30TH ANNIVERSARY EDITION 'With the Mole books, Townsend has an unrivalled claim to be this country's foremost practising comic novelist' Mail on Sunday Wednesday August 13th Here I am again - in my old bedroom. Older, wiser, but with less hair, unfortunately. The atmosphere in this house is very bad. The dog looks permanently exhausted. Every time the phone rings my mother snatches it up as though a kidnapper were on the line. Adrian Mole is thirty, single and a father. His cooking at a top London restaurant has been equally mocked ('the sausage on my plate could have been a turd' - AA Gill) and celebrated (will he be the nation's first celebrity offal chef?).

And the love of his life, Pandora Braithwaite, is the newly elected MP for Ashby-de-la-Zouch - one of 'Blair's Babes'. He is frustrated, disappointed and undersexed. But a letter from Adrian's past is about to change everything . . . 'Adrian Mole really is a brilliant comic creation. Every sentence is witty and well thought out, and the whole has reverberations beyond itself' The Times 'One of the greatest comic creations. I can't remember a more relentlessly funny book' Daily Mirror Ghost Children Michael Joseph Theatre program. *Germany* Heinemann Educational Books Adrian Mole is thirty-four and three quarters, almost officially middle-aged,

when Mr Blair tells Parliament that weapons of mass destruction can be deployed in forty-five minutes and can reach Cyprus. Adrian is worried that he might not get a refund on his holiday. But that's not all that is bothering him. There's his odd girlfriend Marigold who has become distressingly New Age. And his son Glenn who is in Deepcut Barracks. Would Mr Blair have been quite so keen if it had been his son manning a roadblock?

The Adrian Mole Diaries Arrow

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is

an adaptation of the humorous diary of a young intellectual, suffering the traumas of love, parental divorce and spots. [The Secret Diary of Adrian Mole / the Growing Pains of Adrian Mole / Adrian Mole: the Wilderness Years](#) A&C Black Play version of this novel that was a hit with adults and teenagers alike. In his secret diary, British teenager Adrian Mole excruciatingly details every morsel of his turbulent adolescence. Mixed in with daily reports about the zit sprouting on his chin are heartrending passages about his parents' chaotic marriage. Adrian sees all, and he has something to say about everything. Delightfully self-centered, Adrian is

the sort of teenager who could rule a much better world--if only his crazy relatives and classmates would get out of his way. Sue Townsend's play is based on her internationally best-selling book, was created for the Phoenix Arts Leicester, where it received its first production in Septmeber 1984. This volume contains the complete text of the play with introductory notes on the staging by the author; the complete words of the lyrics and music for the melody line of each of the tunes.

Soho PressInc
What if being Royal was a crime? Queen Camilla is the brilliantly funny sequel to The Queen and I by bestselling author Sue Townsend The UK has

come over all republican. The Royal Family exiled to an Exclusion Zone with the other villains and spongers. And to cap it all, the Queen has threatened to abdicate. Yet Prince Charles is more interested in root vegetables than reigning ... unless his wife Camilla can be Queen in a newly restored monarchy. But when a scoundrel who claims to be the couple's secret lovechild offers to take the crown off their hands, the stage is set for a right Royal show down. And the question for Camilla (and rest of the country) will be: Queen of the vegetable patch or Queen of England? Bestselling author Sue Townsend has been Britain's favourite comic writer for over three decades.

'Brilliantly satirical'
 Evening Standard 'One
 of our finest living
 comic writers' The
 Times 'Brilliantly funny'
 Closer 'Another
 fantastic read from
 Townsend' OK!

Adrian Mole Random
 House (UK)

As his laugh-out-loud
 secret diary extends
 into his later teens and
 young adulthood,
 everyone's favorite
 angsty Brit remains "a
 brilliant comic
 creation" (The Times,
 London). Continue to
 commiserate with "one
 of literature's most
 endearing figures"—a
 sharp-witted, pining,
 and achingly honest
 underdog of great
 expectations and
 dwindling patience who
 knows all (or believes
 he does) and tells all
 (The Observer). Having
 endured the agony of
 adolescence (just),

Adrian now careens
 into his later teens,
 torturous twenties, and
 utterly disappointing
 thirties in these three
 hilarious sequels by
 "one of Britain's most
 celebrated comic
 writers" (The
 Guardian). From the
 not-so-humble origins
 of *The Secret Diary of
 Adrian Mole Aged 13
 and ¾*, Adrian's
 chronicle of angst has
 sold more than twenty
 million copies
 worldwide, spawned
 seven sequels, been
 adapted for television,
 and staged as a
 musical—truly "a
 phenomenon" (The
 Washington Post). The
*True Confessions of
 Adrian Albert Mole:
 What's happening to
 Adrian Mole? On the
 one hand, he's
 entering the cusp of
 adulthood and
 burgeoning success as*

a published poet. On the other, he still lives at home, refuses to part with his threadbare stuffed rabbit, and has lost his job at the library for a shocking act of impudence: He shelved Jane Austen under Light Romance. Even worse, someone named Sue Townsend stole his diaries and published them under her own name. Of course they were bestsellers. Adrian Mole: The Wilderness Years: At 23³/₄ years old, Adrian is now technically an adult and almost prepared. On the upside: He's fallen for a perfectly lovely Nigerian waitress; he's seeing a therapist so as to talk about himself without interruption; and he's added vowels to his experimental novel-in-

progress (so much more accessible to the masses!). The downside? Pandora is probably history; a pea-brained rival has been published before him to great acclaim; and worse—Adrian has come to the devastating realization that he may not be uncommon after all. Adrian Mole: The Cappuccino Years: At 34³/₄, impotent intellectual Adrian Mole is soon to be divorced; he hasn't a clue what to do with his semi-stardom as a celebrity chef; his parents have become swingers (with whom is too shocking to go into now); his epic novel is still unpublished; his ex-flame Pandora is running for political office; and his younger sister has rebelled in the most distressingly

common ways. There is one upside: Adrian's son has inherited his mother's unblemished skin. "Townsend's wit is razor sharp" (Daily Mirror) as she shows us the world through the older and (possibly?) wiser eyes of her "achingly funny anti-hero" (Daily Mail), proving again and again why she's been called "a national treasure" (The New York Times Book Review).

Adrian Mole: The Collected Poems

Random House (UK)

Adrian Mole faces the same agonies that life sets before most adolescents: troubles with girls, school, parents, and an uncaring world. The difference, though, between young Master Mole and his peers is that this British lad

keeps a diary—an earnest chronicle of longing and disaster that has charmed more than five million readers since its two-volume initial publication. From teenaged Adrian's anguished adoration of a lovely, mercurial schoolmate to his view of his parents' constantly creaking relationship to his heartfelt but hilarious attempts at cathartic verse, here is an outrageous triumph of deadpan—and deadly accurate—satire. ABBA, Princess Di's wedding, street punks, Monty Python, the Falklands campaign . . . all the cultural pageantry of a keenly observed era marches past the unique perspective of Sue Townsend's brilliant comic creation: A .

Mole, the unforgettable lad whose self-absorption only gets funnier as his life becomes more desperate.

Adrian Mole, from Minor to Major Adrian Mole: The Wilderness Years

Presents the latest diaries of young Master Mole, whose private musings represent the reflections of a misunderstood and muddled soul

The Woman who Went to Bed for a

Year Soho Press Inc
Adrian Mole has entered early middle age and is now 'the same age as Jesus was when he died' (33). Father to the grammatically challenged Glenn, and William, who takes a 'Big Boy Arouser' condom to nursery school as his innocent

contribution to a hot air balloon project, Adrian is a single parent who has an on/off relationship with his housing officer, Pamela Pigg. Will she help him to move from the notorious Gaitskell estate before William joins the Mad Frankie Fraser fan club? In the meantime, Adrian continues to be scandalised by his irresponsible parents who are conducting a matrimonial square-dance with the Braithwaites – the parents of the beautiful but unobtainable Pandora, who is ruthlessly pursuing her ambition to be New Labour's first woman P.M. – and to confide in his diary. His current worries include: indestructible head-lice; his raging jealousy when his accomplished

half-brother Brett arrives on his doorstep; moral decline in *The Archers*; his desperate attachment to two therapists; his mild addiction to Starburst (formerly Opal Fruits); a small earthquake in Leicester; and, perhaps most significantly, the dawn of a new millennium.

The Lost Diaries of Adrian Mole,

1999-2001 Penguin Books, Limited (UK)

"Townsend has a rare gift ... wickedly funny."—Kirkus Reviews (starred) "It's not pretty, it's not subtle, but it's wickedly funny and skewers London's prime-time players."—Columbus Dispatch Praise for Sue Townsend: "It's a good thing British subjects are no longer beheaded for treason, or Sue Townsend's

head would roll . . . outrageously cutting."—Newsday "[Townsend] is a national treasure."—The New York Times Book Review Edward Clare, PM of England, doesn't know the price of a liter of milk. Worse, he's admitted it on national television. The public that ushered him to a landslide election has turned against him. Edward decides the only way to get closer to the men and women on the street is to travel the country dressed in drag. Leaving his high-powered, ambitious wife to attend to things in his absence, he sets out. In this comic romp Sue Townsend sends up, roasts, hoists and generally petards the once and future prime ministers as only she

can. Sue Townsend is celebrated as the author of the bestselling Adrian Mole series, read by millions, as well as the #1 British bestseller, *The Queen and I*. She lives in Leicester, England.

Adrian Mole Penguin UK

The queen abdicates and places Charles in the position of choosing between the throne and his wife.

Queen Camilla Penguin UK

The final chapter in the beloved chronicles of an angsty Brit begun in *The Secret Diary of Adrian Mole Aged 13³/₄* is “a tour de force by a comic genius” (Daily Mail). Am I turning into one of those middle-aged men who think the country has gone to the dogs and that there has been no decent music since Abba? Hard to believe! Adrian Mole is pushing forty, a beleaguered bookseller looking back through the wistful eyes of an unrecognized intellectual and, admittedly, pretty much of an Everyman. But he’s also looking forward, despite a few things: His five-year-old daughter is showing alarming Stalinist traits; his son

is fighting the Taliban and he's worried sick; his unfaithful wife is keeping a diary of her own and it's all rather heartbreaking; frequent urination has made him fear trouble "down there;" and his mother is penning a misery memoir that is one gross slog of a lie (born an aristocrat in a Norfolk potato field, indeed!). Then one day he receives a phone call out of the blue from the great and only love his life: Pandora Braithwaite. "Do you think of me?" she asks. Only ever since he was 13¾ . . . Adrian Mole's epic and hilarious chronicle of angst over a quarter century has sold more than twenty million copies worldwide, and been adapted for television and staged as a musical—truly "a

phenomenon" (The Washington Post). This final volume is "like rediscovering an old school friend on Facebook" (Time Out), and "if [it] isn't the best book published this year, I'll eat my bookshelf" (Daily Mail).

PM or the Queen
reduced to living on a
council estate, Sue
Townsend has been

brilliantly satirizing British life for more than twenty years. Penguin publish all Townsend's hilarious Adrian Mole books and *The Queen in Hell Close* is an extract from *The Queen and I*, a brilliantly acerbic take on a Royal Family in dire straits.

Adrian Mole, The Later Years Penguin UK

The author turns her mordant powers of observation to the serious question of abortion in this poignant & unsparing work of fiction.

The Prostrate Years

Open Road Media
From the bestselling author of the Adrian Mole series and *The Woman who Went to Bed for a Year* comes a brilliant, laugh-out-loud satire on modern Britain and the battle of the sexes 'There are

two things that you should know about me immediately: the first is that I am beautiful, the second is that yesterday I killed a man. Both things were accidents . . .' When Midlands housewife Coventry Dakin kills her neighbour in a wild bid to prevent him from strangling his wife, she goes on the run. Finding herself alone and friendless in London she tries to lose herself in the city's maze of streets. There, she meets a bewildering cast of eccentric characters. From Professor Willoughby D'Eresby and his perpetually naked wife Letitia to Dodo, a care-in-the-community inhabitant of Cardboard City, all of whom contrive to change Coventry in ways she could never

have foreseen . . .

*The Secret Diary of
Adrian Mole, Aged 13
3/4 and The Growing
Pains of Adrian Mole*
Penguin UK

The day her gifted
twins leave home for
university, Eva climbs
into bed and stays
there. For seventeen
years she's wanted to

yell at the world, 'Stop!
I want to get off'. Her
husband, an
astronomer who
divides his time
between gazing at the
expanding universe, an
unsatisfactory affair
with his colleague and
mooching in his shed,
is not happy.
