We have created a different method that introduces an easier, more efficient approach to understanding present, past, future of every verb so you will know when to use the right tense depending on the time frame used in each situation. Also, the correct pronunciation of the verb will be at the bottom of each example. The book deals with different situations and vocabulary. Questions and answers will address such situations as going to the

hotel, airport, restaurant, store, pharmacy, emergency, etc. In addition numbers, greetings, months, days, seasons, time, prepositions, articles, adverbs of time and pronouns and the phonetic pronunciation are also taught.

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults

not being as good of language learners as children.

Hola! If you are looking to learn Spanish in a fast, simple and easy way without entering a classroom, then you have

chosen the perfect audiobook. Spanish Language is the perfect guide for Beginners that allows you to learn Spanish while in your car or Working out with the purpose to reach a native-level fluency in no time. Through this audiobook, you will learn conversational Spanish for beginners through lessons that will help you develop your vocabulary and grammar, as well as simple phrases useful for travel in Spain, Mexico or Latin America! It's time to begin the adventure of learning Spanish through simple and quick lessons you can listen to in your car! *Estas pronto?* Here's what you'll learn from the Spanish For Beginners book: Chapter 1: Learning Strategies Chapter 2: The Fundamentals of Spanish Chapter 3: Numbers, Colors, Time, and Date Chapter 4: Nouns and Articles Chapter 5: Pronouns Chapter 6: Verbs Chapter 7: Adjectives Chapter 8: Prepositions, Adverbs, and Conjunctions Chapter 9: Forming sentences Chapter 10: The Subjunctive & Imperative Mood Chapter 11: Making comparisons Chapter 12: Conversational phrases And much more! Here's what you'll learn from the Spanish Short Stories: The Spanish language is rich, full of small differences

between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker. In this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. All these stories are written from my heart, and I deeply hope that you will find them funny, mysterious,

romantic, or at least entertaining. Here's what you'll learn from the Spanish Language Lessons book: Traveling in Spanish countries can be hard. Believe me, I'm a frequent traveler, and I've been all around the world. I've been in Europe, Asia, and South America, and I have to say that of all the places that I've been, I've never found more caring and lovely people than in Spanish countries. Maybe it is their past, maybe is their language, but they are always available to give you a hand,

talk to you, have fun, grab a drink, and generally have a good time. But the language barrier might be hard. You might find yourself trying to say something, and the interlocutor understanding another thing entirely. It might be quite frustrating, and then you end up using your fingers or pointing to what you want, and to be honest, it's quite ridiculous and a bit childish. That's why I'm writing this book, to help you on your travels, so if you want

to take a trip to a Spanish Country, you won't find it hard to express yourself. And I will not just explain you some phrases in Spanish to ease your life in your trip, I will also teach the differences between countries, and how to travel from one place to another. So, if you were planning a trip, or maybe you are already in one and found yourself in a problem, this is the book for you. I hope it helps you with anything that might arise on your trip. get your copy today
