of snake charming. His frank interviews with Muslim leaders remain relevant today, and his description of the Hajj reflects the beauty and inspiring faith of Mohammad's true followers. Brunton's journey to discover the furthest reaches of what the mind and body are capable of--and to distinguish various forms of yoga and magic from true spirituality--lead him to the myth of Osiris and to the mystery that is the Sphinx itself. In the end, Brunton turns his attention to his own spiritual path, connecting all of his experiences into a single discovery: that we are more than the body and that the freedom of our spirit can be experienced here and now. This new edition has been updated to incorporate Brunton's final revisions and includes an introduction by the Paul Brunton Philosophic Foundation. "Paul Brunton was a great original and got to a place of personal evolution that illumines the pathways of a future humanity." --Jean Houston, author of *A Passion for the Possible* and *A Mythic Life* "Any serious man or woman in search of spiritual ideas will find a surprising challenge and an authentic source of inspiration and intellectual nourishment in the writings of Paul Brunton."--Jacob Needleman, author of *What is God?*

Helen-Alice Dear was only 15 when she left London to visit Bulgaria. Soon, she found herself unable to leave & struggling to survive. Her marriage to a Bulgarian man bore her four children. Despite the hardships, Helen refused to give up hope & managed to protect & raise her family. This is the tale of her courage & resilience.

The Shadows We Hide Simon and Schuster

"States fall, empires break up, dynasties become extinct, but the memory of a true "hero as King" like Shivaji remains an imperishable historical legacy..." - Jadunath Sarkar, House of Shivaji (1919) Shivaji Bhonsle was an Indian warrior king who went on to lay the foundation of the strong Maratha Empire. The first Chhatrapati, he is known to have outdone his predecessors as well as successors in giving an identity and status to Marathas.

A tactful military commander and skilled administrator, he steadily built his army from a mere two thousand soldiers to almost five-fold, and also developed a naval force. He defeated Afzal Khan and Adil Shah, giving strong resistance to the Mughal forces. From forming guerilla forces to immensely contributing in the development of the civilization of Marathas, he carved a niche in all spheres of operation. Shivaji: The Great Rebel explores the lifespan of Shivaji as an Indian king who instigated a new fire in the hearts of people against the Mughal Empire and taught them to fight for their rights. It highlights Shivaji as one of the prominent rulers to inspire people to fight for Hindu pride and raise their voice against cruelty. He stood up to guard and preserve the nation's honour, and is a great source of inspiration till date.

The Emperor of All Maladies Leftword Books

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

Shrimanyogi Routledge

The autobiography of Paramahansa Yogananda (1893 - 1952) details his search for a guru, during which he encountered many spiritual leaders and world-renowned scientists. When it was published in 1946 it was the first introduction of many westerners to yoga and meditation. The famous opera singer Amelita Galli-Curci said about the book: "Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years."

Yugandhar Harper Collins

The story of Yayati is perhaps one of the most intriguing and fascinating episodes of Mahabharata. Yayati was a great scholar and one of the noblest rulers of olden times. He followed the shastras and was devoted to the welfare of his subjects. Even the King of Gods, Indra, held him in high esteem. Married to seductively beautiful Devayani, in love with her maid Sharmishtha, and father of five sons from two women, yet Yayati unabashedly declares, 'My lust for pleasure is unsatisfied...' His quest for the carnal continued, sparing not even his youngest son, and exchanging his old age for his son's youth... Winner of the Jnanpith and Sahitya Akademi Awards.

[Shivaji and His Times](#) Harper Collins

Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmins or shudra ruler? Medieval marauder or builder of an empire?//Who was Shivaji?//This punchy, readable book provides a new perspective

on a popular hero of Indian history. After this, Shivaji will never be the same again. // Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.

Energy Centers of Transformation Rupa Publications India

Mrityunjaya, the Death Conqueror The Story of

Karna Yugandhar Karna The Great Warrior Harper Collins

Atlas of Medical Helminthology and Protozoology Biblioasis

An assessment of cancer addresses both the courageous battles against the disease and the misperceptions and hubris that have compromised modern understandings, providing coverage of such topics as ancient-world surgeries and the development of present-day treatments. Reprint. Best-selling winner of the Pulitzer Prize. Includes reading-group guide.

Dhīrubhāi Ambānī kī adbhūta kārya paddhati Popular Prakashan Pvt. Limited

When Shrimant Bajirao Peshwa, feared by even the mighty Mughals, hears the exquisite Mastani sing, the passion that sparks between them grows quickly into a raging fire. The Peshwa defies his orthodox Brahmin heritage, declaring his love openly for the half-Muslim dancer, in the face of fierce opposition. A man way ahead of his time, Bajirao causes outrage when he marries Mastani, bringing her into his home as his second wife. N.S. Inamdar's timeless tale, that has inspired both film and television, brings alive the romance, intrigue and valour of the eighteenth-century Maratha empire. This irresistible novel is one of India's favourite love stories.

The Life of Aurangzeb Jaico Publishing House

This is a new and fully revised edition of Jeffrey and Leach: Atlas of Medical Helminthology and Protozoology. Helminths (worms) and similar parasites are a major medical problem in much of the world and perhaps the largest single cause of morbidity and mortality (eg malaria, elephantiasis, trypanosomiasis). The diagnosis of these conditions still largely rests on the microscopic

examination of, for example, faeces. This atlas illustrates the different myriad of different organisms and how to identify them.

101 Inspiring Stories Katha

This is one of the many inspiring books from the renowned "Motivator" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read.

Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

Translating India North Atlantic Books

- Revised and expanded edition of the classic work on chakras by the renowned Indian scholar and tantra practitioner.
- Over 35,000 copies of the original edition sold.
- Includes full-color illustrations of the chakras to be used with the meditation exercises in the book and provides the tools necessary to activate these centers of transformative energy. In the ancient science of tantra, the human body is viewed as the most perfect instrument for the expression of consciousness, a perfection realized through the development of psychic centers known as chakras. Located within the cerebrospinal system, the chakras are the stage upon which the interaction between higher consciousness and desire is played out. Consequently, it is through understanding and utilizing the energies of the chakras that we ultimately reach an enlightened state of being. In Chakras, Indian scholar and tantra practitioner Harish Johari introduces the classical principles of the chakras as well as their practical application for today. In this expanded edition, complete with new art and text, he unfolds the

mysteries of these subtle centers of transformation with visualization techniques essential to a fully realized tantric practice. Unlike other books in its field, Chakras provides the tools to activate these centers of transformative energy and elevate one's intellectual knowledge to an experience of spiritual growth. Meditating on the beautiful, full-color illustrations of each chakra vitalizes the cerebrospinal centers and harmonizes the entire system both physically and psychically. Explanations of each chakra elaborate on the chakra's connection to elements, colors, sounds, sense and work organs, desires, planets and deities, as well as on behavioral characteristics and particular effects of meditation. For scholars and spiritual aspirants of every level, Chakras is an invaluable, practical source of information and techniques.

Shri Sai Satcharita HarperCollins Publishers India

The great Shivaji has inspired several generations. This book explains his strategy of war and why he succeeded in the face of conflict. Contains lessons for soldiers even today.

Shivaji His Life and Times Alpha Edition

'Who am I?' It was a question that had troubled him all his life. His whole life had seemed entangled in the answer. His dignity, his destination, his ambitions -- they all seemed linked to that entanglement. The irony was that the truth, instead of liberating him, had made him rudderless. In the Mahabharata, Karna is known to be the only warrior who could match Arjuna. Born of a god and a mother who abandons him at birth, Karna is mistreated from birth. Rejected by Drona, taunted by Draupadi, insulted by his blood brothers, misunderstood by many and manipulated even by the gods, Karna is the classic tragic hero. In his novel Radheya, Ranjit Desai, the author of Marathi classics like Shriman Yogi and Swami, gives voice to the angst and loneliness of Karna. Translated into English for the first time, the novel brings to surface the many sides to Karna's character: his compassionate nature, his hurt and hubris, the love for his wife, his allegiance to Duryodhana, and his complicated relationship with Krishna.
