The Elements of New Testament Greek
B&H Publishing Group

Many who study biblical Greek despair of
being able to use it routinely, but veteran
instructor Rodney Whitacre says there is
hope! By learning to read Greek slowly,
students can become fluent one passage
at a time and grasp the New Testament in
its original language. Whitacre explains
how to practice meditation on Scripture
(lectio divina) in Greek, presenting a
workable way to make Greek useful in life
and ministry. Ideal for classroom use and
for group or individual study, this book
helps students advance their knowledge of
Greek and equips them to read the

original texts with fluency and depth.

The Gospel According to Matthew

Hendrickson Publishers

A Practical Guide for Students and Pastors.

'Using New Testament Greek in Ministry' focuses on the transformation of exegesis into exposition, of studies into sermons. To prepare students toward this end, David Alan Black explains the process of using the Greek text and linguistic resources to study the New Testament and he recommends a basic library of reference books.

place.asburyseminary.edu/firstfruits Under Revision: This grammar has already undergone numbers of revisions over the last 4 years, for which I must thank Mr. Brad Johnson (model language instructor) and his students for their fine-toothed combing of the text. This present publication, the first effort to combine the two semesters of elementary Greek

instruction into one volume with full appendices, represents the first half of a full revision. Chapters 1-12 have been brought up the standards of the most recent suggestions. Chapters 13-24 await this latest wave of modification, with all chapters together scheduled to be in their fully revised form by February of 2015. My special thanks goes to Mr. Klay Harrison, whose expertise and enthusiasm for this labor is stamped on every page. Preface: The world does not another Elementary Greek Grammar There are many fine products on the market that have proven themselves to be useful both in the classroom and for private instruction. The need for this particular grammar arises from the peculiar shape of the MDiv curriculum at Asbury Theological Seminary. Several years ago the faculty adopted a curriculum that required one semester of Greek and one semester of Hebrew, each as preparatory for a basic exegesis course in each discipline. It became clear after several years of trial and error that a "lexical" or "tools" approach to learning Greek and Hebrew was inadequate, no matter how skilled the instructors or how motivated the students.

In today's general vacuum of grammatical training in public education across the United States, students typically enter seminary training with no knowledge of how languages work. Any training we might give them in accessing grammatical information through the use of Bible software programs will, we learned, come to naught in the absence of an understanding of just what such information actually means. We agreed that we actually needed to "teach the language itself," at least in some rudimentary fashion, if we hoped students would make sense of grammatical and linguistic issues involved biblical interpretation. The first 12 chapters of this grammar are designed to correspond to the first semester's instructional agenda. In these chapters we introduce all the parts of speech, explain and drill the basic elements of grammar, set forth the larger verb system (excluding the perfect system), teach the tenses of the Indicative Mood only (again, excluding the perfect system), and help students build a vocabulary of all NT words occurring 100 times or more. We also lead students into the NT itself with carefully chosen

examples, while at the same time guiding them in each lesson to learn the use of the standard NT lexicon BDAG] and an exegetical grammar Wallace's Greek Grammar Beyond the Basics]. We are well aware of the limitations of this approach, but genuinely believe that some instruction along these lines is better than none, and that such an approach provide a foundation for students interested in moving beyond the first semester (into chapters 13-24) into a firmer grasp of the language of the NT

Three Views on the New Testament Use of the Old Testament Cambridge University Press

The Essence of the New Testament surveys all of the books in the New Testament, from Matthew to Revelation.

The Story of the New Testament Baker Academic

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Elementary New Testament Greek

Westminster John Knox Press

In all, they show the author of Luke to be a master communicator, well at home within the Greek biographical tradition.--David P. Moessner, Professor of Biblical Theology, University of Dubuque/Associate University of Pretori

Essentials of New Testament Greek

First Fruits Press

This extremely useful volume is a comprehensive introduction to the grammar and vocabulary of the Greek of the New Testament, with extensive paradigms, examples, and explanations. / Porter, Reed, and O'Donnell's *Fundamentals of New Testament Greek* makes use of pedagogically sound and linguistically informed language-instruction techniques to provide the most effective textbook possible. The book introduces the individual elements of the Greek language according to their frequency of use in the New Testament so as to reinforce in students the elements that they will most often encounter. Every grammatical element is explained in sufficient detail including illustrative examples and is accompanied by useful

information to describe its composition and analysis. The authors also include complete paradigms with plenty of examples, and significant vocabulary is introduced throughout the course of the volume. / Students who complete this text can engage in serious reading, translation, and understanding of the Greek New Testament, moving directly into Greek exegesis courses and more advanced Greek-language courses. *Fundamentals of New Testament Greek: First Year* will prove invaluable for gaining a thorough foundational understanding of New Testament Greek. It is bound to be a standard text for years to come.

Introducing the New Testament Canongate Books

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James New Testament Greek Canongate Books Have you ever been overwhelmed by the writings of the New Testament? This 12-

session study helps us hear Scripture in its own historical and cultural context before guiding us to apply it to our own lives—a comprehensive overview to enrich our knowledge and deepen our faith.

The Jefferson Bible Cambridge University Press

Helps post-beginner-level students to read substantial extracts from the New Testament in Greek.

New Testament Greek Zondervan

For almost seventy years, *Essentials of New Testament Greek* has been a classic textbook and key tool for students of New Testament Greek. This classic work by Ray Summers, with updates by Thomas Sawyer, will continue to be an effective resource for generations to come. Major features include: • A step-by-step approach which guides students through the learning process. • Clear explanations of the Greek language and how it works. • Extensive appendices with paradigms, indexes, and verb list. • High-frequency Greek vocabulary which presents every word used 50 times or more in the New Testament. • Numerous examples from the Greek New Testament to illustrate grammatical points. • Translation

exercises which use nearly 300 New Testament verses, including: most of 1 John, a significant percentage of Matthew, John, Romans, and 1 Corinthians. • An easy-to-read verb chart. *Essentials of New Testament Greek, Revised Edition* is an exceptional textbook for college and seminary students, an effective resource for ministers, and an efficient guide for self-study of New Testament Greek.

Reading the New Testament with Fluency and Devotion B&H Publishing Group

This comprehensive guide uses a highly effective teaching method to introduce readers to New Testament Greek quickly. The book provides all the basics of a beginning grammar. In addition, it includes a wealth of reading and translation exercises and activities, helpful grammatical resources, and accented Greek text. Audio files for the book are available through Baker Academic's Textbook eSources. Now in paper.

The Gospel According to John CUP Archive

To read the New Testament is to meet the Old Testament at every turn. But exactly how do Old Testament texts relate to their New Testament references and allusions?

Moreover, what fruitful interpretive methods do New Testament texts demonstrate? Leading biblical scholars Walter Kaiser, Darrel Bock and Peter Enns each present their answers to questions surrounding the use of the Old Testament in the New Testament. Contributors address elements such as Divine and human authorial intent, the context of Old Testament references, and theological grounds for an interpretive method. Each author applies his framework to specific texts so that readers can see how their methods work out in practice. Each contributor also receives a thorough critique from the other two authors. A one-stop reference for setting the scene and presenting approaches to the topic that respect the biblical text, *Three Views on the New Testament Use of Old Testament* gives readers the tools they need to develop their own views on this important subject. The *Counterpoints* series provides a forum for comparison and critique of different views on issues important to Christians. *Counterpoints* books address two categories: Church Life and Bible & Theology. Complete your library with other books in the *Counterpoints* series.

The Essence of the New Testament

Living Stream Ministry

Studying the New Testament can be an exciting--and intimidating--experience. This readable survey is designed to make the adventure less daunting and more rewarding. Two experienced classroom teachers offer a new edition of their bestselling and award-winning textbook, now with updated content and a new interior design. Other distinguishing features include: • abundant images, maps, and charts--all in full color • sidebars that address ethical and theological concerns and provide primary source material • focus boxes isolating key issues • chapter outlines, learning objectives, and summaries • study questions Students of the New Testament will find this introductory text both informative and engaging. An accompanying website through Baker Academic's Textbook eSources offers a wide array of resources for students and professors. Resources for students include flash cards, self quizzes, and introductory

videos. Resources for professors include discussion questions, suggestions for class activities, PowerPoint slides, an instructor's manual, and a test bank.

A Concise Dictionary of New Testament Greek Cambridge University Press

This Dictionary provides students, pastors, and others with an invaluable source of word meanings and English glosses for the entire vocabulary of the Greek New Testament. In addition to reflecting the complete range of semantic uses and nuances, it identifies the part of speech, lists cognate key words, notes principal parts for each verb, and cites the NT reference for each word used only once.

The Pentateuch and Historical Books of the Old Testament Courier Corporation

This useful, concise introduction to the worlds around the New Testament focuses on seven key moments in the centuries before and after Jesus. It enlightens readers about the beginnings of the Christian movement, showing how religious, political, and economic factors were interwoven in the fabric of the New

Testament world. Leading New Testament scholar Warren Carter has a record of providing student-friendly texts. This introduction offers a "big picture" focus and is logically and memorably organized around seven events, which Carter uses as launching pads to discuss larger cultural dynamics and sociohistorical realities that were in some way significant for followers of Jesus and the New Testament. Photos and maps are included.

The Epistle of Paul the Apostle to The Romans Baker Books

An enduring academic favorite now updated for the first time in fifteen years, this user-friendly introduction to New Testament Greek keeps discussion of grammar as non-technical as possible. Author David Alan Black provides tools and exercises for bringing the student to the experience of reading from the Greek New Testament after just seventeen lessons. Among the revisions to this third edition are updated discussions and scholarship, further back matter vocabulary references, and additional appendices.
