Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*Pink Floyd - Guitar Anthology* Penguin Group

Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "A madcap adventure . . . Adams's writing teeters on the fringe of inspired lunacy."—United Press International Back on Earth with nothing more to show for his long, strange trip through time and space than a ratty towel and a plastic shopping bag, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription, the mysterious disappearance of Earth's dolphins, and the discovery of his battered copy of The Hitchhiker's Guide to the Galaxy all conspire to give Arthur the sneaking suspicion that something otherworldly is indeed going on. God only knows what it all means. Fortunately, He left behind a Final Message of explanation. But since it's light-years away from Earth, on a star surrounded by souvenir booths, finding out what it is will mean hitching a ride to the far reaches of space aboard a UFO with a giant robot. What else is new? "The most ridiculously exaggerated situation comedy known to created beings . . . Adams is irresistible."—The Boston Globe

**Planet Dog** Wise Publications

ABRAMS

The wild life and times of a South East London '60s musician. In London, Paris, Tokyo and Los Angeles!

Songwriting For Dummies Hal Leonard Corporation

A "hilarious" novel of a rock and roll dream gone awry (The New York Times Book Review). The Wonderkids are living the dream: sold-out concerts, screaming fans, TV shows, number-one hits. Unfortunately, it's because the lead singer, Blake Lear, made a deal—wild success in exchange for transforming the band into a children's entertainment act. Now the seats are packed with grade schoolers instead of cool hipsters, and the television appearances happen on Saturday morning. But hey, rock and roll has always been for the kids, right? The money is good, and things go very right—until they go very wrong. The temptations of the road are many, and the Wonderkids are big kids, too. Narrated by a boy whom Blake adopts on a whim, who becomes the band's disciple, merch guy, amateur psychologist, and—eventually—damage control guru, *Wonderkid* is a delirious and surprisingly touching novel of the dangers of compromise, thwarted ambition, and fathers and sons, told with tremendous humor and energy. "If Stace's latest novel, his fourth, rings true, it's because he is writing what he knows. For 25 years, he performed smart indie rock under the pseudonym John Wesley Harding . . . A great rock 'n' roll novel." —The Boston Globe "Deliciously entertaining." —The Wall Street Journal "[Wonderkid is] sweet and funny and knowing—and this is me, holding up my lighter for more." —Joshua Ferris, National Book Award finalist and author of *Then We Came to the End*
