Rammstein on FireNew Perspectives on the Music and Performances

Existing books on the analysis of popular music focus on theory and methodology, and normally

discuss parts of songs briefly as examples. The impression often given is that songs are being chosen simply to illuminate and exemplify a theoretical position. In this book the obverse is true: songs take centre stage and are given priority. The authors analyse and interpret them intensively from a variety of theoretical positions that illuminate the song. Thus, methods and theories have to prove their use value in the face of a heterogeneous, contemporary repertoire. The book brings together researchers from very different cultural backgrounds and encourages them to compare their different hearings and to discuss the ways in which they make sense of specific songs. All songs analysed are from the new millennium, most of them not older than three years. Because the most widely popular styles are too often ignored by academics, this book aims to shed light on how million sellers work musically. Therefore, it encompasses a broad palette, highlighting mainstream pop (Lady Gaga, Ke\$ha, Lucenzo, Amy McDonald), but also accounting for critically acclaimed 'indie' styles (Fleet Foxes, Death Cab for Cutie, PJ Harvey), R&B (Destiny's Child, Janelle Monae), popular hard rock (Kings of Leon, Rammstein), and current electronic music (Andrés, Björk). By concentrating on 13 well-known songs, this book offers some model analyses that can very easily be studied at home or used in seminars and classrooms for students of popular music

at all academic levels.

Meet Halcombe Hackney Norilsk, a unique personage that dreams so big he travels throughout the world in order to be famous because he thinks he deserves it. As his Russian hometown (Norilsk) has been officially selected the worst place in the world to live several times; he wants to prove he can attain anything, becoming a household name despite his origins. However, reality proves otherwise. In fact, his life in Norilsk was better than expected. After reading his humorous adventures, you can discover an array of very interesting pieces of writing with regards to topics such as music, movies, history, literature, culture, lifestyle, travel or personal experiences that Halcombe has exclusively penned for you.

Perspectives on German Popular Music Emereo Publishing

Hector Diego, a field agent working for the top secret government agency known as C.H.E.S.S. (Command Headquarters Echelon: Secret Service) has only days before a psychopathic scientist known only as 'Gabriel' unleashes his powerful new weapon on the world and causes the 'Neutron Storm'. Joined by his partner Virginia Connors, they track the madman to his hidden base where they'll have to fight ninjas and ineptitude in their battle against the clock.

The Adventures of Halcombe Norilsk and Other Gripping Tales Verso

Explores how contemporary German-language literary, dramatic, filmic, musical, and street artists are grappling in their works with social justice issues that affect Germany and the wider world.

Soundtracking Germany Peter Lang

Rammstein is a German industrial metal band, formed in 1994 in Berlin. Throughout its existence, Rammstein's six-man lineup has remained unchanged-singer Till Lindemann, guitarists Richard Z. Kruspe and Paul H. Landers, bassist Oliver "Ollie" Riedel, drummer Christoph "Doom" Schneider and keyboardist Christian "Flake" Lorenz. The band helped to found a subgenre within German hard rock and metal that became known as Neue Deutsche Härte. The majority of their songs are in German, but they have also performed songs entirely or partially in other languages including English, Spanish, French, and Russian

Midnight Cafe Routledge

This volume contains 13 original essays exploring Rammstein's stage performance and recorded works from multiple academic perspectives. Topics range from Rammstein's connection with 19th century German literature and their East German heritage to cannibalism and the supernatural. The panoramic view of approaches to Rammstein's music and performance goes beneath the surface and provides fan and scholar alike with a deeper appreciation for the band.

The Rammstein, Knfmdm, Tokio Hotel, Juli, Slapp Happy, Fire on Dawson, Ton Steine Scherben, H-Blockx, the Trial, Eisbrecher McFarland

This volume surveys transnational encounters and entanglements between Germany and East Asia since 1945, a period that has witnessed unprecedented global connections between the two regions. It examines their sociopolitical and cultural connections through a variety of media. Since 1945, cultural flow between Germany and East Asia has increasingly become bidirectional, spurred by East Asian economies' unprecedented growth. In exploring their dynamic and evolving relations, this volume emphasizes how they have negotiated their differences and have frequently cooperated toward common goals in meeting the challenges of the contemporary world. Given their long-standing historical differences, their post-1945 relations reveal a surprisingly high degree of affinity in many areas. To show how they have deeply shaped each other's views, this volume presents 12 chapters by scholars from the fields of history, sinology, sociology, literature, music, and film. Topics include cultural topics, such as German and Swiss writers on East Asia (Enzensberg, Muschg, and Kreitz), Japanese writer on Germany (Tezuka and Tawada), German commemorative culture in Korea, Beethoven in China, metal music in Germany and Japan, diary films on Japan (Wenders), as well as sociopolitical topics, such as Sino- East German diplomacy, Germans and Korean democracy, and Japanes and Korean communities in Germany.

Till Lindemann Coloring Book Tebbo

To initiate its new Ph.D. Program in Transcultural German Studies, jointly offered by the University of Arizona and the University of Leipzig, the Department of German Studies at the University of Arizona organized an international conference on Transcultural German Studies in Tucson from March 29-31, 2007. Conference participants sought to define the nature of Transcultural German Studies. This new, interdisciplinary field of inquiry investigates the cultural landscapes of the German-speaking world in the light of globalization and inter- and transcultural contact. The contributions that comprise the volume are by scholars who work in a number of related fields, exploring transcultural phenomena - past and present - evident in selected literary, filmic, musical and historical texts. Zur Einführung des neuen, interdisziplinären Studiengangs Transcultural German Studies, den die University of Arizona und die Universität Leipzig gemeinsam anbieten, organisierte das Department of German Studies der University of Arizona vom 29. bis 31. März

2007 in Tucson eine internationale Konferenz. Die Teilnehmer hatten es sich zur Aufgabe gemacht, das Wesen der Transcultural German Studies zu definieren und näher zu beleuchten. Dieser Band vereint ausgewählte Ergebnisse der Vorträge. Im Licht von Globalisierung sowie inter- und transkulturellen Kontakten werden Kulturlandschaften des deutschsprachigen Raumes untersucht. Wissenschaftler, die in einer Reihe von verwandten Forschungsgebieten arbeiten, nehmen literarische, filmische, musikalische und historische Texte genauer unter die Lupe und zeigen anhand dieser Texte transkulturelle Phänomene der Vergangenheit und Gegenwart auf.

Rammstein on Fire Boydell & Brewer

In this book, native popular musicologists focus on their own popular music cultures from Germany, Austria and Switzerland for the first time: from subcultural to mainstream phenomena; from the 1950s to contemporary acts. Starting with an introduction and two chapters on the histories of German popular music and its study, the volume then concentrates on focused, detailed and yet concise close readings from different perspectives (including particular historical East and West German perspectives), mostly focusing on the music and its protagonists. Moreover, these analyses deal with very original specific genres such as Schlager and Krautrock as well as transcultural genres such as Punk or Hip Hop. There are additional chapters on characteristically German developments within music media, journalism and the music industry. The book will contribute to a better understanding of German, Austrian and Swiss popular music, and will interconnect international and especially Anglo-American studies with German approaches. The book, as a consequence, will show close connections between global and local popular music cultures and diverse traditions of study.

Rammstein is an industrial metal band from Berlin, Germany. The band was formed in 1994 and consists of Till Lindemann (lead vocals), Richard Z. Kruspe (guitar and backing vocals), Paul H. Landers (guitar, backing vocals), Oliver "Ollie" Riedel (bass guitar), Christoph "Doom" Schneider (drums and electronic percussion) and Christian "Flake" Lorenz (keyboards). Their songs are usually in German, but they have also performed songs entirely or partially in other languages such as English, Spanish, French and Russian. As of 2009, they have sold over 20 million records worldwide. Rammstein's live shows are famous for their pyrotechnic performance and theatrics, earning them awards from many countries. Rammstein's entire catalogue is published by Universal Music Group. Since their formation in 1994, Rammstein has had no changes in their band line-up. The band have stated they were named after the Ramstein air-show disaster. The extra "m" in the band's name makes it translate literally as "ramming stone." This book is your ultimate resource for Rammstein. Here you will find the most up-to-date information, photos, and much more. In easy to read chapters, with extensive references and links to get you to know all there is to know about Rammstein's Early life, Career and Personal life right away. A portion of the proceeds of each book will be donated to the Wikimedia Foundation to support their mission.

Billboard University-Press.org

The development of German pop music represents a fascinating cultural mirror to the history of post-war Germany, reflecting sociological changes and political developments. While film studies is an already established discipline, German pop music is currently emerging as a new and exciting field of academic study. This pioneering companion is the first volume to provide a comprehensive overview of the subject, charting the development of German pop music from the post-war period 'Schlager' to the present 'Diskursrock'. Written by acknowledged experts from Germany, the UK and the US, the various chapters provide overviews of pertinent genres as well as focusing on major bands such as CAN, Kraftwerk or Rammstein. While these acts have shaped the international profile of German pop music, the volume also undertakes in-depth examinations of the specific German contributions to genres such as punk, industrial, rap and techno. The survey is concluded by an interview with the leading German pop theorist Diedrich Diederichsen. The volume constitutes an indispensable companion for any student, teacher and scholar in the area of German studies interested in contemporary popular culture.
