Stories of Panchatantra were teachinhgs of a famous teacher, Vishnusharma. He created these interesting stories to teach three young princes of a kingdom. He taught them wise conduct through these simple stories which are loved by children even today.

A Jataka Tale from India Disney Electronic Content

This volume is centred around the idea that the aim of literature is to build bridges, to bring people together, and to highlight underlying similarities despite the apparent differences in world literatures. As such, the book focuses on the moral purpose of literature and its tendency to overcome divisive forces. It supports the idea of cosmopolitanism, a re-working of the ancient Indian ideal of Vasudhaiva Kuttumbakam, or 'the world is my home', a concept close to the African notion of 'ubuntu', which refers to an open society (as against a small, enclosed one) and relates to the essence of being human and working for the benefit of a larger community. The book uses examples from texts across geographical and cultural borders, beginning with classics like the Indian epics, the Panchatantra, the Kathasaritsagar, and the Arabian Nights, before moving on to contemporary texts in the age of information technology. Although these may originate against diverse backdrops, they have a commonality that cannot be denied. The stories we tell, the tales we love to hear and repeat, all share certain features which reach out across boundaries of time and space, thus bridging the

gap between people and places. Living in today's globalized world, there is a need to study literature in a broader perspective and to be aware that, though stories may be rooted in a particular time and place, they are still a part of the world heritage and comprise what is called world literature. The book will be of particular interest to scholars studying the art of storytelling, as well as the lay reader passionate about literature.

The Panchatantra is a collection of ancient Indian fables. Many-a-times, the central characters are animals and birds, who show their most identifying characteristics in the various stories, and impart valuable life-lessons and morals. In this book, read a fine selection of six stories from the treasury of Panchatantra Tales. Read about the three little fish friends, one wise, one smart and one foolish; about silly monkeys who thought they could light a fire with red berries and more!

First recorded 1500 years ago, but taking its origins from a far earlier oral tradition, the Pancatantra is ascribed by legend to the celebrated, half-mythical teacher Visnu Sarma. Asked by a great king to awaken the dulled intelligence of his three idle sons, the aging Sarma is said to have composed the great work as a series of entertaining and edifying fables narrated by a wide range of humans and animals, and together intended to provide the young princes with vital guidance for life. Since first leaving India before AD 570, the Pancatantra has been widely translated and has influenced a cast number of works in India, the Arab world and Europe, including the Arabian Nights, the Canterbury Tales and the Fables of La Fontaine. Enduring and profound, it is among the earliest and most popular of all books of fables.

A RAT THAT ATE IRON. A BIRD WITH TWO HEADS. FOUR GREEDY TREASURE-SEEKERS. A DOG THAT WENT TO FOREIGN LANDS TO FIND FOOD. These are only a few of the colourful stories that long, long ago ? it is said ? a sage told three princes so that they could learn to live wisely. Instead of giving them boring lessons, the learned tutor told them fables alive with animals and human characters faced with difficult situations about friendship, cooperation, quarrels and ambition. The tales told by Pandit Vishnu Sharma about 2,500 years ago offer a map of how to make one?s way through life in a moral and wise manner. These stories of friends and enemies, cruelty and deceit, honour and humility, foolishness and cunning, deception and honesty, tell us about the choices we have and how to find a solution to tough questions of right and wrong. This all-colour, beautifully illustrated edition contains stories retold from all five books of the Panchatantra and is designed to make it easy for readers to move from story to story, and across stories within stories ? making it a must-have for readers young and old.

In South India there was a city named mahilaaropa. A king named Amara Shakthi was ruling the city of mahilaaropa. He was very friendly with his citizens. He was a great visionary and a man with valour. The citizens of his Kingdom were always happy. But the king himself was not happy. He had no contentment. Because that King had three sons who were very stupid. The elder one was very stubborn. His name was bahu shakti. The second one was a shrewd fellow. His name was ugrashakti. The third one was a wicked fellow who had inculcated only bad habits. His name was Ananta Shakthi. Moreover, the three sons of the King were egoistic as they were the sons of a king. Because of this they did not obtain any kind of knowledge and education. Though they were aged between 16 and 18 years, they did not know how to write. Like this they used to lead their lives. The king Amara Shakthi being the father of those three princes did not succeed in his attempt of making them knowledgeable and educating them even though he tried his level best. Because those three children of the king did not have any earnestness to get educated, they disrespected their Guru or teacher. So, all the Gurus or teachers started rejecting the offer of teaching the three children of the king. Though they were in youth they were slow, egoistic and had inculcated bad habits in them. As the time had passed away, they had grown like wild bulls. Hearing about the nature of the three princes the kings belonging to the neighboring kingdoms hesitated to give their daughters in hand for conducting marriage ceremony of their daughters. The king Amara shakti went into a chronic depression and lost his peace of mind. He struggled and trembled out of fear thinking about their son's future.
