 Personnel And Human Resource Management
 Personnel Management treats workers as tools or machines whereas Human Resource Management treats it as an important asset of the organization. Human Resource Management is the advanced version of Personnel Management. Decision Making is slow in Personnel Management, but the same is comparatively fast in

Human Resource Management. Difference Between Personnel Management and Human Resource ... Personnel management focuses on the maintenance of all personnel and administrative systems, whereas human resource management has a more strategic approach, forecasting the organisation's needs and continuously monitoring and adjusting all systems. Personnel and Human Resource Management | GetSmarter Blog

Personnel management is an independent staff function of an organization, with little involvement from line managers, and no linkage to the organization's core process. Human resource management, on the other hand, remains integrated with the organization's core strategy and functions. Personnel Management Vs. Human Resource Management: What's ... Personnel are those who are employed in the workplace. Personnel management is

an administrative function which exists in an organization to ensure right personnel at right organizational activity. It is a traditional approach of managing employees which focuses on adherence to policies and rules of organization. Personnel Management v/s Human Resource Management ...Personnel and Human Resource Management . Abstract . The basic endeavor of this discipline has not changed over the years: it has sought "to contribute to

organizational success by assuring that the right numbers of the right people are in the right places at the right times doing the right things in the right ways." Keywords Personnel and Human Resource Management Personnel and Human Resource Management Paperback – August 1, 2002 by Gerald Cole (Author) See all formats and editions Hide other formats and editions.
