Classic Essays on English Prose

Samuel Johnson on the Bugbear Style . There is a mode of style for which I know not that the masters of oratory have yet found a name; a style by which the most evident truths are so obscured, that they can no longer be perceived, and the most familiar propositions so disguised that they cannot be known. . . .

12 Classic Essays on English Prose

Style Prose style matters - and it's good that it matters!

Books are made out of sentences and sentences are made out of words. If you re not very picky indeed about your word choices and sentence constructions, you will never be (or deserve to be) a real professional author.
