Education Online Course.

**Moral Wisdom** Prentice Hall

A Down-to-Earth Approach James Henslin shares the excitement of sociology in Essentials of Sociology: A Down-to-Earth Approach, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the

world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. Revel from Pearson is a new learning experience designed for the way today's students read, think, and learn. Revel redesigns familiar and respected course content and enriches it for today's students with new dynamic, rich-media interactives and assessments. The result is improved student engagement and improved learning. Revel for Henslin will be available for Fall 2014 classes. This program will provide a better teaching and learning experience-for you and your students. It:

- Personalizes Learning with MySocLab: MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance.
- Explores a Down-to-Earth Approach: This title highlights the sociology of everyday life and its relevance to students' lives.
- Improves Critical Thinking: Features throughout help build critical thinking skills.
- Understands Social Change: An important theme of the text, social change over time, examines what society was previously like, how it has changed, and what the implications are for the present and future.

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab

& Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

*Christian Thought and Practice* Prentice Hall

Sustainable management is an important consideration for businesses and organisations, and the enormous number of tourism events taking place requiring facilities, power, transport, people and much more makes sustainable event planning a considerable priority. By looking at mega events, sports events, conferences and festivals, this book uses best practice case studies to illustrate sustainable management issues and practical considerations that managers need to apply, providing an essential reference for researchers and students in leisure and tourism.

**Principles of Marketing, An Asian Perspective** CABI

#1 Wall Street Journal Bestseller Instant New York Times Bestseller A game-changing approach to marketing, sales, and advertising. Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books. He is the inventor of countless ideas that have made their way into mainstream business language, from Permission Marketing to Purple Cow to Tribes to The Dip. Now, for the first time, Godin

offers the core of his marketing wisdom in one compact, accessible, timeless package. This is Marketing shows you how to do work you're proud of, whether you're a tech startup founder, a small business owner, or part of a large corporation. Great marketers don't use consumers to solve their company's problem; they use marketing to solve other people's problems. Their tactics rely on empathy, connection, and emotional labor instead of attention-stealing ads and spammy email funnels. No matter what your product or service, this book will help you reframe how it's presented to the world, in order to meaningfully connect with people who want it. Seth employs his signature blend of insight, observation, and memorable examples to teach you:

- \* How to build trust and permission with your target market.
- \* The art of positioning--deciding not only who it's for, but who it's not for.
- \* Why the best way to achieve your goals is to help others become who they want to be.
- \* Why the old approaches to advertising and branding no longer work.
- \* The surprising role of tension in any decision to buy (or not).
- \* How marketing is at its core about the stories we tell ourselves about our social status.

You can do work that matters for people who care. This book shows you the way.

*Principles of Marketing, Fifth Edition, [by] Philip Kotler, Gary Armstrong : Instructor's Resource Manual* Kogan Page Publishers  
For undergraduate principles of marketing courses. This ISBN is for the bound textbook, which students can rent through their bookstore. An introduction to marketing using a practical and engaging approach Marketing: An Introduction shows students how customer value -- creating it and capturing it -- drives effective marketing strategies. The 14th Edition reflects the major

trends and shifting forces that impact marketing in this digital age of customer value, engagement, and relationships, leaving students with a richer understanding of basic marketing concepts, strategies, and practices. Through updated company cases, Marketing at Work highlights, and revised end-of-chapter exercises, students are able to apply marketing concepts to real-world company scenarios. This title is also available digitally as a standalone Pearson eText, or via Pearson MyLab Marketing which includes the Pearson eText. These options give students affordable access to learning materials, so they come to class ready to succeed. Contact your Pearson rep for more information.

Christian theology has had a lasting influence a range of modern subjects; a solid introduction to its tenets, traditions, and thinkers benefits students of all disciplines. Natalie Kertes Weaver's Christian Thought and Practice: A Primer provides a foundation for those new to the study of Christianity and the opportunity to develop a more sophisticated sense of Christianity for students with prior study. With features to enhance classroom learning, Christian Thought and Practice is ideally suited for today's student.

*Principles of Marketing* Pearson Higher Ed

The modern marketer needs to learn how to employ strategic thinking alongside the use of digital media to deliver measurable and accountable business success. Digital Marketing Strategy covers the essential elements of achieving exactly this by guiding you through every step of creating your perfect digital marketing strategy. This book analyzes the essential techniques and platforms of digital marketing including social media, content

marketing, SEO, user experience, personalization, display advertising and CRM, as well as the broader aspects of implementation including planning, integration with overall company aims and presenting to decision makers. Simon Kingsnorth brings digital marketing strategy to life through best practice case studies, illustrations, checklists and summaries, to give you insightful and practical guidance. Rather than presenting a restrictive 'one size fits all' model, this book gives you the tools to tailor-make your own strategy according to your unique business needs and demonstrates how an integrated and holistic approach to marketing leads to greater success. Digital Marketing Strategy is also supported by a wealth of online resources, including budget and strategy templates, lecture slides and a bonus chapter.

*Marketing* Springer Science & Business Media

Why does organizational behavior matter— isn't it just common sense? Organizational Behavior: A Skill-Building Approach helps students answer this question by providing insight into OB concepts and processes through an interactive skill-building approach. Translating the latest research into practical applications, authors Christopher P. Neck, Jeffery D. Houghton, and Emma L. Murray unpack how managers can develop essential skills to unleash the potential of their employees. The text examines how individual characteristics, group dynamics, and organizational factors affect performance, motivation, and job satisfaction, providing students with a holistic understanding of OB. Packed with critical thinking opportunities, experiential exercises, and self-assessments, the new Second Edition provides students with a fun, hands-on introduction to the fascinating

world of OB. This title is accompanied by a complete teaching and learning package. Contact your SAGE representative to request a demo. Digital Option / Courseware SAGE Vantage is an intuitive digital platform that delivers this text's content and course materials in a learning experience that offers auto-graded assignments and interactive multimedia tools, all carefully designed to ignite student engagement and drive critical thinking. Built with you and your students in mind, it offers simple course set-up and enables students to better prepare for class. Assignable Video with Assessment Assignable video (available with SAGE Vantage) is tied to learning objectives and curated exclusively for this text to bring concepts to life. LMS Cartridge (formerly known as SAGE Coursepacks): Import this title's instructor resources into your school's learning management system (LMS) and save time. Don't use an LMS? You can still access all of the same online resources for this title via the password-protected Instructor Resource Site. Learn more.

**The Consumer Trap** Juta and Company Ltd

**Digital Marketing All-In-One For Dummies** Rowman & Littlefield

"Lays bare the ways in which the sophisticated and self-conscious 'class coercion' designed by and for business leaders passed beyond meticulous management of the workplace to 'manipulating people's off-the-job perceptions and actions. Exposes the mythology of 'consumer sovereignty' and 'free markets' and sketches a humane alternative to domination by 'corporate overlords' and the state power to which they are closely linked." [Noam Chomsky. Back cover].

Principles of Marketing SAGE

Principles of Marketing takes a practical, managerial approach to marketing. Continuing with tradition, it is rich in topical examples and applications that show the major decisions that marketing managers face in their efforts to balance an organisation's objectives and resources against needs and opportunities in the global marketplace. The Fourth Edition has changed to reflect

marketing's ever changing challenges. All previous cases, marketing insights and end of chapter cases are revised or completely changed to embrace the growth in e-commerce. In addition, recognising Europe's internationalism and the growth of globalisation, examples and cases are drawn, not from Europe alone, but from the US, Japan, South-East Asia and Africa. This is suitable for any undergraduate or postgraduate undertaking an introductory course in marketing.

*Marketing Management* Penguin

Marketing for Entrepreneurs provides students with practical insights, strategies, and tips on how to apply marketing concepts to increase the chances of new venture success. Author Frederick G. Crane focuses on how readers can use marketing to find the right opportunity, develop valuable new products and services, and create memorable brands. He walks students through each phase of the marketing process. Packed with help tips and profiles of successful entrepreneurs, this practical text includes the tools readers need to launch and sustain successful ventures. The new Third Edition includes a new chapter on social media marketing, new examples and profiles, and new coverage of timely topics such as user experience research, data analytics, MVPs, surge pricing, and just-in-time inventory.

Marketing for Entrepreneurs Pearson College Division

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Contributing Authors David S. Bright, Wright State University Anastasia H. Cortes, Virginia Tech University Eva Hartmann, University of Richmond K. Praveen Parboteeah, University of Wisconsin-Whitewater Jon L.
