TAP is an innovative program designed
to help small- and medium-sized
enterprises gain knowledge and a
network of contacts to unleash their
export potential. Through a series of in-
depth workshop sessions with trade and
industry experts, Canadian business
leaders learn to overcome export
barriers and reach new markets faster.
This six-course program will provide
students with a foundation in supply
chain and international trade. Topics in
the core courses include customs and
border procedures, documentation
requirements for import and export
transactions, and methods of
international trade financing. A range of
specialized international business and
supply chain elective courses are
included to complement the knowledge
gained in this program.
