Duty Or Desire (Mills & Boon Desire) (The Westmoreland Legacy, Book 5) Prabhat Prakashan
Let New York Times bestselling author Judith

McNaught who “is in a class by herself” (USA TODAY) sweep you off your feet and into another time with her sensual, passionate, and spellbinding historical romance classics, featuring her “unique magic” (RT Book Reviews). In this unforgettable romantic adventure, a teacher of

wealthy young ladies finds her life changed forever when she travels from the wilds of America to elegant London. Sheridan Bromleigh is hired to accompany one of her students, heiress Charise Lancaster, to England to meet her fiancé. But when her charge elopes with a stranger, Sheridan wonders how she will ever

explain it to Charise's intended, Lord Burleton. Standing on the pier, Stephen Westmoreland, the Earl of Langford, assumes the young woman coming toward him is Charise Lancaster and reluctantly informs her of his inadvertent role in a fatal accident involving Lord Burleton the night before. And just as the young woman is about to speak, she steps into the path of a cargo net loaded with crates. Sheridan awakens in Westmoreland's mansion with no memory of who

she is; the only hint of her past is the puzzling fact that everyone calls her Miss Lancaster. All she truly knows is that she is falling in love with a handsome English earl, and that the life unfolding before her seems full of wondrous possibilities. What He Wants for Christmas Harlequin He's game for a month of sun and fun, but this prince must never fall in love... Delaney Westmoreland is ready for some peace of mind after graduating from medical school. After eight years

of nonstop studying, she's more than earned a month at her cousin's secluded, luxurious cabin. Unfortunately, it's already occupied! The good news: the stranger is drop-dead gorgeous. The bad news: all he wants is to put her luggage back in the car so she can leave immediately. Not going to happen. Jamal Ari Yassir had just settled into his friend's cabin when spitfire Delaney drove up. When he demands she leave, she simply picks up her luggage and moves into one of the spare

bedrooms. Given how absolutely gorgeous she is, avoiding temptation will be sheer hell... and it's not long before he gives in. But when their month together draws to a close, what's a sheikh to do when his short-term fling has become so much more? Originally published in 2002 [Longing for Life](#) Silhouette Your Christmas wish come true! Enjoy this touching classic by New York Times bestselling author Brenda Novak, originally published as Just Like the Ones We Used to Know in

the 2006 anthology Once Upon a Christmas. Angela Forrester's foster child Kayla has just one wish for Christmas...to meet her real dad. Angela is determined to ensure Kayla gets her wish, even though Matt Jackson has no idea he has a child at all. When Angela meets Matt, she doesn't have a chance to tell him about his little girl before sparks instantly fly between them, complicating matters. Will he turn tail and run when he learns the truth, or will he be the man and father they

always dreamed of? **Miracles** Harlequin Discover the sensual and sweeping power of love in New York Times bestselling author Judith McNaught's contemporary romances that will make "you laugh, cry, and fall in love again" (RT Book Reviews)—now available for the first time on ebook. When multinational tycoon Cole Harrison approaches her on a moonlit balcony at the White Orchid Charity Ball, Diana Foster has no idea how life-changing the night ahead will be. The

most lavish social event of the Houston season had brought out Texas aristocracy in glittering array but Diana only agreed to attend to save face after reading about her fiancé leaving her for an Italian heiress in a sleazy gossip magazine. Her Beautiful Living magazine is her family's success story, and Diana knows that as a single, childless, and suddenly unengaged woman, she is not living up to its lucrative image of upscale domestic tranquility. But when she spots the pride

of Dallas billionaires, Cole Harrison, closing in on her with two crystal flutes and a bottle of champagne, she has no idea that he has ulterior motives for seducing her tonight. And he certainly has no idea that a match made in what he considers logic's heaven might be headed straight for an unexpected, once-in-a-lifetime love. "Judith McNaught once again works her unique magic in this charming, sparkling romance" (RT Book Reviews, 4 stars). [Texas Wild](#) Harlequin
