Chuck Tingle is a world-
renowned master of the
'tingler'; a story so
sensual, so erotic, and so
powerfully gay that it will
change the whole way
you look at erotic
romance literature.
Collected here are three
such tales of the dinosaur
variety. Are you ready to
depart on a depraved
journey of gay lust that
will tingle you to your
very core? If so, than this
explicit collection is for
you. DOMALD TROMP
POUNDED IN THE BUTT BY
THE HANDSOME RUSSIAN
T-REX WHO ALSO PEED
ON HIS BUTT AND THEN
BLACKMAILED HIM WITH
THE VIDEOS OF HIS BUTT
GETTING PEED
ON Millionaire real estate
tycoon Domald Tromp
was born into wealth and,
because of this, he's
grown thirsty for
something more from life;
something a little darker,
a little weirder, a little
more taboo. To satiate
these cravings of the
forbidden, Domald has
embarked on one of his
usual trips to Russian.

Little does he know that
this particular vacation
will change his life
forever. Followed around
by a camera crew from
the Buttz Carlton Hotel,
Domald turns Moscow
upside down; sampling
some illegal unicorn horn
cuisine and hiring a
handsome gay T-Rex
prostitute. But when
Domald suggests the
handsome dinosaur pee
on his butt, a political
scandal begins to unfold
unlike anything in the
history of hardcore anal
pounding! SLAMMED IN
THE BUTT BY THE
PREHISTORIC
MEGALODON SHARK AMID
ACCUSATIONS OF
JUMPING OVER HIM After
Morn Mince has a little too
much chocolate milk at
dinner, he suddenly finds
himself waking up with a
splitting headache and no
recollection of what
happened the night
before. Unfortunately, the
last place he remembers
heading was towards the
waterfront, and the daily
news has reports of an
unknown man repeatedly
jumping over a prehistoric
Megalodon shark in the
bay (which was funny at
first, but now the jump is
getting old). Suddenly a
wanted man, Morn heads
down to talk to the
ancient Carcharodon
Megalodon himself, a

handsome brain surgeon
sea beast named Perks
Yono. At first, Morn is
simply trying to avoid the
standard shark jumping
punishment of cultural
exile, but soon enough
him and Dr. Yono begin to
realize that what defines a
jump is in the eye, and
butt, of the beholder. Of
course, all of this
culminates in a hardcore
anal pounding that will
shake you to your very
core. BUTT BUTT LAND:
RYAN GOSLINS AND THE
CITY OF BUTTS Feeling
defeated after a
particularly bad meeting
with his writing agent,
Horpin finds himself
wandering home through
Hollywood, the city of
butts. Life is hard when
you're living in a musical,
especially when all you
want to write is erotica,
and Horpin has learned
this the hard way. But
when Horpin hears a
beautiful song drifting out
from inside a nearby jazz
club, he has no idea that
his life is about to change
forever. Soon enough,
Horpin finds himself on a
runaway romance with
Ryan Goslins, a bad boy
musician T-Rex who is
about to show him that
musicals and butt
pounding can coexist. Now
locked in the troughs of
passion, Horpin and Ryan
are about to show

Hollywood that love between a dinosaur and a man is as real as it gets, with a show stopping dance number that will have you hard as rocks and begging for more. *Sentient Lesbian Food Gets Me Off The Dishes Are Done, Man!*

Sporting events at the Billings Community Center are ending in angry outbursts, and in the woods nearby, sightings of The Manifested Concept Of Rage are becoming more and more frequent. Could the two be related? An entrepreneur moves to Montana and opens up a petting zoo for creatures of The Void. They claim the cages are secure, but when a big storm rolls into Billings some of the creatures escape. Was this their plan all along? Your reverse twin shows up with a mysterious box, looking for a place to stay. Strange noises are heard from the basement of the Billings Library at night. These adventures and more await you in *The Tingleverse: The Official Chuck Tingle Role-Playing Game*, which thrusts you directly into the middle of your very own Chuck Tingle story. This rulebook contains everything a group of buckaroos will need, including four

playable types (bigfoot, dinosaur, human, and unicorn), five trots (bad boy, charmer, sneak, true buckaroo, and wizard), several unique ways, as well as hundreds of cool moves that are specially crafted for each unique play style. Within these 270+ pages you will also find various magical items and a menagerie of monsters, ranging from pesky Void crabs to this villainous Ted Cobbler himself. The only question left is: what are you waiting for? The adventure begins now!

Which is why, when his teacher asks what happened to last night's math assignment, Rod has to give the only answer he can: "Aliens ate my homework, Miss Maloney!" Of course, no

one believes Rod this time, so they don't bother to ask him why the aliens are here. It's just as well, since he is sworn to silence about their secret mission and the fact that he has been drafted to help them!

together. He's going to teach Leigh, this "Touchdown Queen," about a side of Gronk she's never experienced before... whether she want to learn it or not! It is a lesson that will make Leigh squirm with pain and with pleasure. Leigh cries out! But is it with ecstasy she cries out? Is she starting to like what Chad has to offer? Complicating things? With Dan? With Gronk? With her etsy store? With her very soul? Really, how many times in life has the sequel been better than the original? Well, let me tell you: THIS is one of those times. "A Gronking to Remember 2: Chad Goes Deep in the Neutral Zone" is so dark and twisted, so devious, so hot and thought-provoking, so full of plot twists and surprises, it makes the first book in the series, the best-selling "A Gronking to Remember," look like A PIECE OF SHIT. So read what everyone is talking about. The saga continues! And have no reservations: "Chad Goes Deep in the Neutral Zone" is no sophomore slump... It is a verified sophomore SLAM. Warning: Contains some sexually graphic scenes as well as the misuse of American footballs that will leave

Toby's getting married! Now in paperback, the fifteenth novel of the Hugo-nominated, New York Times-bestselling October Daye urban fantasy series. It's hard to be a hero. There's always something needing October "Toby" Daye's attention, and her own desires tend to fall by the wayside in favor of solving the Kingdom's problems. That includes the desire to marry her long-time suitor and current fiancé, Tybalt, San Francisco's King of Cats. She doesn't mean to keep delaying the wedding, it just sort of...happens. And that's why her closest friends have taken the choice out of her hands, ambushing her with a court wedding at the High Court in Toronto. Once the High King gets involved, there's not much even Toby can do to delay things... except for getting involved in stopping a plot to overthrow the High Throne itself, destabilizing the Westlands entirely, and keeping her from getting married through nothing more than the sheer volume of chaos it would cause. Can Toby save the Westlands and make it to her own wedding on time? Or is she going to have to choose one over the

other? Includes an all-new bonus novella!

Chuck Tingle, a writer who defined a generation with his sensual brand of homoerotic thriller, is back with a three-book collection that has been heralded by Death And Taxes Magazine as "a transhumanist masterpiece." What begins as the simple story of a man's true love for a gay unicorn sailor quickly evolves into something else entirely, each tale pulling farther and farther out to reveal a breathtaking glimpse at the greatest author of our time. Like a butt within a butt within butt, this trilogy will have your perception of time and space turned completely upside down in total buttcaption. Welcome to the future of

literature. ANALLY YOURS, THE UNICORN SAILOR Out for a stroll after breaking up with his girlfriend, Tuck never could have imagined that he would meet the love of his life in the form of a gay unicorn sailor named Hunter, but that's exactly what happens. The two share a romantic evening until it's revealed that Hunter is about to embark on a year long sail around the world. However, their love remains strong in a series of explicit letters. But Hunter is planning something that will redefine the meaning of love between a man and a unicorn. Soon Tuck finds himself whisked away to the Bahamas on a private helicopter for a hardcore, anal surprise that will have your jaw on the
