 One Hundred Years of Solitude Harper Collins
That was Loneliness EDAF
 This book, Paz's first book-length essay, is the most famous of his works and a modern classic. Published in Spanish in 1950, it is undoubtedly the most influential work that exists on problems of Mexican cultural identity. In this critical edition, Stanton introduces the work, explores the historical circumstances in which it was written, its textual genesis, sequels and its influence. He analyzes key elements of the essay, such as the structure, methodology, use of Freud, Jung, Marx, Nietzsche and the way it relates culture to history. This book contains questions and themes for discussion and a select bibliography.
The Well of Loneliness Harper Collins
 In 1950 Krishnamurti said: "It is only when the mind is not escaping in any form that it is possible to be in direct communion with that thing we call loneliness, the alone, and to have communion with that thing, there must be affection, there must be love." On Love and Loneliness is a compelling investigation of our intimate relationships with ourselves, others, and society. Krishnamurti suggests that "true relationship" can come into being only when there is self-knowledge of the conditions which divide and isolate individuals and groups. Only by renouncing the self can we understand the problem of loneliness, and truly love.
One Hundred Years of Solitude Editorial Mundo Hispano
 Elena seemingly has everything - money, a successful husband, an attractive daughter. Despite this, she is bored with her life, filling her days with whisky and cannabis. When her mother dies, Elena is stirred into action and hires a private detective to follow her husband, with surprising results.
Bandit of Hells Bend Sourcebooks, Inc.
 The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

The Vagina Monologues Fundacion Biblioteca Ayacucho
 Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.
Live Alone and Like It Penguin

The Narrative of Arthur Gordon Pym of Nantucket Editorial Brujas
 Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review
 In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
The Devil's Pit GENERAL PRESS
 Written with compassionate realism and wit, the stories in this mesmerizing collection depict the disparities of town and village life in South America, of the frightfully poor and outrageously rich, of memories and illusions, and of lost opportunities and present joys.
La bruja que me amó 5 Spot
 El concepto de "niño interior" es utilizado por la psicología para definir esa parte íntima de carencias afectivas que todos tenemos sin cubrir en mayor o menor medida, esa parte necesitada de amor cuya falta nos llega desde la infancia, y que es responsable de muchas tendencias autodestructivas y de insatisfacción en las relaciones personales. Este libro nos habla de la necesidad de conectar con nuestro "niño interior" para sanar sus miedos y conflictos, pero también para recuperar todo su caudal de ternura y capacidad de amar. Una guía práctica de curación interior, especialmente útil para cualquier persona que se encuentre en una encrucijada, en un momento de cambio o de crisis, o en una fase de desarrollo personal o espiritual.
The Invention of Solitude NED Ediciones
 AVAILABLE FOR THE FIRST TIME IN eBook! A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after

marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society—not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love in the Time of Cholera*, *The Autumn of the Patriarch*, *The General in the Labyrinth*, and *News of a Kidnapping*. He died in 2014.
Sobre el amor y la soledad Penguin
 One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.
Novelas y cuentos Marcombo
 Follows the story of Arthur Gordon Pym, who stows away on the whaling ship, *Grampus*. Unfortunately for him he finds himself stuck in an adventure that includes mutiny, butchery, and cannibalism, premature burial, a ghost ship, gigantic polar bears, and uncharted islands peopled by barbarian hordes. That'll teach him not to try and get a free ride in the future. If he has one.
Gigantesco: Libro de Los Mejores Cuentos - Volume 1 Anchor
 Celebrated title story plus "The Shot," "The Snowstorm," "The Coffin-Maker," "An Amateur Peasant Girl," and "The Postmaster" — all fascinating portraits of life in Tsarist Russia by one of that country's greatest writers.

Drawing on conversations with hundreds of women about their genitalia, the author presents a collection of performance pieces from her one-woman show of the same name.

Vintage

A captivating novel that warns against the dangers of marrying someone estranged from God.

¡Oh, soledad! Tacet Books

“A definitive guide to astronomy’s hottest field.” —The Economist
Since its formation nearly five billion years ago, our planet has been the sole living world in a vast and silent universe. But over the past two decades, astronomers have discovered thousands of “exoplanets,” including some that could be similar to our own world, and the pace of discovery is accelerating. In a fascinating account of this unfolding revolution, Lee Billings draws on interviews with the world’s top experts in the search for life beyond earth. He reveals how the search for exoplanets is not only a scientific challenge, but also a reflection of our culture’s timeless hopes, dreams, and fears.

La Cola de la Sirena el Pacto de Cristina eStar Books

Con tan sólo veintiséis años, Paolo Giordano se ha convertido en el fenómeno editorial más relevante de los últimos tiempos en Italia. La soledad de los números primos, primera novela de este licenciado en Física Teórica, ha sido galardonada con el Premio Strega 2008 —el más importante de Italia— y ha conseguido un éxito sin precedentes para un autor novel: más de un millón de ejemplares vendidos. Asimismo, ha despertado un gran interés

internacional y será traducida a veintitrés idiomas. Existen entre los números primos algunos aún más especiales. Son aquellos que los matemáticos llaman primos gemelos, pues entre ellos se interpone siempre un número par. Así, números como el 11 y el 13, el 17 y el 19, o el 41 y el 43, permanecen próximos, pero sin llegar a tocarse nunca. Esta verdad matemática es la hermosa metáfora que el autor ha escogido para narrar la conmovedora historia de Alice y Mattia, dos seres cuyas vidas han quedado condicionadas por las consecuencias irreversibles de sendos episodios ocurridos en su niñez. Desde la adolescencia hasta bien entrada la edad adulta, y pese a la fuerte atracción que indudablemente los une, la vida erigirá entre ellos barreras invisibles que pondrán a prueba la solidez de su relación. La sutileza de los rasgos psicológicos de los personajes, así como la hondura y complejidad de una historia que suscita en los lectores las reacciones más variadas, resaltan la admirable madurez literaria de este joven autor a la hora de asomarse, nada más y nada menos, a la esencia de la soledad.

On Love and Loneliness Courier Corporation

Es indudable que en la sociedad actual, la importancia del protocolo y de la imagen son claves para el éxito personal y empresarial. Esta edición actualizada presenta las últimas novedades del mundo del protocolo y las relaciones públicas de manera didáctica, práctica, actual y explícita, ya que en cada capítulo se exponen de forma muy clara los objetivos y los contenidos, se ofrece un resumen de lo tratado en él y se incluye

gran número de actividades, ejemplos, tablas, organigramas y casos prácticos. Además, la obra incorpora un útil glosario de términos específicos que facilita la comprensión de los contenidos.
