HOWARD NOEMI

Supersex Macmillan
The past fifty years are
conventionally
understood to have

witnessed an
uninterrupted
expansion of sexual
rights and liberties in
the United States. This
state-of-the-art
collection tells a
different story: while
progress has been

made in marriage equality, reproductive rights, access to birth control, and other areas, government and civil society are waging a war on stigmatized sex by means of law, surveillance, and social control. The contributors document the history and operation of sex offender registries and the criminalization of HIV, as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking. They reveal that sex crimes are punished more harshly than other crimes, while new legal and administrative regulations drastically restrict who is permitted to have sex. By examining how the ever-intensifying war

on sex affects both privileged and marginalized communities, the essays collected here show why sexual liberation is indispensable to social justice and human rights. Contributors. Alexis Agathocleous, Elizabeth Bernstein, J. Wallace Borchert, Mary Anne Case, Owen Daniel-McCarter, Scott De Orio, David M. Halperin, Amber Hollibaugh, Trevor Hoppe, Hans Tao-Ming Huang, Regina Kunzel, Roger N. Lancaster, Judith Levine, Laura Mansnerus, Erica R. Meiners, R. Noll, Melissa Petro, Carol Queen, Penelope Saunders, Sean Strub, Maurice Tomlinson, Gregory Tomso
Anonymous Sex
Houghton Mifflin
Harcourt

What this book is NOT: The fear-based How-To on sex and consent, oversimplified and focused on technicalities, that represents so much of our sexual education today. What this book IS: A journey into the Big Questions that will turn you into a thinking person about sex and consent, with the ability to wrestle towards the answers that work for YOU and continue to wrestle towards them for the rest of your life. What is the meaning and purpose of sex? How does it intersect with who I am? Why are people so afraid of it? What does a healthy and joyful approach to sex look like for me? Why is consent so much more than a yes or no question? Who this book is FOR:

Everybody!! No matter your sexuality, gender, religion, or race. What could be more essential?

Le Deuxième Sexe

Basic Books

This is not a comprehensive study of every sexual quirk, kink and ritual across all cultures throughout time, as that would

entail writing an encyclopaedia. Rather, this is a drop in the ocean, a paddle in the shallow end of sex history, but I hope you will get pleasantly wet nonetheless. The act of sex has not changed since people first worked out what went where, but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages. Humans are the only creatures that stigmatise particular sexual practices, and sex remains a deeply divisive issue around the world. Attitudes will change and grow – hopefully for the better – but sex will never be free of stigma or shame unless we acknowledge where it has come from. Based on the popular

research project *Whores of Yore*, and written with her distinctive humour and wit, *A Curious History of Sex* draws upon Dr Kate Lister's extensive knowledge of sex history. From medieval impotence tests to twentieth-century testicle thefts, from the erotic frescoes of Pompeii, to modern-day sex doll brothels, Kate unashamedly roots around in the pants of history, debunking myths, challenging stereotypes and generally getting her hands dirty. This fascinating book is peppered with surprising and informative historical slang, and illustrated with eye-opening, toe-curling and meticulously sourced images from the past.

You will laugh, you will wince and you will wonder just how much has actually changed.

A Therapist's Guide to the Programs and Techniques that Will Enhance Your Relationship and Transform Your Life

Chronicle Books

This is not your standard sex book. Sex therapist, sociologist, and *Psychology Today* contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals;

Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. "Marty Klein is the Steve Jobs of sex advice. . . .

Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential." —Ian Kerner, best-selling author of *She Comes First*

A Book about Bodies, Feelings, and YOU
Burns & Oates

The "Queen of Vibrators" and the "Orthodox Sex Guru" shares her easy, proven system to help women have a healthy, robust sex life. Dr. Bat Sheva Marcus believes a healthy, fulfilling sex life is a right for all

women. But many women don't quite believe that themselves; they think that a diminished sex drive is natural, pain during sex is to be expected, and no orgasms?...well, too bad! As a veteran sex therapist, Dr. Marcus has seen everything and knows firsthand that all that is rubbish. Most of the books you find on how to have a good sex life focus on emotional intimacy and behavior--or, like the Cosmo quizzes say, sexy lingerie and a beach vacation. But there's more to it than that. For most women, while there are relationship and emotional components that are critical to a healthy sex life, there is also a hefty physiological or medical component

driving their desire. And until you know what's really going on, all the lingerie and sexy couples' time won't really help. Your sex life is complex, made up many different aspects of your life; these variables shift and change over time--and all the variables need to work together to make your sex life work. Sex Points is the first book that helps women and identify analyze for themselves what factors are affecting their sex life and then gives a wide variety of ways to approach different problems. The book breaks down these variables in an easy-to-use system--one that uses a threshold of 100 points for a healthy sex life. Divided into four key areas--pain,

arousal, libido, and orgasm--each variable has its own point value. The Sex Points Assessment helps you determine exactly what is keeping you from having a great sex life--where you are missing points. Specific chapters address the issues with practical suggestions. Whatever it is, the points system gives you a concrete picture of your situation and then gives you the tools to fix it. Covering everything from how to choose a vibrator to recapturing orgasms, to rekindling lust, embracing taboo fantasies, and parsing complicated relationships, to what sex really means (hint: it's not just intercourse!), *Sex Points* is a revelatory guide to ensure women

get the rich sex life they deserve.

The Sex Education Answer Book Rockridge Press

A comprehensive, A to Z guide to human sexuality for men provides authoritative information and practical advice on more than seven hundred topics, along with more than one hundred provocative illustrations. Reprint. *Laying Bare (and Learning to Repair) Our Love Lives* Hachette UK

The Sex You Want

Central Recovery Press
Ending compulsive sexual behavior is just the beginning. Drawing on personal and professional experience, psychotherapist Andrew Susskind examines issues such as shame, grief, narcissism, and codependency to demonstrate how people use out-of-control sexual behavior to cope with brokenheartedness and trauma. He offers strategies to cultivate sustainable sexual sobriety, sharing his

own healing narrative, as well as those of others who've chosen to bare their truths. No one is ever too hurt or isolated to achieve reliable relationships and emotional intimacy. This is a guidebook for every person seeking long-term healing from sex addiction.

The New Illustrated Guide Duke University Press

"The Sex Book" explores the subject of sex, health and sexuality in a straightforward, uninhibited, accessible and adventurous way. Designed as a guide, the book explains everything you want to know about conventional and unconventional sexual behaviour in gender neutral, straightforward

language with bold visuals. A wealth of information is balanced with practical advice and personal experience. The book presumes little and the tone is witty and direct. It avoids the usual stigma attached to sex manuals by having a detached editorial approach that packs gritty sex between beautiful contemporary graphics. Ranging from G-spots to sex diets, "The Sex Book" speaks plainly and openly about a subject at the emotional and spiritual hub of everyone's life. At long last - a contemporary guide to sex; for absolutely everyone, whatever their orientation.

The Book of Sex

NavPress

An eye-catching, conversation-sparking book that answers all

your questions on sexuality, seduction, and sex by the editors of GOOP. A beautifully illustrated, gift-y, sometimes shocking, fact-filled book that explores everything we've always wondered about sex and relationships, but may have been too shy to bring up. Broken into five sections, GOOP editors introduce the experts they rely on for sex tips, and dive into focused Q&A's that explore the ins and outs of sexual health, pleasure, and how to have the kind of sex you really want-while feeling good about doing it. Part 1, Seduction: Goes beyond the clichés to help the reader explore the inner and outer art of seduction-with advice on attracting new partners,

reigniting the flame once it's gone out, and navigating online dating, unconventional relationship scenarios, the sex toy aisle, and more. Part 2, Sexuality: What sexuality means, looks, and feels like today, and how we can better tap into our sexual power-including a chapter on strengthening your libido, simple tantric tricks to up sexual energy, and fun ideas for exploring your own kinks. Part 3, Sexual Health: Covers the essentials (like clean lube and condoms, and how to reset your hormones), easy exercises for strengthening the pelvic floor, as well as a path for redefining porn-all with the goal of getting real joy from sex, as opposed to just avoiding the potential

calamities. Part 4, *Orgasm: Busts enduring sex myths, with expert advice on closing the orgasm gap, doing away with the pressure to perform, and the many benefits of self-pleasure.* Part 5: *Doing It: The antidote to bedroom boredom, the psychology of oral sex, how to ask for what you want-and play out your greatest fantasies.* Throughout the book you'll find endcaps on the reality of everything from plain vanilla to ménage à trois, sidebars of mind-blowing stats culled from goop readers, and personal quotes and anecdotes (i.e. the first time I had sex...) from the GOOP team.

The Good Sex Book

Simon and Schuster
2016 Winner of the

Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities, *Sex Is a Funny Word* is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," *Sex Is a Funny Word* opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The

eagerly anticipated follow up to Lambda-nominated *What Makes a Baby*, from sex educator Cory Silverberg and artist Fiona Smyth, *Sex Is a Funny Word* reimagines "sex talk" for the twenty-first century.

The Sex & Pleasure Book Courage Books Offers a comprehensive guide to lesbian sex, discussing techniques, intimacy, health issues, and sex toys.

Your complete guide to passion, pleasure, and intimacy Grand Central Life & Style

You can offer your new lover or your long-term partner the most passionate, creative, and enthusiastic lovemaking he or she has ever had. You won't have to fantasize any longer about what it's like for a lover to thank you after sex. You'll find out.

Sexual Intelligence

Hachette GO

From a bold new feminist voice, a book that will change the way you think about your sex life. Fifty years after the sexual

revolution, we are told that we live in a time of unprecedented sexual freedom; that if anything, we are too free now. But beneath the veneer of glossy hedonism, millennial journalist Rachel Hills argues that we are controlled by a new brand of sexual convention: one which influences all of us—woman or man, straight or gay, liberal or conservative. At the root of this silent code lies the Sex Myth—the defining significance we invest in sexuality that once meant we were dirty if we did have sex, and now means we are defective if we don't do it enough. Equal parts social commentary, pop culture, and powerful personal anecdotes from people across the English-

speaking world, *The Sex Myth* exposes the invisible norms and unspoken assumptions that shape the way we think about sex today. [The Gap Between Our Fantasies and Reality](#)
 Da Capo Lifelong Books
 Now a New Showtime Original Series
 Showtime's dramatic series *Masters of Sex*, starring Michael Sheen and Lizzy Caplan, is based on this real-life story of sex researchers William Masters and Virginia Johnson. Before *Sex and the City* and *Viagra™*, America relied on Masters and Johnson to teach us everything we needed to know about what goes on in the bedroom. Convincing hundreds of men and women to shed their clothes and copulate, the pair were the

nation's top experts on love and intimacy. Highlighting interviews with the notoriously private Masters and the ambitious Johnson, critically acclaimed biographer Thomas Maier shows how this unusual team changed the way we all thought about, talked about, and engaged in sex while they simultaneously tried to make sense of their own relationship. Entertaining, revealing, and beautifully told, *Masters of Sex* sheds light on the eternal mysteries of desire, intimacy, and the American psyche.

The Sunday Times Bestseller Adams Media

A handbook for sex education that is • Value Based • Culture Specific • Age Appropriate The

Ultimate Book of Sex is a complete source book for value-based, culture-specific and age-appropriate education in human sexuality. It discusses social, behavioral, relational, emotional and even legal aspects of human sexuality. It is meant for the reference of adult sex-educators such as parents, teachers, doctors, counsellors, psychologists and social workers. Adult individuals and couples who seek to educate themselves can also refer to this book. Great care has been taken to respect the sensibilities of all communities/groups/schools of thought in India, and to make it culture-specific yet contemporary, without compromising on the scientific accuracy of

the subject.
