#### **Living the Mystery of Marriage**

InterVarsity Press  
General Principles of Sacramental Theology addresses a current lacuna in English language theological literature. Bernard Leeming's highly respected book Principles of Sacramental Theology was published more than sixty years ago. Since that time, there has been a noted decrease, especially in English language sacramental theology, in treatments of the basic topics and principles – such as the nature of the sacraments of signs, sacramental grace, sacramental character, sacramental causality, sacramental intention, the necessity and number of the sacraments, sacramental matter and form, inter alia – which apply to all of the sacraments. This book will be of use in seminary, graduate, and undergraduate courses. The sacraments play an irreplaceable role in pursuing a Universal Call

to Holiness that is so central to Vatican II's teaching. *Sacramental Theology* Paraclete Press  
Christians tend to divide into three camps: evangelical, sacramental, and pentecostal. But must we choose between them? Drawing on the New Testament, Christian history, and years of experience in Christian ministry, Gordon T. Smith argues that the church not only can be all three, but in fact must be all three in order to truly be the church.

Understanding the Sacraments Liturgical Press

David A. deSilva uses the principles of spiritual formation as an entryway into the Book of Common Prayer. His book explores how Christians can be spiritually formed by the sacraments of baptism, Eucharist, marriage and last rites.

*The Sacraments* Servant Books

Aiming at bringing to today's reader the legacy of Archbishop Sheen's knowledge, this present collection of writings consists of two of Sheen's most memorable books on the sacraments and matrimony. Many will

agree that this book should be required reading for every engaged couple, but it also serves as a great resource in understanding the meaning of marriage for all couples providing them with great insights and tried-and-true spiritual strategies.

*Homilies on the Church's Sacraments* CUA Press

Some of the most important and necessary building blocks of human life are so often taken for granted: water, air, fire, food. . . . We live each day without any sense of gratitude for these blessings that sustain our physical life. And so it is for our spiritual life. The sacraments are the very lifeblood of our soul, yet in the midst of our busy lives, we can fail to understand their power and importance. Without them, we are spiritually dead. With them, the very life of God runs through us. In this new book from Fr. Matthew Kauth, the Church's seven sacraments are presented in such a way that no reader will ever again take them for granted. Fr. Kauth brilliantly illuminates not only the scriptural foundation and profound spiritual realities

of each sacrament but also the necessity of each as a means to living a happy and fulfilled life that leads to heaven. Highlights include: How the sacraments are anchored in the life and death of Jesus and are the medium through which he pours his life into our souls. Discovering the purpose, meaning, and symbolism behind the matter of the sacraments: water, bread, oil, wine. Understanding how Christ administers his sacraments through human hands and what our own role is in receiving them. How Mary's strength and fortitude, attributes we don't normally attribute to her, are a model for Confirmation. An expert dissection of the instrumentality, effects, elements, character, and fruits of each sacrament. How the sacrament of marriage reaches all the way back to Genesis but finds its full meaning in the passion of Jesus. Christ told us, "Where your treasure is, there will your heart be also." Stop searching for the treasures of this world that only leave your heart empty, but instead, welcome the treasures he is waiting to give you . . . the treasures of his divine

life.

### **Baptism, Confirmation, Eucharist**

LiturgyTrainingPublications

This product contains 79 bulletin inserts, which unpack various aspects and customs of the different sacramental rites.

### **Discovering the Treasures of Divine Life**

Doubleday Books

The essays in this volume explore three areas in which St. Thomas Aquinas's voice has never fallen silent: sacred doctrine, the relationship of sacraments and metaphysics, and the central role of virtue in moral theology.

### **Sacraments & Sacramentality**

Liturgical Press

What does consumerism have to do with the sacraments? We live in cultures where our senses of meaning, identity, and purpose are often found in what we purchase. Apart from the question of hedonism, there is the question of how we orient ourselves in an environment in which we end up marketing our very selves. In this book, Timothy Brunk examines how this consumer culture has had a corrosive effect on the seven sacraments of the Catholic Church. He

also assesses how sacramental worship can provide resources for responsible Christian discipleship in today's consumer culture.

Grace Into Action Saint Mary's Press

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

In Everyday Sacrament:

The Messy Grace of Parenting Laura Kelly

Fanucci sees the Catholic sacraments through the smudged and sticky lens of life with little ones. From dinnertime chaos to bath-time giggles to never-ending loads of laundry, Laura stumbles into the surprising truth of what the seven sacraments really mean: that God is present always, even in the messes of motherhood. A spiritual memoir of parenting's early years and a sacramental theology rooted in family life, *Everyday Sacrament*

offers an honest, humorous, and hopeful look at ordinary moments as full of grace.

Deepening the Christian identity celebrated in worship-- "Tim Sedgwick's *Sacramental Ethics* was a groundbreaking book that awaked us to the significance of religious practices for the moral like. We are, therefore, indebted to Augsburg Fortress for their willingness to make this work available for a new generation who has much to learn from this book."

Stanley Hauerwas Duke Divinity School "This remarkable little book remains a classic, a wise and concrete reflection on the life of faith as a real way of life, grounded in the communal encounter with the grace of God in public worship. Look here to see again what word and sacrament have to do with daily life. Read here to think again how the paschal movement of Christ from death to life can pull us along, converting us to the care and embrace of the world." Gordon W. Lathrop  
Charles A. Schieren  
Professor of Liturgy

Emeritus Lutheran Theological Seminary at Philadelphia "Timothy Sedgwick is the most imaginative and provocative moralist now writing in the American Anglican tradition. He's grounded and always has a fresh take on things. If Christian ethics in the United States is finally learning something about the importance of ritual and worship we largely have Tim to thank." David H. Smith Director, Yale Interdisciplinary Bioethics Center "Sacramental Ethics sets Christian understanding and behavior where it belongs, in the Passover of Christ and of those whose faith lies in him from death to life." Aidan Kavanagh, O.S.B. Timothy F. Sedgwick is Associate Dean of Academic Affairs, Vice President, and the Clinton S. Quin Professor of Christian Ethics at Virginia Theological Seminary in Alexandria.

### **Everyday Sacrament**

Paulist Press  
A contemporary theology of these three sacraments, surveying their historical development, their theology today, and liturgical and pastoral implications.

*The Christian Sacraments of Initiation* Sacraments of

Life Life of the Sacraments This popular resource for Christian initiation examines the underlying meaning of the sacraments. Drawn from the personal experience of twentieth-century Brazilian theologian Leonardo Boff *Sacramental Life* Spiritual Formation Through the Book of Common Prayer Introduces the sacraments by exploring their significance within the everyday life of Catholics, as well as their role as stages in a lifelong spiritual odyssey.

With Modifications from the Editio Typica St Vladimir's Seminary Press The sacraments are at the heart of our life as Catholics, the way we celebrate together our continuing conversion and encounter with God. Baptism, Confirmation, Eucharist, Penance, Anointing, Marriage, and Holy Orders 'al are activities that require preparation to bring us to the fullness of our life in community and in Christ. Chapter by chapter, Father Lawrence Mick puts these core experiences into their historical and theological context, and illuminates the ways the sacraments bring us together as God's people. Ever conscious of

the complex history of the church and its dynamic relationship to ritual, as well as the varied histories of human communities, Understanding the Sacraments Today is a book to be visited and revisited, a companion to the ongoing and repeated practices that nourish us. Lawrence E. Mick, a priest in the Archdiocese of Cincinnati, is a liturgical consultant and writer whose numerous books include Living Baptism Daly, published by Liturgical Press. He has also been active in parish, retreat, and campus ministries.

*The Sacraments and the Mystery of Christ* Emmaus Road Publishing  
With exquisite original photography and refreshing meditations, this stunning coffee table book invites you into the holiest mysteries of the Catholic Church "š€š" the Sacraments. Passages from Scripture, from the Catechism, and from the Fathers and Doctors of the Church are coupled here with beautiful, full-color images and moving

reflections from Catholics of different voices and ages "š€š" bishops, priests, deacons, and laypeople "š€š" all sharing their love for the Sacraments and their healing experiences with them. Open these pages to encounter the truth and splendor of Christ's abundant graces poured out to us through the seven Sacraments, His indelible, life-giving gift to each of us.

*Archbishop Sheen's Book of Sacraments* LiturgyTrainingPublications  
This unique book will assist those called to marriage to live out the wonderful, beautiful, and challenging mystery of married love by presenting a theology, spirituality, and morality of marriage in a widely accessible level.

**The Sacraments of Life** LiturgyTrainingPublications  
The Catholic understanding of the sacraments is presented in their relationship in the life of the Church. Learn more about sacraments at Loyola Press.

*Sacraments of Initiation,*

*Second Edition: A Theology of Life, Word, and Rite* Twenty-Third Publications

"Explores the role of the sacrament of penance in the religion and society of early modern Spain. Examines how secular and ecclesiastical authorities used confession to defend against heresy and to bring reforms to the Catholic Church"-- Provided by publishers. [Sacred Passages](#) Penn State Press

This book was originally written to serve as an outline for students in a discussion of the Christian "worldview." It suggests an approach to the world and to man's life in it that stems from the liturgical experience of the Orthodox Church. Alexander Schmemmann understands issues such as secularism and Christian culture from the perspective of the unbroken experience of the Church, as revealed and communicated in her worship, in her liturgy -- the sacrament of the world, the sacrament of the Kingdom. - Publisher.
