A Little Book

of Happiness

Pearson

Robin

Hemley's

childhood

made a

wedgie of his

memory,

leaving him

sore and

embarrassed

for over forty

years. He was the most pitiful kindergartner, the least spirited summer camper, and dateless for prom. In fact, there's nary an event from his youth that couldn't use improvement. If only he could do them all over a few decades later, with an adult's wisdom, perspective, and giant-like height . . . In the spirit of cult film classics like *Billy Madison* and *Wet Hot American Summer*, in *Do-Over!*

Hemley reencounters papier-mâché, revisits his childhood home, and finally attends the prom -- bringing readers the thrill of recapturing a misspent youth and discovering what's most important: simple pleasures, second chances, and the forgotten joys of recess. **Bartlett's Book of Anecdotes** Little, Brown #1 NEW YORK TIMES BESTSELLER • When we deny our stories,

they define us. When we own our stories, we get to write the ending. Look for Brené Brown's new podcast, *Dare to Lead*, as well as her ongoing podcast *Unlocking Us!* Social scientist Brené Brown has ignited a global conversation on courage, vulnerability, shame, and worthiness. Her pioneering work uncovered a profound truth: Vulnerability—the willingness to

show up and be seen with no guarantee of outcome—is the only path to more love, belonging, creativity, and joy. But living a brave life is not always easy: We are, inevitably, going to stumble and fall. It is the rise from falling that Brown takes as her subject in *Rising Strong*. As a grounded theory researcher, Brown has listened as a range of people—from leaders in Fortune 500

companies and the military to artists, couples in long-term relationships, teachers, and parents—shared their stories of being brave, falling, and getting back up. She asked herself, What do these people with strong and loving relationships, leaders nurturing creativity, artists pushing innovation, and clergy walking with people through faith and mystery have in

common? The answer was clear: They recognize the power of emotion and they're not afraid to lean in to discomfort. Walking into our stories of hurt can feel dangerous. But the process of regaining our footing in the midst of struggle is where our courage is tested and our values are forged. Our stories of struggle can be big ones, like the loss of a job or the end of a relationship,

or smaller ones, like a conflict with a friend or colleague. Regardless of magnitude or circumstance, the rising strong process is the same: We reckon with our emotions and get curious about what we're feeling; we rumble with our stories until we get to a place of truth; and we live this process, every day, until it becomes a practice and creates nothing short of a revolution in our lives.

Rising strong after a fall is how we cultivate wholeheartedness. It's the process, Brown writes, that teaches us the most about who we are. ONE OF GREATER GOOD'S FAVORITE BOOKS OF THE YEAR "[Brené Brown's] research and work have given us a new vocabulary, a way to talk with each other about the ideas and feelings and fears we've all had but haven't quite

known how to articulate. . . . Brené empowers us each to be a little more courageous."

Can you fall in love for the first time twice? A recently widowed woman is about to find out when she wakes up and finds herself eighteen again in this "highly entertaining"

story of second chances (Guardian) by the star of Peep Show Kate's husband Luke -- the man she loved from the moment she met him twenty-eight years ago -- died suddenly. Since then she has pushed away her friend and lost her job, and everything is starting to fall apart. One day, she wakes up in the wrong room and in the wrong body. She is eighteen again but remembers

everything. This is her college room in 1992 on the first day of orientation. And this is the day she meets Luke. Kate knows how he died, and that he's already ill. But Luke is not the man that she lost: he's still a boy -- the annoying nineteen-year-old English student she first met. If they can fall in love again despite everything, she might just be able to save him. She's going to try to do everything

exactly the same . . .

Everyone in

Clade City knows their days are numbered. The Great Cascadia Earthquake will destroy their hometown and reshape the entire West Coast—if they survive long enough to see it. Nuclear war is increasingly likely. Wildfires. Or another pandemic. To Griff, the daily forecast feels partly cloudy with a chance of apocalyptic horsemen. Griff's brother, Leo, and the Lost Coast Preppers

claim to be ready. They've got a radio station. Luminous underwater monitors. A sweet bunker, and an unsettling plan for "disaster-ready rodents." But Griff's more concerned about what he can do before the end times. He'd like to play in a band, for one. Hopefully with Charity Simms. Her singing could make the whole world stop. When Griff, Leo, and Charity stumble upon

a mysterious late-night broadcast, one song changes everything. It's the best band they've ever heard—on a radio signal even the Preppers can't trace. They vow to find the music, but aren't prepared for where their search will take them. Or for what they'll risk, when survival means finding the one thing you cannot live without.

Random House Books for Young Readers "A love story for the ages" from # 1 New York Times bestselling author Kate Fagan comes an unforgettable story about basketball and the enduring bonds between a father and daughter that "will heal relationships and hearts." (Glennon Doyle) Kate Fagan and her father forged their relationship on the basketball

court, bonded by sweaty high fives and a dedication to the New York Knicks. But as Kate got older, her love of the sport and her closeness with her father grew complicated. The formerly inseparable pair drifted apart. The lessons that her father instilled in her about the game, and all her memories of sharing the court with him over the years, were a distant memory. When Chris Fagan was

diagnosed with ALS, Kate decided that something had to change. Leaving a high-profile job at ESPN to be closer to her mother and father and take part in his care, Kate Fagan spent the last year of her father's life determined to return to him the kind of joy they once shared on the court. All the Colors Came Out is Kate Fagan's completely original reflection on the very specific bond

that one father and daughter shared, forged in the love of a sport which over time came to mean so much more. Studded with unforgettable scenes of humor, pain and hope, Kate Fagan has written a book that plumbs the mysteries of the unique gifts fathers gives daughters, ones that resonate across time and circumstance.

#1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, "If we want to find the way back to ourselves and one another, we need language and the grounded confidence to

both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." In Atlas of the Heart, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a

universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown’s extensive research into the experiences

that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. Atlas of the Heart draws on this research, as well as on Brown’s singular skills as a storyteller, to show us how accurately naming an experience doesn’t give

the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, “I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves.”
