Protect A God or Die Trying?! Odin, the chief deity of the Norse pantheon, has come to visit Japan on important business, and Issei and the gang are tasked with keeping him safe. Guarding a lecherous old fart of a god is tough enough on its own, but to make matters worse, Akeno's estranged fallen-angel father has also been asked to protect Odin. As Issei searches for a way to help the two reconcile, disaster strikes in the form of

Loki, another Norse god, who isn't too happy about how Odin's been running things. It's been said that the Red Dragon Emperor has the power to best deities, but will that truly be enough this time? Our hapless hero may need some help from the most unlikely source...

Two months have passed since the nefarious events surrounding the latest Nine School Competition, and its cerebral counterpart, the Thesis Competition, is fast approaching. Helping out First High with the event, Tatsuya will surely have his work cut out for him even if everything goes according to plan. Tatsuya and Miyuki depart for Kyoto, where they'll have to keep their wits about them to safely navigate the hidden schemes and shadowy conflicts that lurk just beneath the surface of the ancient capital!
