Peel the Banana (with included music
CDsee below) is arranged as a sequence
of dances and singing games from many
traditions that Paul Rosenberg has found

to be popular during his years of leading
school residencies, family dances and
community celebrations. The book
provides detailed instructions for each of
the dances on the CD, as well as written
music (with chords) for all of the tunes. It
presents suggested age group (a number
of the dances can be taught to children as
young as three), formation and notes on
each dance which might include
background information, teaching tips or
variations to make the dance accessible to

less experienced or younger dancers. Also
included are simple instructions on how to
teach the waltz, a list of enrichment
activities for the classroom (including a
reading list for schoolchildren) and a
glossary describing all the dance
movements and terms used in the book.
For the CD, George Wilson (fiddle, banjo,
bass, guitar, percussive feet), Peter Davis
(clarinet, guitar, piano, mandolin,
pennywhistle) and Paul Rosenberg
(recorder) provide wonderful dance-length

music for the 20 dances. The collection includes American dances such as the singing square Marching Through Georgia and the Virginia Reel. Other countries represented through their dances are Russia (Sasha), Israel (Zemer Atik), Germany (Kinderpolka) and Denmark (Seven Jumps). There are also dances from Ireland, Belgium, Quebec, England, plus two African-American singing games. For most tracks Paul calls the dance the first two times through. Children are also included singing on several of the cuts.
