CURTIS NICHOLSON

Save the Cat Tor Books

Seventeen-year-old Sugar Magnolia Dempsey is tired of leaving friends behind every time her hippie parents decide to move, but her plan to be unpopular at her new school backfires when other students join her on the path to "supreme dorkdom."

The Tiny Cooper Story Penguin

NATIONAL BESTSELLER "Ms. Haigh is an expertly nuanced storyteller long overdue for major attention. Her work is gripping, real, and totally immersive, akin to that of writers as different as Richard Price, Richard Ford, and Richard Russo."—Janet Maslin, *New York Times* The highly praised, "extraordinary" (*New York Times Book Review*) novel about the disparate lives that intersect at a women's clinic in Boston, by *New York Times* bestselling author Jennifer Haigh For almost a decade, Claudia has counseled patients at Mercy Street, a clinic in the heart of the city. The work is consuming, the unending dramas of women in crisis. For its patients, Mercy Street offers more than health care; for many, it is a second chance. But outside the clinic, the reality is different. Anonymous threats are frequent. A small, determined group of anti-abortion demonstrators appears each morning at its door. As the protests intensify, fear creeps into Claudia's days, a humming anxiety she manages with frequent visits to Timmy, an affable pot dealer in the midst of his own existential crisis. At Timmy's, she encounters a random assortment of customers, including Anthony, a lost soul who spends most of his life online, chatting with the mysterious Excelsior11—the screenname of Victor Prine, an anti-abortion crusader who has set his sights on Mercy Street and is ready to risk it all for his beliefs. *Mercy Street* is a novel for right now, a story of the polarized American present. Jennifer Haigh, "an expert natural storyteller with a keen sense of her characters' humanity" (*New York Times*), has written a groundbreaking novel, a fearless examination of one of the most divisive issues of our time.

A Novel Baker Books

New York Times bestselling author Christina Dodd's contemporary novel—set in Idaho ranch country—is the second book in a trilogy of heartwarming, sexy romances about three sisters who grew up in different foster families and are reunited as adults. As the middle child, Pepper Prescott's rebellious nature helped her survive when her parents disappeared and she and her siblings were sent to different foster homes around the country. Now an independent young woman, Pepper finds herself on the run after witnessing a shooting. Fearing for her life, Pepper flees to the only place she ever considered home and is shocked to find her old lover, Dan Graham, living on the remote mountain ranch. A battle-hardened ex-Special Forces soldier, Dan no longer strikes Pepper as a man she can trust with her secrets, her life, and her love. But as long-simmering desires flare into a deep, sensual passion, Pepper realizes the only way she can reclaim her life is to ally herself with the enigmatic warrior who's willing to help fight for her future by solving the mysteries of her past—and making her his wife today.

This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat!

Hold Me Closer Text Publishing

Through letters, notes, report cards, matchbook covers, and telegrams, a novel set in the 1940s follows the sometimes underhanded efforts of Joey Margolis, a fatherless twelve year old, to persuade *New York Giants* third baseman Charlie Banks to be his role model. Reprint.

Everything I Never Told You Penguin

#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

Last Days of Summer Scholastic Inc.

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • NATIONAL BOOK AWARD LONGLIST • "An instant American classic and almost certainly the keynote nonfiction book of the American century thus far."—Dwight Garner, *The New York Times* The Pulitzer Prize-winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. NAMED THE #1 NONFICTION BOOK OF THE YEAR BY TIME, ONE OF THE TEN BEST BOOKS OF THE YEAR BY *People* • *The Washington Post* • *Publishers Weekly* AND ONE OF THE BEST BOOKS OF THE YEAR BY *The New York Times Book Review* • *O: The Oprah Magazine* • *NPR* • *Bloomberg* • *Christian Science Monitor* • *New York Post* • *The New York Public Library* • *Fortune* • *Smithsonian Magazine* • *Marie Claire* • *Town & Country* • *Slate* • *Library Journal* • *Kirkus Reviews* • *LibraryReads* • *PopMatters* Winner of the *Los Angeles Times Book Prize* • *National Book Critics Circle Award Finalist* • *Dayton Literary Peace Prize Finalist* • *PEN/John Kenneth Galbraith Award for Nonfiction Finalist* • *PEN/Jean Stein Book Award Longlist* "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems

across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

The Origins of Our Discontents Crown

Alek Khederian should have guessed something was wrong when his parents took him to a restaurant. Everyone knows that Armenians never eat out. Why bother, when their home cooking is far superior to anything "these Americans" could come up with? Between bouts of interrogating the waitress and criticizing the menu, Alek's parents announce that he'll be attending summer school in order to bring up his grades. Alek is sure this experience will be the perfect hellish end to his hellish freshmen year of high school. He never could've predicted that he'd meet someone like Ethan. Ethan is everything Alek wishes he were: confident, free-spirited, and irreverent. When Ethan gets Alek to cut school and go to a Rufus Wainwright concert in New York City's Central Park, Alek embarks on his first adventure outside the confines of his suburban New Jersey existence. He can't believe a guy this cool wants to be his friend. And before long, it seems like Ethan wants to be more than friends. Alek has never thought about having a boyfriend—he's barely ever had a girlfriend—but maybe it's time to think again. Michael Barakiva's *One Man Guy* is a romantic, moving, laugh-out-loud-funny story about what happens when one person cracks open your world and helps you see everything—and, most of all, yourself—like you never have before.

Chasing the Scream Currency

We all want to live a life that matters. We all want to reach our full potential. But too often we find ourselves overwhelmed by the day-to-day. Our big goals get pushed to the back burner—and then, more often than not, they get forgotten. New York Times bestselling author Michael Hyatt wants readers to know that it doesn't have to be this way. In fact, he thinks that this is the year readers can finally close the gap between reality and their dreams. In *Your Best Year Ever*, Hyatt shares a powerful, proven, research-driven system for setting and achieving goals. Readers learn how to design their best year ever in just five hours - three simple ways to triple the likelihood of achieving their goals - how to quit-proof their goals - what to do when they feel stuck - and much more. Anyone who is tired of not seeing progress in their personal, intellectual, business, relationship, or financial goals will treasure the field-tested wisdom found in these pages.

The Warmth of Other Suns Back Bay Books

A high school jock and nerd fall in love senior year, only to part after an amazing summer of discovery to attend their respective colleges. They keep in touch at first, but then slowly drift apart. Flash forward twenty years. Travis and Craig both have great lives, careers, and loves. But something is missing Travis is the first to figure it out. He's still in love with Craig, and come what may, he's going after the boy who captured his heart, even if it means forsaking his job, making a fool of himself, and entering the great unknown. Told in narrative, letters, checklists, and more, this is the must-read novel for anyone who's wondered what ever happened to that first great love.

Greenlights Vintage

"[A] thriller about a calculating teacher in a privileged private school who knows he has the power to make or break your kid's future ... and he uses it ... Teddy Crutcher has just won Teacher of the Year at the prestigious Belmont Academy, home to the best and brightest. He says his wife couldn't be more proud—though no one has seen her in a while. But Teddy can't be bothered with any of the rumors and the recent string of murders on campus. His main focus is on these kids. Sure, his methods can be a little unorthodox and maybe just a few of them don't actually deserve a bright a future. But someone's got push these kids to their full potential. It's really too bad that sometimes excellence can come at such a high cost!"--

A Novel of Love, Mary Poppins, and Fenway Park Random House

Best friends and unofficial brothers since they were six, ninth-graders T.C. and Augie have got the world figured out. But that all changes when both friends fall in love for the first time. Enter Al,. She's pretty, sassy, and on her way to Harvard. T.C. falls hard, but Al, is playing hard to get. Meanwhile, Augie realizes that he's got a crush on a boy. It's not so clear to him, but to his family and friends, it's totally obvious! Told in alternating perspectives, this is the hilarious and touching story of their most excellent year, where these three friends discover love, themselves, and how a little magic and Mary Poppins can go a long way.

The Miseducation of Cameron Post Farrar, Straus and Giroux (BYR)

Melissa Austin has always worked hard to make things go her way, and now she's determined to have the best junior year ever. Everything appears to look promising as usual...until she receives the devastating news that she has cancer. Despite denying the doctor's diagnosis at first, Melissa

quickly realizes that her illness is growing worse and so she agrees to start treatment. At the hospital, she finds unexpected friendship and love through Ric, another cancer patient who turns out to be the only other person who can truly understand what she's going through. Together, Melissa and Ric learn how to find the inner strength to face the mysteries of living and dying every day. This is an inspirational story by the bestselling author Lurlene McDaniel that is perfect for fans of *The Fault in Our Stars*.

In Five Years Penguin

A "Most Anticipated" Book From: OPRAH MAG | MS. MAGAZINE | REAL SIMPLE | USA TODAY | BUZZFEED | BUSTLE | BOOKPAGE | GOODREADS | LAMBDA LITERARY | BOOK RIOT | POPSUGAR | WE ARE BOOKISH | TOR.COM | POLYGON | CULTURESS | GEEK TYRANT | CULTURED VULTURES | THE NERD DAILY | Boston's NPR, WGBH | FANTASY CAFE, and more. Mulan meets *The Song of Achilles* in Shelley Parker-Chan's *She Who Became the Sun*, a bold, queer, and lyrical reimagining of the rise of the founding emperor of the Ming Dynasty from an amazing new voice in literary fantasy. To possess the Mandate of Heaven, the female monk Zhu will do anything "I refuse to be nothing..." In a famine-stricken village on a dusty yellow plain, two children are given two fates. A boy, greatness. A girl, nothingness... In 1345, China lies under harsh Mongol rule. For the starving peasants of the Central Plains, greatness is something found only in stories. When the Zhu family's eighth-born son, Zhu Chongba, is given a fate of greatness, everyone is mystified as to how it will come to pass. The fate of nothingness received by the family's clever and capable second daughter, on the other hand, is only as expected. When a bandit attack orphans the two children, though, it is Zhu Chongba who succumbs to despair and dies. Desperate to escape her own fated death, the girl uses her brother's identity to enter a monastery as a young male novice. There, propelled by her burning desire to survive, Zhu learns she is capable of doing whatever it takes, no matter how callous, to stay hidden from her fate. After her sanctuary is destroyed for supporting the rebellion against Mongol rule, Zhu takes the chance to claim another future altogether: her brother's abandoned greatness. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Wilder Girls Wednesday Books

In a small East Texas town largely ruled by prejudices and bullies, fourteen-year-old Austin sets out to win a ride in the next parade and, in the process, grows in her understanding of friendship and helps her widowed mother through her mourning.

For Your Own Good Delacorte Press

My Most Excellent Year A Novel of Love, Mary Poppins, and Fenway Park Penguin

A Bad Case of Stripes Simon and Schuster

"What we have here is a bad case of stripes. One of the worst I've ever seen!" Camilla Cream loves lima beans, but she never eats them. Why? Because the other kids in her school don't like them. And Camilla Cream is very, very worried about what other people think of her. In fact, she's so worried that she's about to break out in...a bad case of stripes!

The Sweetheart of Prosper County Bloomsbury Publishing USA

Dark, disturbing, and full of twists, this cleverly crafted mystery—a story of love, loyalty, and murder—is sure to delight readers craving a queer teenage girl antihero just as morally complicated as her male counterparts.

The Inspiration for the Feature Film "The United States vs. Billie Holiday" Wednesday Books

A NEW YORK TIMES BESTSELLER! "The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist *Lord of the Flies* about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous. They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to their story, to their life at Raxter, than she could have ever thought true. And don't miss Rory Power's second novel, *Burn Our Bodies Down!* Praise for *Wilder Girls*: 4 STARRED REVIEWS! "Take Annihilation, add a dash of Contagion, set it at an all-girls' academy, and you'll arrive at Rory Power's occasionally shocking and always gripping *Wilder Girls*."--Refinery29 "This thrilling saga...is sure to be one of the season's most talked-about books, in any genre."--EW "Fresh and horrible and beautiful....readers will be consumed and altered by *Wilder Girls*."--NPR
