*Robert Johnson - The Complete Recordings (1996, CD) | Discogs* The Complete Robert Johnson The Complete Recordings is a compilation album by American Delta blues musician Robert Johnson. The 41 songs were recorded in two sessions in Dallas and San

Antonio, Texas for the American Record Company (ARC) during 1936 and 1937. Most were first released on 78 rpm records in 1937. The Complete Recordings, released August 28, 1990, by Columbia Records, contains every recording Johnson is known ... The Complete Recordings (Robert Johnson album) - Wikipedia Robert Johnson is the foundation to which all other Blues artists have built their career on.

He was re-packaged and sold back to America in many versions including: The Rolling Stones, Cream, Jimi Hendrix and Led Zeppelin. He had influence on Bob Dylan in the 1960's which was over 2 decades since his passing. Robert Johnson - The Complete Recordings | Releases | Discogs After buying this compilation, I listened to what might be the complete discography of Robert Johnson. I found his voice somewhat shrill

The speed of the guitar-playing obviously inspired the myth about Johnson's deal with the devil at the crossroads. Robert Johnson - Robert Johnson: The Complete Recordings ...The Original Complete Recordings has 41 tracks, but there are two versions of Traveling Riverside Blues. Therefore, on this list, there are 42 tracks. Robert Johnson: The Complete Recordings - YouTube A double-disc

box set containing everything Robert Johnson ever recorded, The Complete Recordings is essential listening, but it is also slightly problematic. The problems aren't in the music itself, of course, which is stunning and the fidelity of the recordings is the best it ever has been or ever will be.
