NOVAK DICKSON

Dirt Bike Chronicles CreateSpace
Ike Hebert has a dream, to become a champion motocross racer. But he has many obstacles to overcome. He is being raised by a single Mom, with little resources; he has no money, no motorcycles, no friends, and is failing 9th grade. Then he meets Mr. Gonzales, an outcast junkyard dealer who has some very old dirt bikes. The two team up to

build the bikes, and Ike fans the flame of his dream into reality. But all is threatened when Ike discovers Mr. Gonzales' secret from his past and gets caught up in a crime that will kill his dream. Join Ike as he rediscovers motivation to succeed in school, gets his first job, overcomes bullying, solves a crime and moves his dream into reality. You'll get an inside look at the culture of south Louisiana, amateur motocross racing and the importance that mentors play in the lives of teenagers. This is the first book in the Dirt Bike Ike trilogy.

[How to Ride Off-Road Motorcycles](#) Weldon Owen International

Much expanded and updated new edition of the book that started out by trying to answer the question, who invented the mountain bike. Well, it turns out the mountain bike has many fathers and mothers, and this edition of the book credits them all. Illustrated with numerous period color photographs, this book is truly a celebration of the early days of the sport.

Ike Hebert is a teenager with a dream: to become a champion motocross racer. But there are many obstacles to achieving it. He comes from a poor, single parent family, he has learning and social disabilities, and has no friends or resources. In the last book, however, he teamed up with an experienced motocross racer who moved into his neighborhood from California, the beautiful Samantha Abernathy. He was also befriended by an outcast junkyard dealer, Victor Gonzales, who helped him restore a couple of old dirt bikes for use. Together they solved a crime that caused jealousy among the other students at Calais High, making them outcasts. In *Pursuing the Dream*, Ike and Sam team up again with Mr. Gonzales and his new mechanic, "Crip" Simon, a crippled war veteran who brings some

tough love to rejuvenate Ike's dream and solve another crime. This time it's swamp pirates who are trying to take over Crip's Indian reservation. Join the crew as they solve the mystery, overcome many setbacks, overcome a tragedy, and rise to the next level in mx racing. They'll also learn lessons about hard work, faith, courage and love. You'll be inspired, educated and entertained as you get a glimpse into the history of south Louisiana and the world of amateur motocross racing.

Vintage Dirt Bikes Raintree

Vintage Dirt Bikes will help you decide which Honda, Yamaha, Maico, Penton or Triumph to bring home. This book provides information on all the most popular makes, including: Highlights, Availability, Parts Availability, Ease of Restoration, and Final Value. This is the Buyer's Guide you need.

Dirt Bikes Turtleback Books

This is not just another how-to-ride book. It's a motocross encyclopaedia, covering everything a rider should know about getting into the sport, buying equipment, buying a new or used bike, preparing it for racing and learning to compete.

[Yamaha Dirtbikes](#) Createspace Independent Publishing Platform

This essential guide from the experts at Dirt Rider magazine covers everything from riding and repair basics to motocross tricks and flips. Affordable and easy to ride, dirt bikes are a great way to enjoy the great outdoors and build riding skills. Whether you just want to enjoy a ride through the backcountry or you're gunning

for motocross stardom, this book is full of hand-on tips and tricks to get you there. The Total Dirt Rider Manual covers: Gear: Learn how to buy the right bike for you, whether you're looking at new models or used rides; suit up for style safety, and comfort; and adapt your gear to a wide range of riding conditions. Riding: Get all the information you need to enjoy a casual day on the trails or to compete year-round. Wrenching: The best of Dirt Rider magazine's "Dr. Dirt" feature, providing step-by-step tutorials for repairs of all kinds. Suspension: A bike's suspension is vital, expensive to fix, and tricky to diagnose. This special section offers clear, practical tips from America's top race-bike mechanics that could save you thousands of dollars.

Motocross Racers Gage, c1984 [i.e. 1983]

Suddenly, everyone wants one of those old dirt bikes from back in the day. Knobby tires, small two-cycle engines, four-speed transmission, and a full four inches of suspension travel. Those are the bikes that most baby boomers grew up on; the ones that young men rode into the ground and left to rot where ever they last fell. But no

more. Now, those simple little Hondas, Yamahas, Harleys, and Pentons are making their way from the back of the garage to the front. From the barn to the shop. The shop where patient mechanics and enthusiasts are stripping them down and bringing them back to life. The questions for the prospective buyer is: What to bring home? Among the thousands and thousands of dirt bikes, scramblers, trials bikes, play bikes and early motocross bikes, which are the best bikes to make your own? Vintage Dirt Bikes will help the reader make that decision by providing information on all the most popular makes. For each bike, this new book provides four to six paragraphs describing the bike in general terms. In addition, bullet points for each model include the following information: Relative cost to acquire, value when finished, and which are most likely to offer the most fun for the money. Readers will also find what to look for when checking the condition of items such as paint, suspension, frame, and engine. A general section at the back of the book will offer the reader help deciding where to buy classic bikes, where to get parts, who to

call for help, and which parts of the restoration should be farmed out to experts with specific skills.

Dirt Bike Ike Wolfgang Publications
"This title introduces readers to the features, brand history, and sponsored motocross athletes of Suzuki dirt bikes. This title includes informative sidebars, detailed infographics, vivid photos, and a glossary."--Amazon.

Dirt Bike Know how Osprey Publishing (UK)
Hodaka motorcycles were some of the most creatively marketed and designed motorcycles in America. The bike of choice for the hip young racer, the street-savvy urbanite, or the 14-year-old boy's favorite poster, these machines had colorful logos, creative advertising and terrific names. The Combat Wombat, Road Toad, Dirt Squirt and the fantastic Super Rat are just a few of the models produced by Hodaka. More than 15 years in the making, this exhaustively-researched tome contains all the details about the machines as well as a treasure trove of photographs, advertisements, and graphics. Written by Ken Smith, the editor of VMX Magazine, and created with the help of Paul Stannard of Strictly Hodaka and many of the people

who designed and sold Hodakas back in the day, this book is a captivating, colorful look at one of the wildest, most popular motorcycles of the 1960s and 1970s.

The Birth of Dirt Turtleback Books

For use in schools and libraries only. Peter, a shy runaway from a foster home, enters a dirt bike race. But for him true victory requires more than just winning the race.

In Bikes We Trust Raquel Harris

From purchasing that first bike to outfitting it and the rider with the proper gear; from pressing the starter button the first time to keeping your bike in top condition ride after ride, this book covers all the basics you'll use every time you ride.

Vintage Dirt Bikes Independently

Published

Looking to add a new kind of fun to your life? *Dirt Bikes 101* is a book written for adults who have always wanted to ride a dirt bike, but didn't know where to start

The book covers many of the important aspects of owning a dirt bike in today's society including safety gear, dealing with excessive noise, the importance of having access to a safe, legal riding area, and buying the proper bike to fit the rider.

Dirt Bike Know how Delta, B.C. : Daryl Wayne Publications

"This is the story of the birth of the mountain bike and the new off-road sport which spurred its development. It also settles once and for all the oft-disputed question, 'who invented the mountain bike?' The expert author has left no stone unturned to get to the facts, including taped interviews with all the major players from Gary Fisher and Charlie Kelly to Joe Breeze and Tom Ritchey - and many other luminaries in the history of the sport. Illustrated with 160 period action photographs and technical drawings."-- Amazon website.

Dirt Bike November 2011 Cycle Publishing

In this book 30 significant examples of restored race bikes are profiled with colour photography and detailed information about the machine's race pedigree and historical significance. [From back cover].

Chronicles of a Motorcycle Gypsy

Testing their bikes in the desert, three friends help a stranded family and then find their own plans interrupted by a deadly snake.

Dirt Bike

The first segment of this three-part book,

In *Bikes We Trust*, reveals a glimpse into one of the most notorious figures in the Bike Life movement. Learn how Leeky, aka Leeky Da Bikestar, went from a slow learner to acclaimed by VICE as "the most infamous rider in New York City." Included are recollections from his Mother depicting what it's like supporting her son in a risky endeavor and perspectives from his mentor Chico, who has seen the beauty and ugly of this emerging sport. The second segment of *In Bikes We Trust* reveals the undocumented history, essence, and structure behind the culture of Bike Life. From Influences starting with early Hip Hop leading to educational programs in K-12 schools. In addition, examining legal issues or how criticism from large police organizations shapes the community perspective of street dirt-biking. In the third segment of the book, Leeky offers a how-to guide for inspiring riders. The guide shares everything you need to know before you start riding; such as terminology, bike parts, and lessons from his wheelie school system. Whether it's choosing the perfect dirt bike or improving your skills, we've got you covered.
