A dramatic coming-of-age novel about a boy's divided loyalty: can Elwyn resist the pull of tradition as well as the allure of the new to forge his own path? As spring comes to Badfish Creek, the natural world bursts with life and excitement. But Elwyn is dreaming of a different change, of a place far away that he hasn't yet seen. Lured by urban life and all it has to offer - education, progress and opportunity - he doesn't think twice when his uncle invites him to stay in Liberty, a dazzling city he longs to call home. Yet soon Elwyn realizes that all that glitters is not gold: there is a sinister side to Liberty that he can't ignore, which threatens to erase his old way of life completely. With past and present pitted against one another, the path to Elwyn's future is cast in doubt - for change always comes at a price.

Recounts the author's

career as an award-winning recording engineer and highlights his work with Michael Jackson on his most influential albums. *Backfire Storms My Life* with Lindsey Buckingham and Fleetwood Mac "I hope that as you start praying the Psalms, you will feel His presence in all the things that you do and you will feel His guidance through both storms and long periods of waiting. I hope that you will see God as your life and breath instead of as your religion." The Psalms are among the most beautiful poems ever written, but sometimes they feel very far from us and our daily struggles and goals. In *Psalms for Trials: Meditations on Praying the Psalms* by Lindsey Tollefson, we see that the Psalms are not just pious words for the religious, but they are meant to be our prayers for every trial we face, just as they have been a comfort for generations of Christians before us, including King David and the Lord Jesus. The Psalms allow us to pour ourselves out in prayer to God and to receive the comfort that comes from the promises

found in His Word. This book includes forty-four bite-sized reflections on the Psalms, each ending with concrete recommendations on how to use the Psalms in your prayers and more importantly, how to live them out. After you have read this book, your prayers will never be the same again.

50 Years of Fleetwood Mac Villard Books

A thrilling and propulsive novel of an Antarctica expedition gone wrong and its far-reaching consequences for the explorers and their families "leaves the reader moved and subtly changed, as if she had become part of the story" (Hilary Mantel).

Remember the training: find shelter or make shelter, remain in place, establish contact with other members of the party, keep moving, keep calm. Robert 'Doc' Wright, a veteran of Antarctic surveying, was there on the ice when the worst happened. He holds within him the complete story of that night—but depleted by the disaster, Wright is no longer able to communicate the truth. Instead, in the wake of

the catastrophic expedition, he faces the most daunting adventure of his life: learning a whole new way to be in the world. Meanwhile Anna, his wife, must suddenly scramble to navigate the sharp and unexpected contours of life as a caregiver. From the Booker Prize-longlisted, American Academy of Arts & Letters Award-winning author of *Reservoir 13*, this is a novel every bit as mesmerizing as its setting. Tenderly unraveling different notions of heroism through the rippling effects of one extraordinary expedition on an ordinary family, *Lean Fall Stand* explores the indomitable human impulse to turn our experiences into stories—even when the words may fail us.

Rumours Exposed

"ONE CAT JUST LEADS TO ANOTHER." —Ernest Hemingway
Inspired by the true story of the famous six-toed felines of the Ernest Hemingway House in Key West, Florida—and the hurricane that nearly blew them away—*Hemingway's Cats* is a delightful novel full of romance, humor, and lots and lots and lots of cats . . . Laura Lange didn't come to Key West to fall in love. As a recent college grad—with a useless degree in English—she came to work at the

historic Hemingway home as a tour guide. Why not? She wrote her thesis on the iconic author. She has no other job offers. And she's desperate. Now Laura is falling desperately in love—with the fifty-four frisky felines who freely roam the estate. These descendants of Hemingway's original cat have not only stolen her heart—they're changing her life in ways she never imagined . . . First there's Nessie, the bushy-tailed "house mother" of the cats who seems to have adopted Laura, too. Then there's grumpy old Pawpa Hemingway; the cat thieves Chew-Chew and Whiskey; the big-pawed Boxer and Bullfighter; and dozens of darling kittens. The locals are lovable, too. Laura's having a great time with her boy-crazy bungalow roomies, the Crabb sisters, and especially the young, handsome cat keeper, Jake. But Laura's summer of fun is about to take an unexpected turn—a Category 5 hurricane is about to make landfall directly on their doorstep . . . They can't possibly evacuate fifty-four cats. So Laura, Nessie, and all of their friends decide to hunker down in the Hemingway House to

weather this storm—together. “Sweet, funny, and charming. You’ll fall in love with these adorable kitties and colorful Key West characters.” —MELINDA METZ, bestselling author of *Talk to the Paw*
Playing in the Rain: Lindsey Buckingham & Fleetwood Mac Sterling Publishing Company Incorporated
 “After forty-six years of being on the road, this is the right time to look back in a way I've never done before: now and then. This is the story of my life in rock and roll -- and how the band that has meant everything to me came to define me. I'm looking forward to sharing it with you.” Mick Fleetwood has been a member of the ever-evolving Fleetwood Mac, one of the world's most successful and adored bands, for over four decades. Here he tells the full and candid story of his life as one of music's greatest drummers and bandleaders, the cofounder of the deeply loved supergroup that bears his name and that of his bandmate and lifelong friend John McVie. In this intimate portrait of a life lived in music, Fleetwood vividly recalls his upbringing tapping

along to every song playing on the radio, his experiences as a musician in '60s London, and the earliest permutation of the band featuring Peter Green. *Play On* sheds new light on Fleetwood Mac's raucous history, describing the highs and lows of being in the band that Fleetwood was determined to keep together. Here he reflects on the creation of landmark albums such as *Rumours* and *Tusk*, the great loves of his life, and the many incredible and outrageous moments of recording, touring, and living with Fleetwood Mac. Fleetwood describes these moments with honesty and immediacy, taking us to the very heart of this multilayered journey that has always been anchored in music. Through it all, from intense love to plaintive heartaches, from collaborations to confrontations, it's been the drive to play on that has prevailed. Now, then, and always, it's Fleetwood Mac.

 This collection of interviews across the entirety of Fleetwood Mac's career features articles from many celebrated publications as well as interviews that

have never previously appear in print. Edited by Sean Egan, *Fleetwood Mac On Fleetwood Mac* is a fascinating insight into an era-defining rock band. Fleetwood Mac was a triumph from the beginning - their first album was the UK's bestselling album of 1968, and their 1977 album 'Rumours' became one of history's immortals, a true classic that remained in the charts for years and public affection forever. In the press, the ethereal Californian Stevie Nicks, the tormented rocker Lindsey Buckingham, the dignified English rose Christine McVie, the blunt-speaking John McVie, and the loquacious Mick Fleetwood have all regularly been astoundingly candid. In *Fleetwood Mac On Fleetwood Mac*, readers will learn the Fleetwood Mac story from the band members' own mouths, and experience it contemporaneously rather than through hindsight. Editor Sean Egan is an author and journalist who has interviewed members of Fleetwood Mac, the Beach Boys, the Beatles, Led Zeppelin and many others.

violinist Lindsey Stirling shares her unconventional journey in an inspiring New York Times bestselling memoir filled with the energy, persistence, and humor that have helped her successfully pursue a passion outside the box. A classically trained musician gone rogue, Lindsey Stirling is the epitome of independent, millennial-defined success: after being voted off the set of America's Got Talent, she went on to amass more than ten million social media fans, record two full-length albums, release multiple hits with billions of YouTube views, and to tour sold-out venues across the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has experienced until now, Lindsey shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with

anorexia, and finally, success as a world-class entertainer. Lindsey's magnetizing story—at once remarkable and universal—is a testimony that there is no singular recipe for success, and despite what people may say, sometimes it's okay to be The Only Pirate at the Party.

Life Among the Emperors
Rowman & Littlefield
The full story of the rise and spectacular comeback of the band hailed as the saviors of punk rock and the next U2. It's hard to believe that in early 2004 Green Day was considered over--the band was still together, but they were dismissed as a strictly 90s phenomenon, incapable of re-creating the success of their groundbreaking album *Dookie*. Then *American Idiot* debuted at #1 on the Billboard charts, stayed on the charts for nearly 18 months, and went on to sell more than four million records and to win Record of the Year (for "Boulevard of Broken Dreams") at this year's Grammy's. Combining unique access to Green Day with a seasoned journalist's nose for a great story, Marc Spitz gives the complete account of the band, from their earliest days to their most recent explosion of

popularity and critical acclaim. Foremost, *Nobody Likes You* is a story of friendship and the transporting power of playing very loud music. It is the story of how high school dropout Billie Joe Armstrong came to write song lyrics that inflamed the political conscience of fans in a way that two Yale graduates couldn't. Green Day's story--from rise, to fall, to rise again--has never before been fully told.
