Sarah Lotz, internationally acclaimed author of *The Three*, and *Day Four*, describes *The Mark* as: "An entrancing, truly original novel packed with twists you won't see coming and a heroine that breaks the mould. Unputdownable." In the future, the world has flipped. Ravaged by the Conflagration, the State of Mangeria is a harsh place where the sun beats down, people's lives are run by a heartless elite and law is brutally enforced. A mark at the base of the spine controls each person's destiny. The Machine decides what work you will do and who your life partner will be. Juliet Seven - "Ettie" - will soon turn 15 and her life as a drudge will begin, her fate-mate mate will be chosen. Like everyone else, her future is marked by the numbers on her spine. But Ettie decides to challenge her destiny. And in so doing, she fulfills the prophecy that was spoken of before she even existed.

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..
