This is a brand new edition of the Oxford Colour Spanish Dictionary Plus. This dictionary is an effective and practical reference tool for any student, adult learner, or traveller. It is especially user-friendly, with a colourful design that makes it easy to find the word you are looking for quickly. It also has usage notes, giving you help with tricky and frequently occurring words, verb lists, and grammar notes. This edition also sees a completely refreshed and up-to-date centre section. The main focus of this section is to help you build your vocabulary. We have identified the Spanish words you most need to know, and they are laid out clearly for you here; you will also find them marked with a handy key symbol in the A-Z text of the dictionary. We also include word games so that you can practise your dictionary skills and learn vocabulary while having fun. The centre section also contains a calendar of holidays and festivals and an A-Z guide to Spanish life and culture - ideal for the traveller and those learning about life in Spanish-speaking countries.

The Oxford College Spanish Dictionary offers: Real Spanish: the up-to-date wordlist and detailed examples use the statistical evidence of electronic databanks of real language to give the truest picture of Spanish as it is used today. Over 85,000 words and phrases, and over 125,000 translations: every word, meaning and translation has been rigorously scrutinized to ensure that the dictionary covers the words and expressions users really need at this level. Spanish from around the world: from Mexico to Argentina, from Spain to Peru, 20 of the principal regional varieties of Spanish are covered, making this the only dictionary of its size to describe the language as it is really used throughout the world. Business, computing and current affairs: the language of business, computing and current affairs is included along with thousands of examples of modern and colloquial Spanish. Grammar notes and translation tips: complex and frequently-used words in Spanish and English - like *cuando*, *poco*, *the*, *you* - and basic grammatical concepts - like negatives and the passive - are explained and illustrated in special grammar boxes, while translation tips throughout the text show how best to deal with the differences between the two languages. Help with vocabulary building: words and expressions from key vocabulary areas - such as forms of address, the human body, the weather - are grouped together in language panels for instant reference.

Offering clear and concise translations of over 45,000 words and phrases, with over 70,000 translations, The Oxford Color Spanish Dictionary is a comprehensive and authoritative guide

to European and Latin American Spanish in the 1990s. The dictionary offers highly visible color headwords and clear color highlighting of key words and phrases that make finding a particular definition easy. It is enhanced with technical jargon and slang, and pronunciations are made simple with the standard international phonetic alphabet, which guides the user through even the most difficult words. Designed to meet the needs of both English- and Spanish-speaking people, this handy color dictionary provides wide-ranging and current coverage of the vocabulary of everyday life. It is packed with example sentences and idiomatic phrases showing words in use, common abbreviations, pronunciations, and irregular plurals and past tenses of verbs. Including culinary and motoring terms that will be especially useful for students traveling through Spanish-speaking countries, this reference guide is a must for any student learning or using Spanish. Oxford's new range of color dictionaries offers the user quick and easy access to the essential vocabulary of a foreign language. With their exceptionally clear color highlighting of key words and phrases, they are the ideal reference tool for all students, tourists, and business travellers. Using the texts of the popular Oxford Paperback Spanish, German, and French dictionaries, each offers unbeatable clarity and user friendliness. * 45,000 words and phrases; 70,000 translations * Coverage of Latin-American Spanish * Pronunciation guidance * Verb tables

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level

students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own. *Oxford Picture Dictionary for the Content Areas* Oxford University Press, USA

Anyone working between English and Spanish, on the Web or in Windows, will find this an invaluable resource. GET INSTANT TRANSLATIONS

iFinger Pop-up in Internet ExplorerRG Use the cutting-edge iFinger Pop-up to get an instant translation. Simply hold your cursor over a word on your Web page and the translation is displayed in a pop-up window. For example: you could be looking at a Spanish website and you can't understand the word *cieno*, just hold your mouse over the word on the Web page and the translation pops up for you. Searching in a WindowsRG-based environment Find the word you want! Just highlight a word and with one keystroke you can see the translation. For example: you are a Spanish-speaker and you receive a conference agenda by email from a colleague in America. You can't understand the words *plenary lectures* and *abstracts*; in the email just double-click on the words that you want to look up and the translations are displayed for you. Replace function You are an English-speaker applying for a job in Spain and are typing a letter to accompany your CV and you are not sure which translation of the word *skills* to use in this instance. Just type *skills* into your word processor document, double-click on it, and select the appropriate Spanish translation from the entry in the Search window; then just use the iFinger Replace function to copy the word back into your letter. Language recognition software The iFinger software can tell the difference between English and Spanish, so it takes you to the right part of the dictionary. INSTALL AND RUN THE DICTIONARY FROM YOUR HARD DRIVE No need to hunt for the CD-ROM or wait for the application to start up. The Pop-up Concise Oxford Spanish Dictionary installs to your hard drive and runs in the background on your PC, so you can consult it whenever you want with no fuss and no waiting.
