Young Readers
"A picture book
illustrating a Pride parade.
The endmatter serves as
a primer on LGBT history
and culture and explains
the references made in
the story"--

Leveled Books (K-8)

Chronicle Books

Nothing frightens a parent
more than feeling totally
helpless when their child
reports, "I'm scared.
There's a ghost in my
room. I won't sleep
there." Onerous questions
come to mind, "Is my kid
nuts? Am I nuts for
believing them? How can I
help with something
invisible? How am I
supposed to fight a

phantom?" For the first
time, Kids Who See
Ghosts provides the
answers to these
questions, and offers
adults guidance in
tackling the subject with
children. The highly
intuitive child is empathic,
psychic, or sensitive and
can see ghosts. Parental
responses to such events
range from abject fear, to
supporting their child,
being unable to act, to

visiting doctors and therapists. This guide bridges the gap from mainstream to the metaphysical, providing answers and guidance. It doesn't matter whether parents believe in ghosts to know how to help children through frightening experiences. Goode challenges readers to open their minds for the journey through ghost tales and to learn empowerment strategies for their kids. Kids Who See Ghosts includes interviews with experts from diverse

backgrounds, from Dr. Bruce Lipton to Lynn Andrews, from science to shamanism, to give a well rounded perspective on our perception of the afterlife, intuition, psychic abilities, and belief. [The Attack of the Frozen Woodchucks](#) Heinemann Educational Books NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years,

The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast

members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle

to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's

seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows. Flashback Simon and Schuster
How would you spend five million dollars in 30 days? A billionaire's wallet, a bizarre challenge, and an unlikely friendship send two kids on a wild adventure. From the author of The

Miscalculations of Lightning Girl. Felix Rannells and Benji Porter were never supposed to be field-trip partners. Felix is a rule follower. Benji is a rule bender. They're not friends. And they don't have anything to talk about. Until . . . They find a wallet. A wallet that belongs to tech billionaire Laura Friendly. They're totally going to return it-but not before Benji "borrows" twenty dollars to buy hot dogs. Because twenty dollars is like a penny to a billionaire, right? But a penny has

value. A penny doubled every day for thirty days is \$5,368,709.12! So that's exactly how much money Laura Friendly challenges Felix and Benji to spend. They have thirty days. They can't tell anyone. And there are LOTS of other rules. But if they succeed, they each get ten million dollars to spend however they want. Challenge accepted! They rent cool cars, go to Disney World, buy pizza for the whole school-and that's just the beginning! But money can't buy everything or fix every

problem. And spending it isn't always as easy and fun as they thought it would be. . . . As smart as it is entertaining, Millionaires for the Month is a thought-provoking story about friendship, privilege, and the value of a penny.

Let the Storm Break

Abrams

The breathtaking action and whirlwind adventure build to a climax in this thrilling conclusion to the "remarkably unpredictable" (BCCB) Sky Fall trilogy from the bestselling author of the

Keeper of the Lost Cities series. Vane Weston is ready for battle. Against Raiden's army. Against the slowly corrupting Gale Force. Even against his own peaceful nature as a Westerly. He'll do whatever it takes, including storming Raiden's icy fortress with the three people he trusts the least. Anything to bring Audra home safely. But Audra won't wait for someone to rescue her. She has Gus—the guardian she was captured with. And she has a strange "guide" left

behind by the one prisoner who managed to escape Raiden. The wind is also rising to her side, rallying against their common enemy. When the forces align, Audra makes her play—but Raiden is ready. Freedom has never held such an impossible price, and both groups know the sacrifices will be great. But Vane and Audra started this fight together. They'll end it the same way.

Someone Else's Shoes
Bloomsbury Publishing

Fighting to survive in a ravaged world, a Dweller and a Savage form an unlikely alliance in New York Times bestselling author Veronica Rossi's "unforgettable dystopian masterpiece" (Examiner.com). Exiled from her home, the enclosed city of Reverie, Aria knows her chances of surviving in the outer wasteland—known as The Death Shop—are slim. Then Aria meets an Outsider named Perry. He's wild—a savage—and her only hope of staying alive. A hunter for his

tribe in a merciless landscape, Perry views Aria as sheltered and fragile—everything he would expect from a Dweller. But he needs Aria's help too; she alone holds the key to his redemption. In alternating chapters told in Aria's and Perry's voices, *Under the Never Sky* subtly and powerfully captures the evolving relationship between these characters and sweeps readers away to a harsh but often beautiful world. Continuing with *Through the Ever Night* and

concluding with *Into the Still Blue*, the *Under the Never Sky* trilogy has already been embraced by readers in twenty-six countries and been optioned for film by Warner Bros. Supports the Common Core State Standards
A Sky Beyond the Storm
 Charlesbridge Publishing
 Frozen woodchucks are attacking the galaxy! But they're no match for Jimmy and his crew of space travelers . . . or are they? Meet our heroes: Jimmy Weathers An average fifth grader living

in New York City who never suspected that the fate of the world would be resting squarely on his ten-year-old shoulders. William H. Taft V Jimmy's best friend—the great-great-great-nephew of the fattest man who was ever president. Janice Claytooth A ten-year-old rocket scientist whose bestselling book *Light Speed and You* has sold only one copy on earth but millions throughout the galaxy. Imogene Weathers A feisty two-year-old inventor with a penchant for turning the

ordinary into the extraordinary. Will this unlikely quartet discover the mastermind behind the frozen woodchuck attacks before it's too late?
The Doublecross Simon and Schuster
"A memorable and lovely debut."--Kirkus Reviews
"Walking with Miss Millie is full of subtle wisdom. Its ending is satisfying though sobering and there are elements of this story that stay with you long after the last page has been read."--Karen English, Coretta Scott

King Honor Award Author
A poignant middle grade debut about the friendship between a white girl and an elderly black woman in the 1960s South Alice is angry at having to move to Rainbow, Georgia—a too small, too hot, dried-up place she's sure will never feel like home. Then she gets put in charge of walking her elderly neighbor's dog. But Clarence won't budge without Miss Millie, so Alice and Miss Millie walk him together. Strolling with Clarence and Miss

Millie quickly becomes the highlight of Alice's day and opens her eyes to all sorts of new things to marvel over. During their walks, they meet a mix of people, and Alice sees that although there are some bullies and phonies, there are plenty of kind folks, too. Miss Millie shares her family's story with Alice, showing her the painful impact segregation has had on their town. And with Miss Millie, Alice is finally able to express her own heartache over why her family had to move there

in the first place. Tamara Bundy's beautifully written debut celebrates the wonder and power of friendship: how it can be found when we least expect it and make any place a home.

Epoca: The River of Sand
Little, Brown Books for Young Readers
Studious grad student Quinn's orderly world is shaken up when she meets mysterious stranger Sloan McKenzie, private investigator and man-dazzler extraordinaire. And she wants Quinn's help. It

turns out a little espionage may be just what Quinn needs, and she finds that she can even use her hearing loss to her advantage. But when a target of their surveillance turns up dead, and Quinn realizes she may have unwittingly played a role, she may be forced to put her future career on the line--and her life--in order to uncover the truth and keep other innocent bystanders from harm. Gloom Town Atheneum Books for Young Readers
In the fifth century BCE,

Egypt is the greatest civilization known to mankind. But with a foolish king on its throne, the Nile Valley is ripe for conquering. Amid this climate of danger and strife, in the alleys and brothels of Memphis, an extraordinary young woman comes of age. To spare her siblings from starvation, Doricha is sold into prostitution. But she has gifts beyond mere beauty. Through wit and determination, she works her way into the realm of the hetaerae—courtesans of exceptional refinement.

As a hetaera, Doricha has access to the schemes and negotiations that shape the world. But the rich and powerful also have access to her, and Doricha soon finds herself in the Pharaoh's harem, caught up in his reckless schemes. When the Pharaoh sends her off to his fiercest enemy, thinly cloaked by a dangerous ruse, Doricha must become a double agent if she hopes to survive. Caught between the Pharaoh and the Persian king Cambyses, it is Doricha—once a slave,

now a woman of great but secret power—who will determine Egypt's fate. *Persian Rose* is Part 2 of the *White Lotus* trilogy. *Stealing Magic* Chronicle Books
In a slightly fantastical New York City, one very special library branch has been designated for possible closure. Bookish, socially awkward Pearl, the daughter of the librarian, can't imagine a world without the library—its books, its community of oddballs, its hominess. When the head of their Edna St. Vincent

Millay statue goes missing, closure is closer than ever. But Pearl is determined to save the library. And with a ragtag neighborhood library crew—including a constantly tap-dancing girl who might just be her first friend, an older boy she has a crush on, and a pack of raccoons who can read and write—she just might be able to. With an eclectic cast of richly drawn characters, a hint of just-around-the-corner magic, footnotes, sidebars, and Jessixa Bagley's classic

illustrations throughout, this warm-hearted, visually magnificent tale of reading and believing from beloved author Karen Romano Young tells of a world where what you want to believe can come true.

Kids Who See Ghosts

Let the Storm Break
The next book in the #1 New York Times best-selling Epoca series from Kobe Bryant and Ivy Claire. As Pretia, the Princess of Epoca, prepares to return to Ecrof, the elite magical sports academy, she is

focused on the most important part of her upcoming year: the Junior Epic Games. She knows that her destiny is to rule Epoca, but right now, all she wants is to be selected for the Junior Epic team so that she can compete against the best young athletes in Epoca and bring honor to her people. But as rumors begin to swirl about unrest surrounding the Games, Pretia realizes that winning might not be as simple as being the best athlete she can be. She might have to decide

which is more important: being an athlete or being a leader. Pretia's best friend, Rovi, is ecstatic when he hears that the Junior Epic Games will be held in Phoenis, where he lived before attending Ecrof. True, his time in Phoenis wasn't ideal—he'd lived on the streets as a Star Stealer, part of a gang of kids who stole what they needed to survive—but he'd found a home there. He's excited to return as a Dreamer, an athlete at the top of his game. But all is not well with the Star

Stealers. Rovi's old friends are being blamed for the unrest surrounding the Games, even though he's sure they have nothing to do with it. Now that he's back in Phoenis, Rovi is faced with a difficult question: Is he a Dreamer or a Star Stealer? Can he be both? As tensions mount, Pretia and Rovi, along with their friend Vera, find themselves in a race to save the Star Stealers. And they begin to understand that if anyone is going to make a new future for Epoca, it just might be them.

Under the Never Sky
Granity Studios
From the mind of basketball legend, Academy Award-winning, and New York Times–bestselling storyteller Kobe Bryant comes a new tale of finding your strength against all odds. Set in an alternate classical world dominated by sports and a magical power called grana, *Epoca: The Tree of Ecrof* is the story of two children: the lowly born Rovi and the crown princess Pretia who uncover and battle

terrible evil and discover their inner strength along the way. *Epoca: The Tree of Ecrof* takes place at the most elite sports academy in the land, where the best child-athletes are sent to hone their skills. When Rovi and Pretia arrive, each harboring a secret about themselves, they begin to suspect that something evil is at play at the school. In the course of their first year, they must learn to master their grana in order to save the world from dark forces that are rising.
Hundred Percent Penguin

One word can seal your fate. A brand-new fairytale retelling fantasy series from award-winning author Alexia Purdy for those who love magic, steampunk, and urban fantasy. Against my family's wishes, I've refused every suitor lined up for my hand at the annual coupling ball. How could I have known the government would be overthrown during the ball? Luckily, I'm rescued by a handsome stranger named Clyde. Running from the enemy, we escape to the

underground city known as the Glass Sky. My life is far from what I thought as I discover I'm just a pawn in a delusional society. Secrets and lies show me the hard truth of a dying human race where females are scarce and controlled with an iron fist. I have to find my parents but sneaking back home is a precarious trek. All I find is the city overrun and deep under the control of a ruthless ruler. Obsessive vendettas seal my fate, haunting me with my own defiance. Alone and

defeated, an unlikely ally offers to help me, but at what cost? This is Book 1 of The Glass Sky Trilogy *I'm Ok* Clarion Books
 “So funny and heartfelt.”
 —Gene Luen Yang, author of *American Born Chinese*
 “I love the profound honesty of *I'm Ok.*”
 —Newbery Medalist Linda Sue Park
Ok Lee is determined to find the perfect get-rich-quick scheme in this funny, uplifting novel for fans of *Counting by 7s* and *Crenshaw*. *Ok Lee* knows it's his responsibility to help pay the bills. With his

father gone and his mother working three jobs and still barely making ends meet, there's really no other choice. If only he could win the cash prize at the school talent contest! But he can't sing or dance, and has no magic up his sleeves, so he tries the next best thing: a hair braiding business. It's too bad the girls at school can't pay him much, and he's being befriended against his will by Mickey McDonald, an unusual girl with a larger-than-life personality. Then there's Asa Banks, the

most popular boy in their grade, who's got it out for Ok. But when the pushy deacon at their Korean church starts wooing Ok's mom, it's the last straw. Ok has to come up with an exit strategy—fast.

Simon Pulse
From award-winning YA author Brandy Colbert comes a debut middle-grade novel about the only two Black girls in town who discover a collection of hidden journals revealing shocking secrets of the

past. Beach-loving surfer Alberta has been the only Black girl in town for years. Alberta's best friend, Laramie, is the closest thing she has to a sister, but there are some things even Laramie can't understand. When the bed and breakfast across the street finds new owners, Alberta is ecstatic to learn the family is black—and they have a 12-year-old daughter just like her. Alberta is positive she and the new girl, Edie, will be fast friends. But while Alberta loves being a California girl, Edie

misses her native Brooklyn and finds it hard to adapt to small-town living. When the girls discover a box of old journals in Edie's attic, they team up to figure out exactly who's behind them and why they got left behind. Soon they discover shocking and painful secrets of the past and learn that nothing is quite what it seems.

Walking with Miss Millie
Harper Collins

After moving with her parents to Iowa, twelve-year-old Lucy discovers a mysterious notebook that

can bring stories to life and which has a link to the 1914 disappearance of her great-uncle.

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests Random House

Books for Young Readers

Shannon thought there was no such thing as real magic. Until that day. The day that changed everything. Put yourself in her shoes. Would you open your eyes, if you were the one that heard them? Two magic-takers from another world, arguing about whether

they can collect what they came for before you wake up. It sounds like a crazy dream, or a practical joke. But what if the air around you started to vibrate with an invisible force field? What if, all at once, it felt scary yet familiar too? You would have no way of knowing that your life would change forever. That this discovery would set you on a path no-one from our world has taken for centuries. Towards a deadly enemy, and a fight that you will almost certainly lose. All you

know is that your heart is beating so fast you're worried they will hear it, and your brain is starting to buzz as the force field reaches it. Would you open your eyes? Join Jax and Shannon as they live through the most exciting and terrifying ten days of

their lives (so far!)The Legacy of Androva is a series of contemporary fantasy books, for ages 9 and older.
