El Corán es un libro sagrado para cerca de mil millones de practicantes del islam. Es también un texto esencial en la historia de la cultura y de las religiones, y literariamente bello, inimitable según los musulmanes. Los autores de este volumen

repan las traducciones hispánicas del Corán y presentan una serie de propuestas para traducir esta obra universal, escrita en árabe, a otras lenguas, especialmente a las lenguas románicas, a partir de una metodología innovadora en muchos aspectos. Parten de una experiencia concreta que podría aplicarse a otros idiomas: la primera traducción del Corán al catalán, galardonada en 2002 por el Ministerio de Cultura con el Premio Nacional de Traducción. Mikel de Epalza es catedrático de Estudios Árabes e Islámicos en la Universidad de Alicante, Josep V. Forcadell

EXPOSING SATAN'S DEVICES is a spiritual tool chest of the many devices Satan uses to keep people under his lies and deceptions which eventually destroys them. It's very broad and yet specific in it's coverage of exposing Satan's devices. Some of the topics covered deal with things we all face in our day with the devil on the rampage. As long as Satan stays covered he is able to continue his evil works, but when the light of God's Word shines on his deeds, he can no longer use his deceptions. We certainly don't want to allow the devil to get an advantage over us by our ignorance of the devices he uses (2 Corinthians 2:11). This book is an expose of Satan and his methods and how to overcome him through spiritual warfare. As overcomers we have the victory!

A Husband After God's Own Heart Chosen Books

What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of

the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. He lays out a chilling case for rejecting its false prophets, speaking out against their errors, showing true reverence to the Holy Spirit, and above all clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." In best selling *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!

Christians know that God loves them, but can easily feel that he is perpetually disappointed and frustrated, maybe even close to giving up on them. As a result, they focus a lot—and rightly so—on what Jesus has done to appease God’s wrath for sin. But how does Jesus Christ actually feel about his people amid all their sins and failures? This book draws us to Matthew 11, where Jesus describes himself as “gentle and lowly in heart,” longing for his people to find rest in him. The gospel flows from God’s deepest heart for his people, a heart of tender love for the sinful and suffering. These chapters take readers into the depths of Christ’s very heart for sinners, diving deep into Bible passages that speak of who Christ is and encouraging readers with the affections of Christ for his people. His longing heart for sinners comforts and sustains readers in their up-and-down lives.

In this classic devotional, John Calvin urges readers to apply the Christian life in a balanced way to mind, heart, and hand. Rather than focusing on contemplative otherworldliness, the book stresses the

importance of a devotedly active Christian life. In style and spirit, this book is much like Augustine's Confessions, Bunyan's Pilgrim's Progress, or Thomas à Kempis's Imitation of Christ. However, its intense practicality sets it apart, making it easily accessible for any reader seeking to carry out Christian values in everyday life.

Chapter themes include obedience, self-denial, the significance of the cross, and how we should live our lives today.

Gentle and Lowly Charisma Media

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.
