Problem Solving Survival Guide Vol. I, Chs. 1-12 to Accompany Accounting Principles Wiley

This Problem Solving Survival Guide is meant to accompany the new Ninth Edition of Accounting Principles where students clearly see the relevance of accounting in their everyday lives and are therefore motivated to do the work assigned.

Weygandt starts with what students know and builds from there.

Weygandt Accounting Principles introduces challenging accounting concepts with examples that are familiar to the student. This connection to their everyday lives helps build student motivation, a key driver of

student time spent on assignments and ultimately their mastery of the concept.
