Curtain Call Penguin

She's cursed to live out romance tropes gone wrong. As a millionaire bad boy looking for a fake girlfriend, he is one. They're a disaster in the making...and each other's last hope. Tina I'm cursed. Yes, really. I broke a boy's heart because he wasn't romance hero material, and his nonna cursed me to live out my favorite plotlines...without the happy ending. Consider my track record: Second-chance romance? Turns out my old flame returned home to cook meth,

not take care of his parents. Redeemed bad boy? He writes to me occasionally from prison. Billionaire businessman? Rory was my prince charming...right up until his ex-girlfriend showed up with a baby bump. My love life is a lost cause, but my friends claim they have a solution. They're convinced I can rip control from the curse by seeking out a trope situation instead of getting sucked into one. When I find Zachary Littlefield's ad seeking a fake girlfriend, I decide it's go-time. Because I am so immune to hot rich boys. Zach I'm the screw-up spare to my brother, the heir—the Littlefield who can never do anything right. Now my brother's making a huge mistake,

and I'm expected to celebrate. Instead, I do what any half-intelligent man would: I hire a date to stir up trouble at his engagement party. Tina's not my type, but there's something about her...

Maybe it's that she seems completely immune to my charm. I've never met a challenge I didn't want to screw up...or screw.

for this. I begged him for this. Tonight, in the darkness, he's the hunter. And I'm the bait.

Pretty Little Liars meets Riverdale in *Don't Say a Word*, a standout YA mystery from indie-pub favorite Amber Lynn Natusch. Kylene Danners's ex-FBI agent father is in prison for murder and she's hell-bent on getting him out. But trying to investigate in the small town where a defensive lineman is a hero no matter who he tries to kill and the girl who gets him locked up is public enemy number one is dangerous. Dark secrets are everywhere in Jasperville—the kind Ky can't walk away from. When rookie FBI

agent Cedric Dawson returns to town to finish an open investigation, he goes undercover at her high school—as her ex. Determined to keep her from interfering, Dawson's plan backfires after Ky gets an anonymous call about missing girls officially labeled as runaways—runaways that didn't really run away at all. Because dead girls can't run. And they don't say a word. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Raven's Shadow Penguin

TRIGGER WARNING: The beginning of this book deals with a physically and emotionally abusive relationship in a honest and realistic, violent manner. Jeyne Dalton has graduated from college, medical school, and has slogged

through half of a surgical internship year with flying colors, which she figures HAS to mean she's put her past – and her family – behind her for good. If only she hadn't answered that random ad for a roommate, her life would be pretty damn perfect. Dinah Robbins knows that, no matter what she does, the horror that is her life will never be behind her...unless her controlling, threatening, abusive boyfriend finally kills her. She's floating, waiting, and advertised for a roommate as a last ditch, listless effort to save herself a few beatings here and there. Jeyne and Dinah may have been roommates for months, but they're not anything like friends. In fact, they hardly know each other at all – until the night Jeyne comes home late to find Dinah in a heap of trouble. The two girls then find

themselves sharing a secret that brings them together in a way they never expected. And upends their lives in a way they may never be able to set right. *Twenty-Nine and a Half Reasons Devils of Sun Valley High*

Then Aubrey finds himself alone with Blake in a trailer, and what happens

next turns London's heat wave into an inferno that leaves him breathless.

Secretly hooking up with the team captain's sister was a bad idea. In my defense, the first time I saw her I didn't know who she was. Kind, gorgeous, a little naïve. Ginny brightened my world from day one. I knew I was no good for

expect. But Ginny? She's the best--best friend, best everything. So yeah, hooking up with the team captain's sister wasn't a great idea. Would I do it again? In a heartbeat.
