Vespasian 1-3

Headline

Rome under Nero is a dangerous place. His cruel artistic whims border on madness, and any man who dares rise too high has his wings clipped, with fatal results. For one

family, Nero's whims mean either promotion or destruction. While his uncle Vespasian goes off to put down a rebellion in Judea, Titus Flavius Sabinus struggles to walk the perilous line between success and notoriety as he climbs Rome's ladder. When Nero is impaled on his own artistry, the whole world is thrown into

chaos and Sabinus must navigate shifting allegiances and murderous alliances as his family tries to survive the year of the Four Emperors. The second novel in the Colossus series. Daughters of Rome Orion Children's Books One man's greatest victory. Rome's greatest defeat. A.D. 9: In the depths of the Teutoburg Wald, in a landscape riven by ravines, darkened by ancient oak and bisected by fast-flowing streams, Arminius of the Cherusci led a confederation of six Germanic tribes in the annihilation of three Roman legions. Deep in the forest almost twenty thousand men were massacred without mercy; fewer than two hundred of

them ever made it back across the Rhine. To Rome's shame, three sacred Eagles were lost that day. But Arminius wasn't brought up in Germania Magna - he had been raised as a Roman. This is the story of how Arminius came to turn his back on the people who raised him and went on to commit a betrayal so great and so deep, it echoed through the ages.

Vespasian must fight to save his brother's life and find the Eagle of the Seventeenth.

The Silver Pigs

Thames & Hudson

One man, born in rural obscurity, destined to become one of Rome's greatest Emperors 26 AD: 16-year-old Vespasian leaves his family farm for Rome, his sights set on finding a patron and following his brother into the army, but he discovers a city in turmoil and an Empire on the brink. The aging emperor Tiberius is in seclusion on Capri, leaving Rome in the iron grip of Sejanus, commander of the Praetorian Guard. Sejanus is ruler of the Empire in all but name, but many fear that isn't enough for him. Sejanus' spies are everywhere—careless

words at a dinner party can be as dangerous as a barbarian arrow. Vespasian is totally out of his depth, making dangerous enemies (and even more dangerous friends—like the young Caligula) and soon finds himself ensnared in a conspiracy against Tiberius. With the situation in Rome deteriorating, Vespasian flees the city to take up a position as tribune in an unfashionable legion on the Balkan frontier. Even here, rebellion is in the air and unblooded and inexperienced, Vespasian must lead his men in savage battle with hostile mountain tribes. Vespasian will soon realize that he can't escape Roman politics any more than he can

escape his destiny.
Hadrian and the Triumph of Rome
Atlantic Books
As Emperor Nero casts his madness over Rome, a loyal soldier is caught in a conspiracy that threatens the empire in this historical epic. Rome, 68 AD: The tyrant emperor Nero has no heir, and whispers of rebellion are spreading fast. As Rome faces the possibility of becoming a republic once more, the ambitions of a few are about to bring untold corruption, chaos, and bloodshed. Aulus Caecina Severus, hero of the campaign against Boudica, has become part of a conspiracy to overthrow Caesar's dynasty. But is it really all for the good of Rome? The boundary between service and

self-preservation is far from clear, and navigating this dangerous path requires all Severus' skills: as a cunning soldier and, increasingly, a deft politician. As the Year of the Four Emperors unfolds, the mighty Roman empire will be plunged into anarchy and civil war . . .
Rome's Lost Son
Atlantic Books
Rome's Vengeance In the year A.D. 9, three Roman Legions under Quintilius Varus were betrayed by the Germanic war chief, Arminius, and destroyed in the forest known as Teutoburger Wald. Six years later Rome is finally ready to unleash Her vengeance on the barbarians. The Emperor Tiberius has sent his adopted son, Germanicus Caesar,

into Germania with an army of forty-thousand legionaries. The come not on a mission of conquest, but one of annihilation. With them is a young legionary named Artorius. For him the war is a personal vendetta; a chance to avenge his brother, who was killed in Teutoburger Wald. In Germania Arminius knows the Romans are coming. He realizes that the only way to fight the legions is through deceit, cunning, and plenty of well-placed brute force. In truth he is leery of Germanicus, knowing that he was trained to be a master of war by the Emperor himself. The entire Roman Empire held its collective breath as Germanicus and Arminius faced each other in what would

become the most brutal and savage campaign the world had seen in a generation; a campaign that could only end in a holocaust of fire and blood.

(Eagles of the Empire
1) Atlantic Books

A fast-paced historical novel about two women with the power

to sway an empire, from the New York Times and USA Today bestselling author of The Alice Network and The Briar Club. A.D. 69. The Roman Empire is up for the taking. Everything will change—especially the lives of two sisters with a very personal stake in the outcome. Elegant and ambitious, Cornelia embodies the essence of the perfect Roman wife. She lives to one day see her loyal husband as Emperor. Her sister Marcella is more aloof, content to witness history rather than make it. But when a bloody coup turns their world upside-down, both women must maneuver carefully just to stay alive. As Cornelia tries to pick up the pieces of her shattered dreams,

Marcella discovers a hidden talent for influencing the most powerful men in Rome. In the end, though, there can only be one Emperor...and one Empress.

A Book of Golden Deeds Atlantic Books
 Born and bred in what is now northern Spain to a family of olive-oil magnates, Hadrian was lucky enough to benefit from the patronage of

his maternal cousin, Trajan, who would later become emperor, and who named Hadrian his successor on his death in AD 117. After suppressing the Jewish revolt that had started under Trajan (memorably depicted in Josephus' Jewish War), Hadrian brought years of turbulence to an end. He presided over Rome's expansion to its greatest extent, travelling all over his empire to fortify its borders and, notably, building a wall to demarcate its northern extreme in the island of Britain (as well as another in Germany). Hadrian also 'Hellenized' the cultural life of the empire, and left an extraordinary legacy, yet he remains one of the least-known of Rome's emperors. Using exhaustive

research, Anthony Everitt unveils the private life and character of this most successful of emperors, in the most vivid and exciting retelling of his story to date.

Flavia Gemina is brilliant at finding things, so it's natural for her to solve mysteries. The daughter of a ship's captain living in Ostia, the port of Rome, in AD79, she acquires a gang of three friends who help her. There is Jonathan, the Jewish boy (and secretly a Christian); Nubia, the African slave girl; and Lupus, a mute beggar boy. Together they work out who severed the heads of the watchdogs that guard people's homes, and

why he did it. Caroline Lawrence is a terrific storyteller and a delightfully readable and accessible writer with characters that children will relate to. Her picture of daily life in Ancient Rome is wonderfully vivid. But *THE THIEVES OF OSTIA* is first and foremost a whodunnit, with lots of twist and cliffhangers and a mystery for the reader to solve.

A hero is forged in

battle and a legend is born in this second installment in the Vespasian series Thracia, AD30: Even after four years of military service at the edge of the Roman world, Vespasian can't escape the tumultuous politics of an Empire on the brink of disintegration. His patrons in Rome have charged him with the clandestine extraction of an old enemy from a fortress on the banks of the Danube before it falls to the Roman legion besieging it. Vespasian's mission is the key move in a deadly struggle for the right to rule the Roman Empire. The man he has been ordered to seize could be the witness that will destroy Sejanus, commander of the Praetorian Guard, and

ruler of the Empire in all but name. Before he completes his mission, Vespasian will face ambush in snowbound mountains, pirates on the high seas, and Sejanus's spies all around him. But by far the greatest danger lies at the rotten heart of the Empire, at the nightmarish court of Tiberius, Emperor of Rome and debauched, paranoid madman.

'This may be the greatest tale of the

ancient world. Hugely enjoyable' CONN IGGULDEN An empire in turmoil. A throne for the taking. Alexander the Great's sudden and unexpected death has left the largest, most formidable empire the world has ever seen leaderless. As the fight to take control descends into ruthless scheming and bloody battles, no one - man, woman or child - is safe. As wars on land and sea are lost and won, and promises are made only to be broken, long-buried secrets come to light in the quest for the true circumstances surrounding Alexander's death. Was he murdered, and if so by whom? Could he have been sowing the seeds of discord deliberately, through his refusal to name an

heir? And who will eventually ascend to power at the helm of the empire - if it manages to survive that long? Can one champion vanquish all...? 'An excellent new series by the consistently brilliant Robert Fabbri' Sunday Sport
Rome's Executioner Macmillan
 Britannia, 45 AD: In the shadow of Stonehenge, Vespasian's brother, Sabinus, is captured by druids. The druids want to offer a potent sacrifice to their gods - not just one Roman Legate, but two. They know that Vespasian will come after his brother, and they plan to sacrifice the siblings on a summer's day. But to whom will they be making this sacrifice? What were the gods of this land

before the Celts came? Only the druids still hold the secret and it is one of pure evil.

Vespasian must strive to save his brother whilst completing the conquest of the haunted isle, before he is drawn inexorably back to Rome and the heart of Imperial politics. Claudius' three freedmen remain at the locus of power. As Messalina's time as Empress comes to a bloody end, the three freedmen each back a different mistress. But which woman will be victorious? And at what price for Vespasian?

King Jesus Atlantic Books

A vibrant portrait of a lost world, 'Lives of the Romans' reveals the mightiest civilization of antiquity through the eyes of 100 of its citizens. The book

gives a voice not just to Rome's most famous generals and rulers, such as Caesar and Caligula, but also to her builders and sculptors, her poets, historians, gladiators, shepherds, slaves and courtesans. Exploring every level of society and using the latest archaeological evidence as well as ancient texts, the authors build up a picture of what it meant to be a Roman citizen.
