explains all about the Age of Exploration. It includes everything your students will need to understand including definitions, reasons, explorers, histories, obstacles, goals, destinations, accomplishments, and much more!  
 Mr. Nussbaum History Explorers Activities  
 The Age of Exploration ended in the early 17th century after technological advancements and increased knowledge of the world allowed Europeans to travel easily across the globe by sea. The creation of permanent settlements and colonies created a network of communication and trade, therefore ending the need to search for new routes.
